

Summer School Drop Off/Pick Up

One thing we have learned about school drop off/pick up during Covid is that it is very important to follow the schedule!

Drop off/Pick up Directions:

- Morning drop off is available between 8:40 and 8:55. Please do not drop off after 8:55 so that we can get kids inside to maximize learning time.
- All students dropped off for breakfast/morning supervision before 8:40 am should use the 3rd-5th grade path and enter through the gym.
- Please **do not arrive before 3:00 for pick up**. Afternoon activities will end at 3:00 but we need time to get the students ready for pick up. *If you arrive before students are waiting, please drive around the block and come back.* We need to be respectful to the neighbors by not blocking the streets.
- If you have multiple children to drop off, it is very helpful if you drop them at their grade level location.
- For your child's safety, please have students exit the vehicle from the passenger side!
- Drivers need to remain in the vehicle and please have students ready to exit quickly.
