It is important that we get your child to the correct location safely! Ms. Gregory's Corner

Dear LPS Families:

We are very pleased with how well students worked during our NWEA & Fall aimswebPlus testing this week. We will finish up testing next week. We will use this data to meet students at their instructional level and help them to make growth this school year.

Open communication between home and school is essential. Communicate with your child's teacher on a regular basis. Working together is the key to the success of your child. At LPS, we will communicate with parents in the following ways:

- School Newsletter
- Website (www.lburg.k12.in.us)
- Messages sent by automated call
- School Twitter Account (@PrimaryLCSC)
- Classroom Newsletter
- Class DOJO App

Please inform the school whenever you have a change in your address and/or phone number, so we can contact you about your child, if necessary.

Just a reminder: **We will have our first eLearning day of the school year this Wed., August 18.** All students remain at home and complete academic activities on their iPads &/or work sent by their teacher.

We are looking forward to a successful 2021-22 school year!

Yours in education,

Ms. Gregory

The Lawrenceburg Primary School Mission Statement

We believe all students deserve to be surrounded by adults that value each student's individual learning potential. We believe all students deserve dedicated teachers who are positive role models and who engage their students in a variety of researched based teaching. We believe all students should receive extra help and time to experience school success by providing a low student/teacher ratio.

A.M. STUDENT CAR DROP OFF PROCEDURES

DO NOT drop your student off in the bus lane! Buses must be able to pull in to their designated slots. All students dropped off by car must use the circle drive.

- Pull all the way around the circle drive to the sign.
- Your child should be prepared to exit the vehicle upon stopping.
- ***Do not stop half way around the circle drive as others behind you are prepared to drop off their student and pull away.***
- Staff members are on duty to see your children into the building.
- Please remain in your vehicle, and have only your children exit the vehicle. Thank you!

VISITOR REQUIREMENTS FOR 2021-2022 SCHOOL YEAR

- Visitors coming into the building **must have a valid government issued ID**. NO ONE is permitted beyond the front office during the school day.
- If you are wanting to speak to your child's teacher, please send them a ClassDojo message or email, so he/she can set up a virtual meeting with you.

CHARACTER TRAIT "RESPONSIBILITY"

We will be practicing the character trait **RESPONSIBILITY** for the month of August. Children need to learn many things as they grow up. At school we teach them to think, read, write, and solve problems, learn about people, places and nature. Children also need to learn how to act appropriately. How you act can be just as important as what you know. Responsibility involves taking care of oneself, helping others, and doing the jobs we are expected to do. Here are some things you can do to help your children at home.

•

Talk about everyday examples of responsibility you see family members or others in the community doing. Keep up with homework, play safely on the playground equipment, or fulfilling an obligation when others are having fun is a sign of responsibility.

- Read "The Book of Virtues," by William J. Bennett or "Horton Hatches an Egg," by Dr. Seuss. These are great books to help children learn more about responsibility.

COLORS, COLORS, EVERYWHERE

Join us in assisting Kindergarten with learning/reviewing their colors. Our students enjoy doing this every year as we jump back in to learning.
