School Operations During a Pandemic or Other Health Emergency

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads between people in an efficient and sustained way. Your child’s school and district play an essential role, along with the local health department and emergency management agencies, in protecting the public’s health and safety during a pandemic or other health emergency.

During a pandemic or other health emergency, you will be notified in a timely manner of all changes to the school environment and schedule that impact your child. Please be assured that even if school is not physically in session, it is the goal of the school and district to provide your child with the best educational opportunities possible.

Additionally, please note the following:

1. All decisions regarding changes to the school environment and schedule, including a possible interruption of in-person learning, will be made by the superintendent in consultation with and, if necessary, at the direction of the Governor, Illinois Department of Public Health, local health department, emergency management agencies, and/or Regional Office of Education.
2. Students and parents will be required to observe all public health and safety measures implemented by the school and district in conjunction with state and local requirements.
3. During a pandemic or other health emergency, the school and district will ensure that educational opportunities are available to all students.
4. School personnel will work closely with students with disabilities and other vulnerable student populations to minimize the impact of any educational disruption.
5. Students who have a compromised immune system, live with an individual with a compromised immune system, or have a medical condition that may impact their ability to attend school during a pandemic or other public health emergency should contact school officials.
6. During a pandemic or other health emergency, teachers and school staff will receive additional training on health and safety measures.
7. In accordance with school district or state mandates, the school may need to conduct a daily health assessment of your child. Parents and students will be notified of the exact assessment procedures if this becomes necessary.
8. Parents should not send their child to school if their child exhibits any symptoms consistent with the pandemic or other health emergency.
9. Please do not hesitate to contact school or district officials if you have any concerns regarding your child’s education, health or safety.

Education of Children with Disabilities

It is the intent of the district to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act are identified, evaluated, and provided with appropriate educational services.

The School provides a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the school. The term “children with disabilities” means children between ages three (3) and the day before their twenty-second (22nd) birthday for whom it is determined that special education services are needed. It is the intent of the school to ensure that students with disabilities are identified, evaluated, and provided with appropriate educational services.

A copy of the publication “Explanation of Procedural Safeguards Available to Parents of Students with Disabilities” may be obtained from the Special Education Office.

Students with disabilities who do not qualify for an individualized education program, as required by the federal Individuals with Disabilities Education Act and implementing provisions of this Illinois law, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973 if the student:

1. has a physical or mental impairment that substantially limits one or more major life activities,
2. has a record of a physical or mental impairment, or
3. is regarded as having a physical or mental impairment.

For further information, please contact Mrs. Jodi DeJarnett, Director of Special Education, at (618) 932-6079.

Accommodating Individuals with Disabilities

Individuals with disabilities will be provided an opportunity to participate in all school-sponsored services, programs, or activities. Individuals with disabilities should notify the Director of Special Education if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.
Related Service Logs
For a child with an individualized education program (IEP), the school district must create related service logs
that record the type of related services administered under the child's IEP and the minutes of each type of related
service that has been administered. The school will provide a child’s parent/guardian a copy of the related service log
at the annual review of the child's IEP and at any other time upon request.

Mandated Reporters
All school personnel, including teachers and administrators, are required by law to immediately report any and
all suspected cases of child abuse or neglect to the Illinois Department of Children and Family Services.

II: WHAT WE BELIEVE IN and EXPECT

School – Parent Compact
We value your role in working to help your child achieve high academic standards. The following is an outline
of some of the ways you and the school staff can build and maintain a partnership to share the responsibility for
supporting your child’s learning.

School’s Responsibility:
  – Provide high quality curriculum and learning materials
  – Provide you with assistance in understanding academic achievement standards and assessments and how to
    monitor your child’s progress
  – Provide opportunities for ongoing communication between you and teachers through at a minimum:
    > Annual parent-teacher conferences
    > Frequent reports regarding your child’s progress
    > Opportunities to talk with staff

Parent’s Responsibility:
  – Encourage your child to attend school regularly
  – Encourage your child to show positive school behavior
  – Review your child’s homework
  – Monitor television watching and encourage positive use of your child’s extra-curricular time
  – Attend parent-teacher conferences and participate, when appropriate, in decisions relating to the education
    of your child

Please review this School-Parent Compact with your child. This School-Parent Compact may be discussed with
you during a parent-teacher conference as it relates to your child’s school progress.

We thank you for your support and involvement in your child’s education.

Wellness
Frankfort CUSD #168 has a district wellness policy, including good nutrition and physical activity. This policy
will be promoted in the district’s educational programs, school activities, and meal programs. A copy of the policy
is available in the office at each school building.

English Language Learners
The school offers opportunities for resident English Learners to develop high levels of academic attainment in
English and to meet the same challenging State standards that all children are expected to meet.

Parents/guardians of English Learners will be informed how they can: (1) be involved in the education of their
children; (2) be active participants in assisting their children to attain English proficiency, achieve at high levels
within a well-rounded education, and meet the challenging State academic standards expected of all students; and
(3) participate and serve on the District’s Transitional Bilingual Education Programs Parent Advisory Committee.

For questions related to this program or to express input in the school’s English Language Learners program,
contact the Director of Special Education and Student Services at (618) 937-6280.

Suicide and Depression Awareness and Prevention
Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing
the ability of surviving students to learn and the school’s ability to educate. Suicide and depression awareness and
prevention are important goals of the school district.
The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of school district’s policy, is posted on the school district website. Information can also be obtained from the school office.

**Sex Offender Notification Law**

State law prohibits a convicted child sex offender from being present on school property when children under the age of 18 are present, except for in the following circumstances as they relate to the individual’s child(ren):

1. To attend a conference at the school with school personnel to discuss the progress of their child.
2. To participate in a conference in which evaluation and placement decisions may be made with respect to their child’s special education services.
3. To attend conferences to discuss issues concerning their child, such as retention or promotion.

In all other cases, convicted child sex offenders are prohibited from being present on school property unless they obtain written permission from the superintendent or school board.

Anytime that a convicted child sex offender is present on school property for any reason – including the three reasons above – he/she is responsible for notifying the principal’s office upon arrival on school property and upon departure from school property. It is the responsibility of the convicted child sex offender to remain under the direct supervision of a school official at all times he/she is in the presence or vicinity of children.

A violation of this law is a Class 4 felony.

**Violent Offender Community Notification**

State law requires that all school districts provide parents/guardians with information about sex offenders and violent offenders against youth.

You may find the Illinois Sex Offender Registry on the Illinois State Police’s website at: [http://www.isp.state.il.us/sor](http://www.isp.state.il.us/sor).

You may find the Illinois Statewide Child Murderer and Violent Offender Against Youth Registry on the Illinois State Police’s website at: [http://www.isp.state.il.us/cmvo/](http://www.isp.state.il.us/cmvo/).

**Unsafe School Choice Option**

The unsafe school choice option provided in State law permits students to transfer to another school within the District in certain situations. This transfer option is unavailable in this District because each grade is in only one attendance center. A student who would otherwise have qualified for the choice option, or the student’s parent/guardian, may request special accommodations from the building principal.

**III: BECOMING A STUDENT AND A GRADUATE**

**Residency**

Students are required by law to attend a school in the district of residence. The basic rule is that a student’s residency for purposes of public school attendance is the district in which the parents reside. If a student is not living with parents, the inquiry turns to whether the student is living in another district solely for the purpose of going to school in this other district. If the answer to this question is “yes,” then the district of residence for this student who has moved away from his or her parents’ home nevertheless remains that of his or her parents for purposes of entitlement to attend public school tuition free. However, if the reason for the student’s living away from the parents is not solely to attend school in another district, then the student is entitled to attend tuition free in that district where he or she actually has a regular nighttime abode.

