- Sign up with **Glenna Stiles** or our summer school counselor **Bryanna Trevino NOW!**

## **Ashland High Summer School Credit Recovery Opportunities!**

This has been a tough year. We know that despite everyone's best efforts, many students fell behind on credits. Thanks to a generous grant from the state of Oregon, we are happy to announce a robust array of credit recovery opportunities over the summer. **It is critically important for our students to be able to start next year with the credits needed to make graduation a certainty.**

**Our summer school will allow students to recover up to a total of 6 credits during a six-week period.**

The program be divided into **two sessions: July 12-30 and August 2-20.**

Classes will be held Monday through Thursday with a few enrichment field trips offered on Fridays for specific classes. Students may take up to 3 recovery classes per session. Credits may be recovered for both this academic year as well as past academic years. With the exception of certain math situations, classes will be graded as Pass/No Mark.

**All instruction will be in-person** and on the Ashland High School campus. Both breakfast and lunch will be provided and transportation will be available. **There is no cost!**

**Classes available for recovery will include:**

**Humanities:** English 9, Global Studies, English 10, American Studies, English selectives

**Science:** Both life and physical science credits can be recovered.

**Math:** a wide array of math offerings will be offered depending on need and numbers. This will include a math fundamentals refresher, Integrated Math 1, Integrated Math 2, and Algebra 2. Students may be able to take the classes if they did not pass **OR** If they wish to improve their grades to be eligible for college or to move on to the next math level.

**PE/Health:**

Electives: If students need elective credits, they may pair what they did with the offering we will have to earn elective credit. We will have Art and Yoga, and possibly more!

If students need credits that are not listed above, there will be additional computer-based credit recovery options. Students will still need to attend in person to complete those.

If you are interested in signing up for this amazing opportunity, please contact our summer school counselor Bryanna Trevino ([Bryanna.Trevino@ashland.k12.or.us](mailto:Bryanna.Trevino@ashland.k12.or.us)) or Glenna Stiles ([Glenna.Stiles@ashland.k12.or.us](mailto:Glenna.Stiles@ashland.k12.or.us)) at the high school.
