Inspired By Excellence

We are a nonprofit fostering partnerships between education and industry to equip students with college and career readiness that meets the region's highly skilled workforce demands.

WHY CHOOSE RGV LEAD?

The Rio Grande Valley (The Valley) – sits along the northern bank of the Rio Grande River (the dividing waterway between the U.S. and Mexico border) and stretches across 4,244 square miles and four counties – Cameron, Hidalgo, Starr, and Willacy. As of January 1, 2012, the Rio Grande Valley (RGV) –

participate in college-and-career-focused programs of study supporting students' success. Selecting a specific career field with an established course of study and/or link to the job market puts high school students on a proven path to success.

Your support goes a long way in helping students become career ready.