**Grading and Promotion**

School report cards are issued to students on a quarterly basis. For questions regarding grades, please contact the classroom teacher.

The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests, and other testing. A student will not be promoted based upon age or any other social reason not related to academic performance.

**Accelerated Placement**

The District provides for an Accelerated Placement Program (APP) for qualified students. It provides students with an educational setting with curriculum options that are usually reserved for students who are older or in higher grades than the student. Accelerated placement includes but may not be limited to: early entrance to kindergarten or first grade, accelerating a student in a single subject and grade acceleration. Participation is open to all students who
demonstrate high ability and who may benefit from accelerated placement. It is not limited to students who have been identified as gifted or talented. Please contact the building principal for additional information.

School Visitation Rights

The School Visitation Rights Act permits employed parents/guardians who are unable to meet with educators because of a work conflict the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences, academic meetings, and behavioral meetings. Letters verifying participation in this program are available from the school office upon request.

Parent Portal

The Frankfort Community Unit School District #168 wants parents to be actively involved in their child’s educational process. The district has designed a “Parent Portal” that will give parents access to their child’s grades, attendance, and lunch charges through the SIS-K12 Parent Portal System. Parents that would like to use the Portal need to go to the district website (www.wfschools.org) and download the appropriate paperwork for access (Parent Portal Agreement). The agreement needs to be completed and returned to the Administrative Service Center (Superintendent’s office). You will then receive an email with a password so that you may begin using Parent Portal.

Fees, Fines, and Charges / Waiver of Student Fees

The school establishes fees and charges to fund certain school activities, including science labs, book rent, and technology. Some students may be unable to pay these fees. Students will not be denied educational services or academic credit due to the inability of their parent or guardian to pay fees or certain charges. Students whose parent or guardian is unable to afford student fees may receive a fee waiver. A fee waiver does not exempt a student from charges for lost and damaged books, locks, materials, supplies, technology devices, and/or equipment.

Applications for fee waivers may be submitted by a parent or guardian of a student who has been assessed a fee. A student is eligible for a fee waiver if at least one of the following prerequisites is met:

1. The student currently lives in a household that meets the free lunch or breakfast eligibility guidelines established by the federal government pursuant to the National School Lunch Act; or
2. The student or the student’s family is currently receiving aid under Article IV of the Illinois Public Aid Code (Aid to Families of Dependent Children).

The building principal will notify the parent/guardian promptly as to whether the fee waiver request has been granted or denied. Questions regarding the fee waiver application process should be addressed to the building principal.

Pursuant to the Hunger-Free Students’ Bill of Rights Act, the school is required to provide a federally reimbursable meal or snack to a student who requests one, regardless of whether the student has the ability to pay for the meal or snack or owes money for earlier meals or snacks. Students may not be provided with an alternative meal or snack and the school is prohibited from publicly identifying or stigmatizing a student who cannot pay for or owes money for a meal or snack.

Homeless Child's Right to Education

As provided for in the federal McKinney-Vento Homeless Assistance Act, when a child loses permanent housing and becomes a homeless person as defined by law, or when a homeless child changes his or her temporary living arrangements, the parent or guardian of the homeless child has the option of either:

1. continuing the child's education in the school of origin for as long as the child remains homeless or, if the child becomes permanently housed, until the end of the academic year during which the housing is acquired; or
2. enrolling the child in any school that non-homeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

Assistance and support for homeless families includes but is not limited to:

1. Educational organizations and schools;
2. Food bank and meal programs;
3. Local service organizations (Goodwill, Salvation Army, etc.);
4. Family shelters;
5. Medical services; or
6. Other support.
Immunization, Health, Eye, and Dental Examination

Required Health Examinations and Immunizations

All students are required to present appropriate proof that the student received a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

1. Entering Kindergarten;
2. Entering the Sixth (6th) and Ninth (9th) grades; and
3. Enrolling in an Illinois school for the first time, regardless of the student’s grade.

Proof of immunization against meningococcal disease is required for students in grades 6 and 12. A diabetes screening must be included as part of the health exam (though diabetes testing is not required). Students between the age of one and seven must provide a statement from a physician assuring that the student was “risk-assessed” or screened for lead poisoning. Beginning with the 2017-2018 school year, an age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination.

Failure to comply with the above requirements by October 15 of the current school year will result in the student’s exclusion from school until the required health forms are presented to the school, subject to certain exceptions. A student will not be excluded from school due to his or her parent/guardian’s failure to obtain a developmental screening or a social and emotional screening.

New students who register mid-term have 30 days following registration to comply with the health examination and immunization requirements. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

Eye Examination

All students entering Kindergarten or the school for the first time must present proof before October 15 of the current school year of an eye examination performed within one year prior to entry of Kindergarten or the school. Failure to present proof by October 15 allows the school to hold the student’s report card until the student presents: (1) proof of a completed eye examination, or (2) satisfactory evidence that an eye examination will take place within 60 days after October 15.

Dental Examination

All students entering kindergarten, second, sixth, and ninth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. Failure to present proof allows the school to hold the child’s report card until the student presents: (1) proof of a completed dental examination, or (2) satisfactory evidence that a dental examination will take place within 60 days after May 15.

Exemptions

A student will be exempted from the above requirements for:

1. Medical grounds if the student’s parent/guardian presents to the building principal a signed statement explaining the objection;
2. Religious grounds if the student’s parent/guardian presents to the building principal a completed Certificate of Religious Exemption;
3. Health examination or immunization requirements on medical grounds if a physician provides written verification;
4. Eye examination requirement if the student’s parent/guardian shows an undue burden or lack or access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
5. Dental examination requirement if the student’s parent/guardian shows an undue burden or a lack of access to a dentist.

Student Medication

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student’s health and well-being. When a student’s licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a “School Medication Authorization Form” and submitting it to the nurse. No medications may be transported on the bus. Only a parent/guardian may deliver medications to the building nurse.
No school or district employee is allowed to administer to any student, or supervise a student’s self-administration of any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student’s parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector (EpiPen®) and/or an asthma inhaler prescribed for use at the student’s discretion, provided the student’s parent/guardian has completed and signed a School Medication Authorization Form.

Students who are diabetic may possess and self-administer diabetic testing supplies and insulin if authorized by the student’s diabetes care plan, which must be on file with the school.

Students with epilepsy may possess and self-administer supplies, equipment, and medication, if authorized by the student’s seizure action plan, which must be on file with the school.

Students may self-administer (but not possess on their person) other medications required under a qualified plan, provided the student’s parent/guardian has completed and signed a School Medication Authorization Form.

The school district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student’s self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student’s parent/guardian must indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student’s self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

Administration of Medical Cannabis

In accordance with the Compassionate Use of Medical Cannabis Program, qualifying students are allowed to utilize medical cannabis infused products while at school and school events. Please contact the building principal for additional information. Discipline of a student for being administered a product by a designated caregiver pursuant to this procedure is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Undesignated Medications

The school may maintain the following undesignated prescription medications for emergency use: (1) Asthma medication; (2) Epinephrine injectors; (3) Opioid antagonists; and (4) Glucagon. No one, including without limitation, parents/guardians of students, should rely on the school or district for the availability of undesignated medication. This procedure does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

Emergency Aid to Students

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

Students with Food Allergies

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the building principal or school nurse at

- Denning Elementary School - (618) 937-2464
- Frankfort Intermediate School - (618) 937-1412
- Central Junior High School - (618) 937-2444
- Frankfort Community High School - (618) 932-3126

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed supports so that your student can access his or her education as effectively as students without disabilities.
Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means.

**Care of Students with Diabetes**

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the building principal and nurse. Parents/guardians are responsible for and must:

a. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.

b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.

c. Sign the Diabetes Care Plan.

d. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the building principal.

