Dear Students and Parents:

As principal of Weston-McEwen High School, it is my pleasure to welcome everyone back for another great year in WMHS. We are excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to make every student feel welcomed, connected and part of the TigerScot family. Additionally, we strive to challenge each student to grow in their academic abilities and to be college and/or work force ready by graduation. At WMHS we have great staff who have spent hours planning and creating classroom activities to engage our students in learning. Our teachers use work based learning to determine every student's skill level and to set goals for growth and improvement. We believe that all students should graduate high school prepared for the demands of postsecondary education, meaningful careers and be responsible citizens.

We hope that you find the new website helpful and informative. All the information we mail out can be found on this site. Additionally, our handbook provides a brief summary of our school procedures, students expectations and guidelines. All students and parents are encouraged to read and reference this document throughout the school year. The complete handbook is available on line. If you would like a paper copy of the handbook, please contact Weston-McEwen High School office at 541-566-3555.

I am honored to serve as the principal of Weston-McEwen High School. It is truly a privilege to be part of a community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth.

Please feel free to contact me at 541-566-3555 or rob.shell@athwestsd.org

Sincerely,

Rob Shell
WMHS Principal
