

DJED Bids and Quotations Requirements

All purchases requiring competitive bids shall be made in accordance with current statutes.

The purchasing agent shall develop and maintain lists of potential suppliers. Bid lists shall be used to notify potential bidders.

Any supplier may be included in the list upon request. All bid lists shall be reviewed annually by the purchasing agent.

A copy of this policy shall be given to all bidders upon request.

All bids and supporting documentation shall be retained in the district office with the clerk for a period of three years after bids have been opened.

Bid Specifications

All bid specifications shall be written by the district's purchasing agent and shall include required characteristics and quality standards. Specifications shall include, when necessary: required performance, surety, bid, and statutory bond information; compliance with preferential bid law; financial statements; the board's right to reject any or all bids; compliance with all federal, state, and local laws, ordinances, and regulations; the date, time, and place for the opening of bid; and other items as the board directs.

The board shall avoid negotiation of bid specifications after bids have been accepted and shall correct specifications if they are inadequately written and request new bids. If an error is discovered in the bid specifications, all bids shall be returned unopened, and the project shall be rebid using corrected and/or amended specifications.

Procedure

All bids must be submitted directly to the clerk in sealed envelopes or by email with the name of the bidder and the date of the bid opening plainly marked in the lower left-hand corner of the envelope or in the subject line of the email. Bidders submitting bids by email must verify by phone call or in-person directly with the clerk that their bid has been received prior to the opening. All bids shall be opened publicly on the stated date and time. All bidders and other interested persons may be present when the bids are opened.

Bids may be opened by the purchasing agent or other person designated by the board, and such opening shall be witnessed by one other district employee. The bids shall then be arranged in order from low to high before they are presented to the board for action.

Responsible Bidder

All bids shall be awarded to the lowest responsible bidder. The board remains the sole judge of whether a bidder is "responsible". Criteria that may be used to judge whether the bidder is responsible

Withdrawal of Bids

Any bid may be withdrawn and/or corrected prior to the scheduled time for opening of bids and no later than two days after the bids have been opened if a non-judgmental error has been made.

Any bid received after the publicized date and time shall not be considered by the board.