**Communicable Disease**

The school will observe recommendations of the Illinois Department of Public Health regarding communicable diseases.

1. Parents are required to notify the school nurse if they suspect their child has a communicable disease.

2. In certain cases, students with a communicable disease may be excluded from school or sent home from school following notification of the parent or guardian.

3. The school will provide written instructions to the parent and guardian regarding appropriate treatment for the communicable disease.

4. A student excluded because of a communicable disease will be permitted to return to school only when the parent or guardian brings to the school a letter from the student’s doctor stating that the student is no longer contagious or at risk of spreading the communicable disease.

**Head Lice**

The school will observe recommendations of the Illinois Department of Public Health regarding head lice.

1. Parents are required to notify the school nurse if they suspect their child has head lice.

2. Infested students will be sent home following notification of the parent or guardian.

3. The school will provide written instructions to parent or guardian regarding appropriate treatment for the infestation.

4. A student excluded because of head lice will be permitted to return to school only when the parent or guardian brings the student to school to be checked by the school nurse and the child is determined to be free of the head lice and eggs (nits). Infested children are prohibited from riding the bus to school to be checked for head lice.

**Injury and Illness at School**

Parents will be notified of illness or injuries that may require medical attention. If your child becomes sick at school or has a fever of 100 degrees or higher, you will be notified to come and get your child.

Students should be fever-free for 24 hours prior to returning to school.

**Pesticide Application Notice**

The district maintains a registry of parents/guardians of students who have registered to receive written or telephone notification prior to the application of pesticides to school grounds. To be added to the list, please contact your building principal.

Notification will be given before application of the pesticide. Prior notice is not required if there is imminent threat to health or property.

**Asbestos and Lead Notice**

Frankfort CUSD #168 has an Asbestos Management Plan and a Lead Management Plan. They are available for public review at the Administrative Service Center at 900 N. Cherry St. Please call to make an appointment between 8 AM and 4 PM Monday through Friday. Any concerns regarding asbestos containing material or lead should be directed to Mr. Chad Spence at the ASC.
IV: EVERYDAY INFORMATION

Attendance
Illinois law requires that whoever has custody or control of any child between six (by September 1) and seventeen years of age shall assure that the child attends school in the district in which he or she resides during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child’s age, shall assure that the child attends school during the entire time school is in session.
Truancy will be contacted when the student has missed 5% of the last 180 school days.

Student Absences
There are two types of absences: excused and unexcused. Reasons for excused absences include illness, observance of a religious holiday or event, death in the immediate family, family emergency, situations beyond the control of the student, circumstances that cause reasonable concern to the parent/guardian for the student’s mental, emotional, or physical safety or health or safety, attending a military honors funeral to sound “Taps” (Grades 6-12), or other reason as approved by the principal.
Additionally, a student will be excused for up to 5 days in cases where the student’s parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student’s parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.
All other absences are considered unexcused. Pre-arranged excused absences must be approved by the principal. The school may require documentation explaining the reason for the student’s absence.
In the event of any absence, the student’s parent or guardian is required to call the school to verify the reason for the absence. Failure to do this will result in the absence being unexcused.

Excused Absence – Release Time for Religious Instruction and Observance
A student will be released from school, as an excused absence, to observe a religious holiday or for religious instruction. The student’s parent/guardian must give written notice to the building principal at least 5 calendar days before the student’s anticipated absence(s).
Students excused for religious reasons will be given an opportunity to make up any examination, study, or work requirements.

Excused Absence – “Taps”
Students in grades 6 through 12 shall be excused from school on a particular day or days for the purpose of sounding “Taps” at a military honors funeral for a deceased veteran.
Students must notify school administration at least 2 days prior to the date of the absence and shall provide the school administration with the date, time, and location of the military honors funeral. Administration may waive the 2-day notice if the student did not receive at least 2 days’ advance notice of the funeral, but the student must notify school administration as soon as possible of the absence. A student whose absence is excused under this provision must be allowed reasonable time to make up missed school work.

Excused Absence – Voting Rights of Eligible 17-year-old Students
Individuals that are 17 years old on the date of a Caucus or Consolidated Primary Election and who are otherwise qualified to vote at that Primary, are allowed to vote if the person will be 18 years of age on the date of the immediately following Consolidated Election for which candidates are nominated at that Primary.

Make-Up Work
If a student is absent, he/she will be permitted to make up any missed work, including homework and tests. The student will be permitted the same number of days as he/she was absent to turn in the make-up work. The student is responsible for obtaining assignments from his/her teachers.

Every Student Succeeds Act – Teacher Qualifications
In accordance with the December 2015 update to the federal Elementary and Secondary Education Act (ESEA) known as the “Every Student Succeeds Act” (ESSA), Frankfort CUSD #168 is notifying every parent/guardian of a
student in the district that they may request information about the qualifications of their child’s teachers and paraprofessionals, including:

- Whether the teacher has met State certification requirements;
- Whether the teacher is teaching under an emergency permit or other provisional status by which State licensing criteria have been waived;
- The teacher’s college major;
- Whether the teacher has any advanced degrees and, if so, the subject of the degrees; and
- Whether any instructional aides or paraprofessionals provide services to your child and, if so, their qualifications.

If you would like to receive any of this information, please contact the District Superintendent, Mr. Matt Donkin, at (618) 937-2421.

**Every Student Succeeds Act – Standardized Testing Notification**

Students and parents/guardians should be aware that the State and District require students to take certain standardized tests, including Aimsweb, the PARCC, and the SAT, which will measure across several subjects and may be used to measure the progress of the school and the district’s students.

Parents/Guardians are encouraged to cooperate in preparing students for the standardized testing, because the quality of the education the school can provide is partially dependent upon the school’s ability to continue to prove its success in the state’s standardized tests. Parents/Guardians can assist their students achieve their best performance by doing the following:

1. Encourage students to work hard and study throughout the year;
2. Ensure students get a good night’s sleep the night before exams;
3. Ensure students eat well the morning of the exam, particularly ensuring they eat sufficient protein;
4. Remind and emphasize for students the importance of good performance on standardized testing;
5. Ensure students are on time and prepared for tests, with appropriate materials;
6. Teach students the importance of honesty and ethics during the performance of these and other tests;
7. Encourage students to relax on testing day.

A parent/guardian may request, and the District will provide in a timely manner, information regarding student participation in any assessments mandated by law or District policy, which shall include information on any applicable right you may have to opt your student out of such assessment.

**Every Student Succeeds Act – Annual Report Card Notification**

Each year, the District is required to disseminate an annual report card that includes information on the District as a whole and each school served by the District, with aggregate and disaggregated information for each required subgroup of students including student achievement on academic assessments (designated by category), graduation rates, district performance, teacher qualifications, and certain other information required by federal law. When available, this information will be placed on the District’s website at www.wfschools.org.

**Video and Audio Monitoring System**

A video and/or audio monitoring system may be in use on school busses and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors, and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel.

**Home and Hospital Instruction**

A student who is absent from school or whose physician, physician assistant, or advance practice registered nurse anticipates his or her absence from school because of a medical condition may be eligible for instruction in the student’s home or hospital.

Appropriate educational services from qualified staff will begin as soon as possible after receiving a written statement from a physician, physician assistant, or licensed advanced practice registered nurse. Instructional or related services for a student receiving special education services will be determined by the student’s Individualized Education Program (IEP).

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction before (1) the birth of the child when the student’s physician,
physician assistant, or licensed advanced practice nurse indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child’s birth or a miscarriage.

For information on home or hospital instruction, contact: Mrs. Jodi DeJarnett, Director of Special Education, at (618) 932-6079.

