Cresskill Middle School Orientation

****The students are welcome to stay after orientation to decorate their lockers. Please note that this orientation and locker decorating time is for students ONLY.**

Any questions, please email Ms. Shtofmakher at lshtofmakher@cbock12.org

We would like to invite all 6th graders to the September Orientation. The goal of this activity is to give students the opportunity to open their individual lockers, review their schedules and classrooms, and meet with the high school PACT (Peer Advisors for Cresskill Teens) members. This is a great time for the students to get all the answers to their questions about their new school.