**Bus Transportation**

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating school rules or for engaging in other gross disobedience or misconduct including, but not limited to:

1. Violating any school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district’s regular suspension procedures shall be used to suspend a student’s privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternative transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student’s parent or guardian to notify the school that the student does not have alternative transportation to school.

In the interest of the student’s safety and in compliance with State law, students are also expected to observe the following:

1. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
2. Arrive on time at the bus stop and stay away from the street while waiting for the bus.
3. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
4. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
5. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smart phones, and other electronic devices must be silenced on the bus unless a student uses headphones.
6. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
7. Always listen to the driver’s instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Remain seated, keeping your hands, arms, and head inside the bus at all times.
8. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver’s signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
11. Never run back to the bus, even if you dropped or forgot something.
Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

For questions regarding school transportation issues, contact Illinois Central Bus Company at (618) 937-6280.

Exemption from Physical Education Requirement [K-8]
In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.

Students with an Individualized Education Program may also be excused from physical education courses for reasons stated on page 36.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practices Act, prevents his or her participation in the physical education course.

State law prohibits the School District from honoring parental excuses based upon a student’s participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:
1. The time of year when the student’s participation ceases; and
2. The student’s class schedule.

Exemption from Physical Education Requirement [HS]
Exemptions from the Physical Education Requirement in high school is covered on pages 37 and 79.

Field Trips
Field trips are a privilege for students. Students must abide by all school policies during transportation and during field-trip activities, and shall treat all field trip locations as though they are school grounds. Failure to abide by school rules and/or location rules during a field trip may subject the student to discipline. All students who wish to attend a field trip must receive written permission from a parent or guardian with authority to give permission. Students may be prohibited from attending field trips for any of the following reasons:
- Failure to receive appropriate permission from parent/guardian or teacher;
- Failure to complete appropriate coursework;
- Behavioral or safety concerns;
- Denial of permission from administration;
Other reasons as determined by the school.

**Student Records**

A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member’s sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings (including electronic recordings made on school busses) that are created in part for law enforcement, security, or safety reasons or purposes, though such electronic recordings may become a student record if the content is used for disciplinary or special education purposes regarding a particular student.

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parents/guardians and students over 18 years of age (“eligible students”) certain rights with respect to the student’s school records. They are:

1. **The right to inspect and copy the student’s education records within 10 business days of the day the District receives a request for access.**

   The degree of access a student has to his or her records depends on the student’s age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. A parent/guardian or student should submit to the building principal a written request that identifies the record(s) he or she wishes to inspect. Within 10 business days, the building principal will make arrangements for access and notify the parent/guardian or student of the time and place where the records may be inspected. In certain circumstances, the District may request an additional 5 business days in which to grant access. The District charges $.35 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost.

   These rights are denied to any person against whom an order of protection has been entered concerning the student.

2. **The right to have one or more scores received on college entrance examinations included on the student’s academic transcript.**

   Parents/guardians or eligible students may have one or more scores on college entrance examinations included on the student’s academic transcript. The District will include scores on college entrance examinations upon the written request of the parent/guardian or eligible student stating the name of each college entrance examination that is the subject of the request and the dates of the scores that are to be included.

3. **The right to request the amendment of the student’s education records that the parent / guardian or eligible student believes are inaccurate, irrelevant, or improper.**

   A parent/guardian or eligible student may ask the District to amend a record that is believed to be inaccurate, irrelevant, or improper. Requests should be sent to the building principal and should clearly identify the record the parent/guardian or eligible student wants changed and the specific reason a change is being sought.

   If the District decides not to amend the record, the District will notify the parent/guardian or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

4. **The right to permit disclosure of personally identifiable information contained in the student’s education records, except to the extent that the FERPA or Illinois School Student Records Act authorizes disclosure without consent.**

   Disclosure without consent is permitted to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or any parent/guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

   Upon request, the District discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to these individuals, the parents/guardians or eligible student will receive prior written notice of the nature and substance of the information, and an opportunity to inspect, copy, and challenge such records.
Academic grades and references to expulsions or out-of-school suspensions cannot be challenged at the time a student’s records are being forwarded to another school to which the student is transferring.

Disclosure is also permitted without consent to any person for research, statistical reporting, or planning, provided that no student or parent/guardian can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; and juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student.

5. **The right to a copy of any school student record proposed to be destroyed or deleted.**
   The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. The temporary record is maintained for at least 5 years after the student transfers, graduates, or permanently withdraws. Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after 5 years, be transferred to the parent/guardian or to the student, if the student has succeeded to the rights of the parent/guardian. Student temporary records are reviewed every 4 years or upon a student’s change in attendance centers, whichever occurs first.

   - Grade level
   - Birth date and place
   - Parent/guardian names, addresses, electronic mail addresses, and telephone numbers
   - Photographs, videos, or digital images used for informational or news-related purposes (whether by a media outlet or by the school) of a student participating in school or school-sponsored activities, organizations, and athletics that have appeared in school publications, such as yearbooks, newspapers, or sporting or fine arts programs

7. **The right to request that military recruiters or institutions of higher learning not be granted access to your student’s information without your prior written consent (High School level).**
   Federal law requires a secondary school to grant military recruiters and institutions of higher learning, upon their request, access to secondary school students’ names, addresses, and telephone numbers, unless the student’s parent/guardian or an eligible student submits a written request that the information not be released without the prior written consent of the parent/guardian or eligible student. If you wish to exercise this option, notify the building principal.

8. **The right contained in this statement: No person may condition the granting or withholding of any right, privilege, or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.**

9. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.**
   The name and address of the Office that administers FERPA is:

Student Privacy Protections

Surveys by Third Parties

Before a school official or staff member administers or distributes a survey or evaluation created by a third party to a student, the student’s parent/guardian may inspect the survey or evaluation, upon their request and within a reasonable time of their request. This applies to every survey: (1) that is created by a person or entity other than a district official, staff member, or student, (2) regardless of whether the student answering the questions can be identified, and (3) regardless of the subject matter of the questions.

Parents who object to disclosure of information concerning their child to a third party may do so in writing to the building principal.

Surveys Requesting Personal Information

School officials and staff members will not request nor disclose the identity of any student who completes any survey or evaluation (created by any person or entity, including the school or district) containing one or more of the following items:

1. Political affiliations or beliefs of the student or the student’s parent/guardian.
2. Mental or psychological problems of the student or the student’s family.
3. Sexual behaviors or attitudes.
4. Illegal, anti-social, self-incriminating, or demeaning behavior.
5. Critical appraisals of other individuals with whom students have close family relationships.
6. Religious practices, affiliations, or beliefs of the student or the student’s parent/guardian.
7. Income other than that required by law to determine program eligibility.

The student’s parent/guardian may inspect the survey or evaluation upon and refuse to allow their child to participate in the survey. The school will not penalize any student whose parent/guardian exercised this option.

Instructional Material

A student’s parent/guardian may inspect, upon their request, any instructional material used as part of their child’s educational curriculum within a reasonable time of their request.

Visitors

All school buildings have a camera equipped buzz-in system for the safety and security of our students and staff. All visitors, including parents and siblings, are required to enter through the main door of the building and proceed immediately to the main office. Visitors should identify themselves and inform office personnel of their reason for being at school. Office staff may ask for photo identification.

Visitors must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Approved visitors must take a tag identifying themselves as a guest and place the tag to their outer clothing in a clearly visible location. Visitors are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school.

Any person wishing to confer with a staff member should contact that staff member to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher’s conference/preparation period.

Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

No person on school property or at a school event shall perform any of the following acts:

1. Strike, injure, threaten, harass, or intimidate a staff member, board member, sports official or coach, or any other person;
2. Behave in an unsportsmanlike manner or use vulgar or obscene language;
3. Unless specifically permitted by State law, possess a weapon, any object that can reasonably be considered a weapon or looks like a weapon, or any dangerous device;

School Volunteers

All school volunteers must be approved by the school principal prior to assisting at the school. For opportunities, please contact the building principal.

Volunteers are required to check in and out at the main office and receive a visitor badge before going to their destination.

Family Life & Sex Education Classes

Students will not be required to take or participate in any class or courses in comprehensive sex education, including in grades 6-12, instruction on both abstinence and contraception for the prevention of pregnancy and sexually transmitted diseases, including HIV/AIDS; family life instruction, including in grades 6-12, instruction on the prevention, transmission, and spread of AIDS; instruction on diseases; recognizing and avoiding sexual abuse; or instruction on donor programs for organ/tissue, blood donor, and transplantation, if his or her parent or guardian submits a written objection. The parent or guardian’s decision will not be the reason for any student discipline, including suspension or expulsion. Nothing in this Section prohibits instruction in sanitation, hygiene, or traditional courses in biology.

Parents or guardians may examine the instructional materials to be used in any district sex education class or course.

Animals on School Property

In order to assure student health and safety, animals are not allowed on school property, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building principals in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

V: EMERGENCY PLANS

Safety Drill Procedures

Safety drills will occur at times established by the school board. Students are required to be silent and shall comply with the directives of school officials during emergency drills. There will be a minimum of three (3) evacuation drills, a minimum of one (1) severe weather (shelter-in-place) drill, a minimum of one (1) law enforcement drill to address an active shooter incident, and a minimum of one (1) bus evacuation drill each school year. There may be other drills at the direction of the administration. Drills will not be preceded by a warning to the students.
AED (Automatic External Defibrillator)

An Automatic External Defibrillator (AED) is strategically placed in the main office at FIS and in the gym at
DES. The AED is readily accessible to AED trained faculty and staff members.

The AED for Central Junior High is located in the cafeteria just outside the gym doors.

The AED at FCHS is located in the southeast coach’s office area of Max Morris Gym and the Athletic
Director’s office. An AED is located at Johnson Field during scheduled physical fitness events. Portable AEDs will
also be utilized for off-campus events.

Emergency School Closings

In cases of bad weather and other local emergencies, please listen to any local radio or television station to be
advised of school closings or early dismissals. If bad weather or other emergency occurs during the day, please
listen to local media stations for possible early dismissal information. In the event of a school closing, the District
will attempt to send a telephonic message through an “all-call” program. School closings will also be posted either
on the district website at www.wfschools.org or school social media pages. Please do not call the school, radio
station or the TV station. Should the school need to be closed during the school day, an attempt will be made to
notify all of the media in the area, as well as all parents.

For your child’s safety, make certain your child knows ahead of time where to go in case of an early dismissal.

VI: DISCIPLINE POLICIES

Student Discipline

Copies of all School District policies on student behavior are available online through the School
District’s website or in the school office.

Prohibited Student Conduct

Students may be disciplined for gross disobedience or misconduct, including but not limited to the following:

1. Using, possessing, distributing, purchasing, selling, or offering for sale tobacco or nicotine materials,
   including electronic cigarettes or other types of nicotine delivery systems;

2. Using, possessing, distributing, purchasing, selling, or offering for sale alcoholic beverages. Students who
   are under the influence of an alcoholic beverage are not permitted to attend school or school functions and
   are treated as though they had alcohol in their possession;

3. Using, possessing, distributing, purchasing, selling or offering for sale:
   a. Any illegal drug, controlled substance, or cannabis (including marijuana, hashish, and medical cannabis
      unless the student is authorized to be administered a medical cannabis infused product under Ashley’s
      Law);
   b. Any anabolic steroid unless it is being administered in accordance with a physician’s or licensed
      practitioner’s prescription;
   c. Any performance-enhancing substance on the Illinois High School Association’s most current banned
      substance list unless administered in accordance with a physician’s or licensed practitioner’s
      prescription;
   d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or
      when used in a manner inconsistent with the prescription or prescribing physician’s or licensed
      practitioner’s instructions. The use or possession of medical cannabis, even by a student for whom
      medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered
      a medical cannabis infused product under Ashley’s Law;
   e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student
      believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of
      the brain or nervous system; or (b) about which the student engaged in behavior that would lead a
      reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination,
      excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to
      a student’s use of asthma or other legally prescribed inhalant medications;
   f. “Look-alike” or counterfeit drugs, including a substance that is not prohibited by this policy, but one:
      (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other
      substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would
      lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal
      drug, controlled substance or other substance that is prohibited by this policy;

25
g. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances;

h. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including, without limitation, pure caffeine in a tablet or powdered form. Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they have the prohibited substance, as applicable, in their possession;

4. Using, possessing, controlling, or transferring a “weapon” or violating the procedures listed below under the Weapons Prohibition section of this handbook procedure;

5. Using or possessing an electronic paging device;

6. Using a cellular telephone, smartphone, video recording device, personal digital assistant (PDA), or similar electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating and sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device or cellular telephone, commonly known as “sexting.” Further, specific information can be found in each school section in this handbook;

7. Using or possessing a laser pointer unless under a staff member’s direct supervision and in the context of instruction;

8. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a staff member’s request to stop, present school identification, or submit to a search;

9. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores;

10. Engaging in bullying, haz ing or any kind of aggressive behavior that does physical or psychological harm to a staff person or another student or encouraging other students to engage in such behavior. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft, or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network or other comparable conduct;

11. Engaging in any sexual activity, including, without limitation, offensive touching, sexual harassment, indecent exposure (including “mooning”), and sexual assault;

12. Engaging in teen dating violence;

13. Causing or attempting to cause damage to, stealing, or attempting to steal, school property or another person’s personal property;

14. Entering school property or a school facility without proper authorization;

15. In the absence of a reasonable belief that an emergency exists, calling emergency responders (calling 9-1-1); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity;

16. Being absent without a recognized excuse;

17. Being involved with any public school fraternity, sorority, or secret society;

18. Being involved in a gang or engaging in gang-like activities, including displaying gang symbols or paraphernalia;

19. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing;

20. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property;

21. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening
to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school; and/or

22. Operating an unarmed aircraft system (AUS) or drone for any purpose on school grounds or at any school event unless granted permission by the building principal.

For purposes of these rules, the term “possession” includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student’s person; (b) contained in another item belonging to, or under the control of, the student, such as in the student’s clothing, backpack, or motor vehicle; (c) in a school’s student locker, desk, or other school property; (d) at any location on school property or at a school-sponsored event; or (e) in the case of drugs and alcohol, substances ingested by the person.

Efforts, including the use of positive interventions and supports shall be made to deter students while at school or a school-related event from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student’s parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

When and Where Conduct Rules Apply

The grounds for disciplinary action also apply whenever the student’s conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties.

Potential disciplinary measures include, without limitation, any of the following measures:

1. Notifying parents/guardians;
2. Disciplinary conference;
3. Withholding of privileges;
4. Temporary removal from the classroom;
5. Return of property or restitution for lost, stolen or damaged property;
6. Timeouts or Detentions;
7. Alternative Classroom (ACR) or In-school suspension;
8. Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules;
9. Suspension of bus riding privileges;
10. Suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds;
11. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years. An expelled student is prohibited from being on school grounds;
12. Transfer to an alternative program if the student is expelled or otherwise qualifies for transfer under State law; or
13. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), “look-alikes,” alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral
interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

**Corporal Punishment**
Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

**Weapons Prohibition**
A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year but not more than 2 calendar years:

1. A firearm, meaning any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 1961. The expulsion period may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis.

2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including “look a-likes” of any firearm as defined above.

The expulsion requirement may be modified by the Superintendent and the Superintendent's determination may be modified by the Board on a case-by-case basis.

**Gang and Gang Activity Prohibited**
“Gang” is defined as any group, club or organization of two or more persons whose purposes include the commission of illegal acts. No student on or about school property or at any school activity or whenever the student’s conduct is reasonably related to a school activity, shall: (1) wear, possess, use, distribute, display, or sell any clothing, jewelry, paraphernalia or other items which reasonably could be regarded as gang symbols; commit any act or omission, or use either verbal or non-verbal gestures, or handshakes showing membership or affiliation in a gang; or (2) use any speech or commit any act or omission to act in furtherance of the interest of any gang or gang activity, including, but not limited to, soliciting others for membership in any gangs; (3) request any person to pay protection or otherwise intimidate, harass or threaten any person; (4) commit any other illegal act or other violation of district policies, (5) or incite other students to act with physical violence upon any other person.

**School Discipline Procedures**

**Suspension Procedures (Out of School Suspension)**

A. Pre-Suspension Conference

1. The authorized administrator shall confer with any student who is under consideration for suspension prior to taking such disciplinary action.

2. Prior to or during a pre-suspension conference, the authorized administrator shall ascertain whether the student is a student with disabilities. If so, the authorized administrator must also follow the procedures set forth in the Illinois Administrative Code and the Individuals with Disabilities Education Improvement Act.

3. The student shall be advised of the reasons for the proposed suspension and shall also be afforded an opportunity to respond.

4. After following the above pre-suspension procedures, the authorized administrator may then determine whether to suspend the student in accordance with the notification requirements set forth below.

5. When, in the opinion of the authorized administrator, a student poses an immediate threat to school personnel, other students or school property, or poses an ongoing threat of substantial disruption to the education process, the student may be removed from school without holding a pre-suspension conference as set forth above. In such an event, written notice, sent by certified mail, return receipt requested, shall be given to the parent/guardian.

B. Suspension Notification

1. If the pre-suspension conference results in a decision to suspend, a written notice shall be sent by certified mail, return receipt requested.
2. The notice to the parent/guardian shall include the following:
   a. A statement detailing the specific act of gross disobedience or misconduct resulting in the decision to suspend;
   b. A statement of the reasons for the suspension, including any school rule which has been violated;
   c. The dates and duration for the suspension, as well as a rationale as to the specific duration of the suspension;
   d. A statement of the parent's/guardian's right to request a review of the suspension with the Board of Education.
3. A request to review the suspension may be oral or in writing, directed to the appropriate administrator’s office. Oral notification shall be confirmed in writing by a letter to the parent/guardian. If a request for a review of the suspension is made in a timely manner, the parent/guardian of the suspended student shall be given written notification of the time and place for the review of the suspension, except if the student is a special education student. If the student is a special education student, the authorized administrator shall follow the procedures set forth in the Illinois Administrative Code and the Individuals with Disabilities Education Improvement Act.
4. The Superintendent and the Board of Education shall be notified of student suspension by the authorized administrator who shall forward a copy of the parental notice of suspension to the Superintendent or to the Secretary of the Board.
5. Students who have been suspended out of school may not attend extra-curricular activities or be on school property until the suspension has been completed.

Disciplinary Procedures for Long-Term Suspensions/Expulsions
A. Prior to any recommendation for a long-term suspension/expulsion, the authorized administrator shall ascertain whether the student is a special education student. If so, then the procedures set forth in the Illinois Administrative Code and the Individuals with Disabilities Education Improvement Act shall be followed. If the expulsion is preceded by a suspension, the suspension procedures set forth in Section V must also be followed and the parents notified that a suspension review hearing will be combined with an expulsion hearing.
B. Long-Term Suspension/Expulsion Notification
1. The authorized administrator shall send a letter by certified mail, return receipt requested, to the parents of the student, notifying them of the long-term suspension/expulsion hearing.
2. The long-term suspension/expulsion notice to the parents shall include the following:
   a. A statement of the reason(s) for the proposed long-term suspension/expulsion, including any school rule which has been violated;
   b. The potential maximum duration of the long-term suspension/expulsion;
   c. The time and place of the long-term suspension/expulsion hearing;
   d. A statement of the parent's right to be represented at the long-term suspension/expulsion hearing by an attorney or other representative; and
   e. A copy of the long-term suspension/expulsion hearing procedures.

General Procedures for Suspension Review and Long-Term Suspension/Expulsion Hearings
A. Hearing Structures
1. A suspension review or long-term suspension/expulsion hearing shall be conducted by a hearing officer or the Board of Education in a Closed Session at a meeting of the Board of Education.
   a. If a hearing officer is appointed by the Board of Education, the hearing officer shall submit a written summary of the evidence heard and accepted at the hearing to the Board.
   b. The Board of Education shall conduct a review of the evidence as contained in the hearing officer’s written summary of the suspension or long-term suspension/expulsion hearing within thirty (30) days of such hearing.
2. The Board may take such action after the hearing as it deems appropriate, including affirming or overruling the suspension or proposed long-term suspension/expulsion, or conditioning reentry of the student to school.
3. If the Board finds that a suspension or long-term suspension/expulsion is unjustified, the student's records shall be erased of all notations regarding the suspension or long-term suspension/expulsion and any related student absence for disciplinary reasons shall be marked "excused." The student shall be afforded an opportunity to make up all lost educational opportunities including, but not limited to, tests and other class work.
4. The decision of the Board shall be final.
5. Written notification of the Board's decision with respect to the suspension review or expulsion hearing shall be mailed to the parents. An expulsion may be effective immediately or as specified by the Board.
B. Hearing Procedures
1. All student discipline hearings shall be held in closed sessions of meetings of the Board of Education.
2. The student may attend the hearing with his or her parents and may be represented by an attorney or other
representative. If the parents or student do not attend, but the authorized administrator has proof of notice given and received, the Board may choose to proceed with or reschedule the hearing.

3. The hearing may be recorded stenographically or by tape. If either party causes a record to be made, the other party shall be offered an opportunity to receive a copy of the transcript or the tape. The Board of Education’s closed session deliberations may only be disclosed pursuant to the requirements of the Illinois Open Meetings Act.

4. The Board shall determine and make findings on the following two (2) issues at the hearing:
   a. The validity of the charges of gross disobedience or misconduct; and
   b. The appropriate disciplinary measure, if the charges are to be upheld.

**Re-Engagement of Returning Students**

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student’s ability to be successful in school following a period of exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

**Truancy**

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district.

Students who miss more than 1% but less than 5% of the prior 180 regular school days without valid cause (a recognized excuse) are truant. Students who miss 5% or more of the prior 180 regular school days without valid cause are **chronic truants**. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the Franklin County Truancy Officer and the TAOEP Program,
- Reporting to officials under the Juvenile Court Act,
- Referral to the State's Attorney,
- Appropriate school discipline.

A student who misses 15 consecutive days of school without valid cause and who cannot be located or, after exhausting all available support services, cannot be compelled to return to school is subject to expulsion from school.

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

**Prevention of and Response to Bullying, Intimidation, and Harassment**

Bullying, intimidation, and harassment diminish a student’s ability to learn and a school’s ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important school goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.
Bullying includes cyber-bullying and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student’s or students’ person or property;
2. Causing a substantially detrimental effect on the student’s or students’ physical or mental health;
3. Substantially interfering with the student’s or students’ academic performance; or
4. Substantially interfering with the student’s or students’ ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying.

Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Students are encouraged to immediately report bullying. A report may be made orally or in writing to the building principal, nondiscrimination coordinator, district complaint manager or any staff member with whom the student is comfortable speaking. All school staff members are available for help with a bully or to make a report about bullying. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the district complaint manager or any staff member. Anonymous reports are also accepted by phone call or in writing. The Nondiscrimination Coordinator and Complaint Managers are listed on page 10.

A reprisal or retaliation against any person who reports an act of bullying is prohibited. A student’s act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

A student will not be punished for reporting bullying or supplying information, even if the school’s investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

Students and parents/guardians are also encouraged to read the following school district policies: 7:20, Harassment of Students Prohibited and 7:180, Prevention of and Response to Bullying, Intimidation and Harassment.

Harassment and Teen Dating Violence Prohibited

Harassment Prohibited

No person, including a school or school district employee or agent, or student, shall harass, intimidate, or bully a student on the basis of actual or perceived: race; color; national origin; military status; unfavorable discharge status from military service; sex; sexual orientation; gender identity; gender-related identity or expression; ancestry; age; religion; physical or mental disability; order of protection status; status of being homeless; actual or potential marital or parental status, including pregnancy; association with a person or group with one or more of the aforementioned actual or perceived characteristics; or any other distinguishing characteristic. The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, sexual, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student’s educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.
Sexual Harassment Prohibited

The school and district shall provide an educational environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.

Teen Dating Violence Prohibited

Engaging in teen dating violence that takes place at school, on school property, at school-sponsored activities, or in vehicles used for school-provided transportation is prohibited. For purposes of this policy, the term teen dating violence occurs whenever a student who is 13 to 19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.

Making a Report or Complaint

Students are encouraged to report claims or incidents of bullying, intimidation, harassment, sexual harassment, or any other prohibited conduct to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, a Complaint Manager or any employee with whom the student is comfortable speaking. A student may choose to report to a person of the student’s same gender. The Nondiscrimination Coordinator and Complaint Managers are listed on page 10.

Search and Seizure

In order to maintain order safety and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. “School authorities” includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students Searches

School authorities may search a student and/or the student’s personal effects in the student’s possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district’s student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student’s age and sex, and the nature of the infraction.

School officials may require a student to cooperate in an investigation if there is specific information about activity on the student’s account on a social networking website that violates the school’s disciplinary rules or school district policy. In the course of the investigation, the student may be required to share the content that is reported in order for the school to make a factual determination. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student’s account or profile on a social networking website.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the school or district’s policies or rules, evidence may be seized and impounded by school authorities and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

Questioning of Students Suspected of Committing Criminal Activity

Before a law enforcement officer, school resource officer, or other school security person detains and questions on school grounds a student under 18 years of age who is suspected of committing a criminal act, the building principal or designee will: (a) Notify or attempt to notify the student’s parent/guardian and document the time and manner in
writing; (b) Make reasonable efforts to ensure the student’s parent/guardian is present during questioning or, if they are not present, ensure that a school employee (including, but not limited to, a social worker, psychologist, nurse, guidance counselor, or any other mental health professional) is present during the questioning; and (c) if practicable, make reasonable efforts to ensure that a law enforcement officer trained in promoting safe interactions and communications with youth is present during the questioning.

**Access to Student Social Networking Passwords and Websites**

School authorities may not request a student or his or her parent or guardian to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website if school authorities have reasonable cause to believe that a student's account on a social networking website contains evidence that a student has violated a school disciplinary rule or policy.

**Acceptable Use of the District’s Electronic Networks**

All use of the District’s electronic networks should be consistent with the District’s goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These procedures do not attempt to state all required or prohibited behavior by users. However, some specific examples are provided. The failure of any user to follow these procedures will result in the loss of privileges, disciplinary action, and/or legal action.

**Terms and Conditions**

The term electronic networks includes all of the District’s technology resources, including, but not limited to:

1. The District’s local-area and wide-area networks, including wireless networks (Wi-Fi), District-provided Wi-Fi hotspots, and any District servers or other networking infrastructure;
2. Access to the Internet or other online resources via the District’s networking infrastructure or to any District-issued online account from any computer or device, regardless of location;
3. District-owned and District-issued computers, laptops, tablets, phones, or similar devices.

**Acceptable Use** – Access to the electronic network must be: (a) for the purpose of education or research and be consistent with the District’s educational objectives, or (b) for legitimate business use.

**Privileges** – Use of the District’s electronic networks is a privilege, not a right, and inappropriate use may result in a cancellation of those privileges, disciplinary action, and/or appropriate legal action. The system administrator or Building Principal will make all decisions regarding whether or not a user has violated these procedures and may deny, revoke, or suspend access at any time. His or her decision is final.

**Unacceptable Use** – The user is responsible for his or her actions and activities involving the electronic networks. Some examples of unacceptable uses are:

1. Using the electronic networks for any illegal activity, including violation of copyright or other intellectual property rights or contracts, or transmitting any material in violation of any State or federal law;
2. Using the electronic networks to engage in conduct prohibited by board policy;
3. Unauthorized downloading of software or other files, regardless of whether it is copyrighted or scanned for malware;
4. Unauthorized use of personal removable media devices (such as flash or thumb drives);
5. Downloading of copyrighted material for other than personal use;
6. Using the network for private financial or commercial gain;
7. Wastefully using resources, such as file space;
8. Hacking or attempting to hack or gain unauthorized access to files, accounts, resources, or entities by any means;
9. Invading the privacy of individuals, that includes the unauthorized disclosure, dissemination, and use of information about anyone that is of a personal nature such as a photograph or video;
10. Using another user’s account or password;
11. Disclosing any network or account password (including your own) to any other person, unless requested by the system administrator;
12. Posting or sending material authored or created by another without his/her consent;
13. Posting or sending anonymous messages;
14. Using the electronic networks for commercial or private advertising;
15. Accessing, sending, posting, publishing, or displaying any abusive, obscene, profane, sexual, threatening, harassing, illegal, or knowingly false material;
16. Misrepresenting the user’s identity or the identity of others; and
17. Using the electronic networks while access privileges are suspended or revoked.

Network Etiquette – The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:
1. Be polite. Do not become abusive in messages to others.
2. Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
3. Do not reveal personal information, including the address or telephone numbers, of students or colleagues.
4. Recognize that the District’s electronic networks are not private. People who operate the District technology have access to all email and other data. Messages or other evidence relating to or in support of illegal activities may be reported to the authorities.
5. Do not use the network in any way that would disrupt its use by other users.
6. Consider all communications and information accessible via the electronic networks to be private property.

No Warranties – The school and district make no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed-deliveries, or service interruptions caused by its negligence or the user’s errors or omissions. Use of any information obtained via the Internet is at the user’s own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.

Indemnification – By using the District’s electronic networks, the user agrees to indemnify District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of these procedures.

Security – Network security is a high priority. If the user can identify or suspects a security problem on the network, the user must promptly notify the System Administrator or Building Principal. Keep user account(s) and password(s) confidential. Do not use another individual’s account without written permission from that individual. Attempts to log-on to the network as a System Administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.

Vandalism – Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of malware, such as viruses and spyware.

Telephone Charges – The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, texting or data use charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Copyright Web Publishing Rules – Copyright law and District policy prohibits the republishing of text or graphics found on the Internet or on District websites or file servers / cloud storage without explicit written permission.
1. For each re-publication (on a website or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the Web address of the original source.
2. Students engaged in producing web pages must provide library media specialists with email or hard copy permissions before the web pages are published. Printed evidence of the status of “public domain” documents must be provided.
3. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the website displaying the material may not be considered a source of permission.
4. The fair use rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.
5. Student work may only be published if there is written permission from both the parent / guardian and student.
Use of E-mail – The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the District. The District provides email to aid students in fulfilling their duties and responsibilities, and as an education tool.

1. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.

2. Each person should use the same degree of care in drafting an email message as would be put into a written memorandum or document. Nothing should be transmitted in an email message that would be inappropriate in a letter or memorandum.

3. Electronic messages transmitted via the District’s Internet gateway carry with them an identification of the user’s Internet “domain.” This domain is a registered name and identifies the author as being with the District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the District. Users will be held personally responsible for the content of any and all electronic mail messages transmitted to external recipients.

4. Any message received from an unknown sender via the Internet, such as spam or potential phishing emails, should either be immediately deleted or forwarded to the System Administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message’s authenticity and the nature of the file so transmitted.

5. Use of the District's email system constitutes consent to these regulations.

Internet Safety

Internet access is limited to only those acceptable uses as detailed in these procedures. Internet safety is supported if users will not engage in unacceptable uses, as detailed in these procedures, and otherwise follow these procedures.

Staff members will supervise students while students are using District Internet access to ensure that the students abide by the Terms and Conditions for Internet access contained in these procedures.

Each District computer with Internet access has a filtering device that blocks entry to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children’s Internet Protection Act and as determined by the Superintendent or designee.

The system administrator and Building Principals shall monitor student Internet access.

Annual Notice to Parents about Educational Technology Vendors Under the Student Online Personal Protection Act

School districts throughout the State of Illinois contract with different educational technology vendors for beneficial K-12 purposes such as providing personalized learning and innovative educational technologies, and increasing efficiency in school operations.

Under Illinois’ Student Online Personal Protection Act, or SOPPA (105 ILCS 85/), educational technology vendors and other entities that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes are referred to in SOPPA as operators. SOPPA is intended to ensure that student data collected by operators is protected, and it requires those vendors, as well as school districts and the III. State Board of Education, to take a number of actions to protect online student data.

Depending upon the particular educational technology being used, our District may need to collect different types of student data, which is then shared with educational technology vendors through their online sites, services, and/or applications. Under SOPPA, educational technology vendors are prohibited from selling or renting a student’s information or from engaging in targeted advertising using a student’s information. Such vendors may only disclose student data for K-12 school purposes and other limited purposes permitted under the law.

In general terms, the types of student data that may be collected and shared include personally identifiable information (PII) about students or information that can be linked to PII about students, such as:

- Basic identifying information, including student or parent/guardian name and student or parent/guardian contact information, username/password, student ID number;
- Demographic information;
- Enrollment information;
- Assessment data, grades, and transcripts;
- Attendance and class schedule;
- Academic/extracurricular activities;
- Special indicators (e.g., disability information, English language learner, free/reduced meals or homeless/foster care status);
- Conduct/behavioral data;
- Health information;
- Food purchases;
- Transportation information;
- In-application performance data;
- Student-generated work;
- Online communications;
- Application metadata and application use statistics; or
- Permanent and temporary school student record information.

Operators may collect and use student data only for K-12 purposes, which are purposes that aid in the administration of school activities, such as:
- Instruction in the classroom or at home (including remote learning);
- Administrative activities;
- Collaboration between students, school personnel, and/or parents/guardians; or
- Other activities that are for the use and benefit of the school district.

**Guidelines for Student Distribution of Non-School Publications**

A student or group of students seeking to distribute more than 10 copies of the same material on one or more days to students must comply with the following guidelines:

1. The student(s) must notify the building principal of the intent to distribute, in writing, at least 24 hours before distributing the material. No prior approval of the material is required.
2. The material may be distributed at times and locations selected by the building principal, such as, before the beginning or ending of classes at a central location inside the building.
3. The building principal may impose additional requirements whenever necessary to prevent disruption, congestion, or the perception that the material is school-endorsed.
4. Distribution must be done in an orderly and peaceful manner and may not be coercive.
5. The distribution must be conducted in a manner that does not cause additional work for school personnel. Students who distribute material are responsible for cleaning up any materials left on school grounds.
6. Students must not distribute material that:
   a. Will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities;
   b. Violates the rights of others, including but not limited to, material that is libelous, invades the privacy of others, or infringes on a copyright;
   c. Is socially inappropriate or inappropriate due to the students’ maturity level, including but not limited to, material that is obscene, pornographic, or pervasively lewd and vulgar, contains indecent and vulgar language, or sexting as defined by School Board policy and Student Handbook;
   d. Is reasonably viewed as promoting illegal drug use; or
7. A student may use the School District’s Uniform Grievance Procedure to resolve a complaint.
8. Whenever these guidelines require written notification, the appropriate administrator may assist the student in preparing such notification.
9. A student or group of students seeking to distribute 10 or fewer copies of the same publication on one or more days to students must distribute such material at times and places and in a manner that will not cause substantial disruption of the proper and orderly operation and discipline of the school or school activities and in compliance with paragraphs 4, 5, 6, and 7.

Students are prohibited from accessing and/or distributing at school any pictures, written material, or electronic material, including material from the Internet or from a blog, that:

1. Will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities;
2. Violates the rights of others, including but not limited to material that is libelous;
3. Is socially inappropriate or inappropriate due to maturity level of the students, including but not limited to material that is obscene, pornographic, or pervasively lewd and vulgar, or contains indecent and vulgar language;
4. Is primarily intended for the immediate solicitation of funds; or
5. The distribution of non-school-sponsored written material must occur at a time and place and in a manner that will not cause disruption, be coercive, or result in the perception that the distribution or the material is endorsed by the school district.

**VI: SERVICES**

**Request to Access Classroom or Personnel for Special Education Evaluation or Observation**

The parent/guardian of a student receiving special education services, or being evaluated for eligibility, is afforded reasonable access to educational facilities, personnel, classrooms, and buildings. This same right of access is afforded to an independent educational evaluator or a qualified professional retained by or on behalf of a parent or child.

For further information, please contact the Director of Special Education.

**Certificate of High School Completion**

A student with a disability who has an Individualized Education Program prescribing special education, transition planning, transition services, or related services beyond the student’s 4 years of high school, qualifies for a certificate of completion after the student has completed 4 years of high school. The student is encouraged to participate in the graduation ceremony of his or her high school graduation class.

**Exemption from PE Requirement [3-HS]**

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student’s participation as required by the Superintendent or designee.

A student requiring adapted physical education will receive that service in accordance with the student’s Individualized Education Program.

**Discipline of Students with Disabilities**

The school will comply with the Individuals with Disabilities Education Act (IDEA) and the Illinois State Board of Education’s Special Education rules when disciplining students with disabilities. Behavioral interventions will be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. No special education student shall be expelled if the student’s particular act of gross disobedience or misconduct is a manifestation of his or her disability as determined through a manifestation hearing. Any special education student whose gross disobedience or misconduct is not a manifestation of his or her disability may be expelled pursuant to the expulsion procedures.

**Medicaid Parental Consent Written Notification Letter**

Consistent with requirements in 34 CFR 300.503(c) and in the event that your child requires health related services pursuant to an Individualized Education Plan (IEP) we hereby give notice of the following:

1. That a written and signed parental consent has been or will be obtained before accessing a child’s or parent’s public benefits or insurance acknowledging that the parent or guardian understands and agrees that the public agency may access the child’s or parent’s public benefits or insurance to pay for services under 34 CFR part 300;
2. That personally identifiable information may be disclosed for the purpose of seeking reimbursement for Medicaid covered health-related services to its billing agent, other healthcare providers, the applicable State Agency or Insurance Program, and/or the Illinois Department of Healthcare and Family Services (HFS) as necessary to process Medicaid claims;
3. That health related services pursuant to an Individualized Education Plan (IEP) will be provided to your child with no out-of-pocket expense to the child’s parent or guardian; and
4. That you have a right under 34 CFR part 99 and part 300 to withdraw your consent to disclosure of your child’s personally identifiable information and that your withdrawal or refusal of consent does not relieve this public agency of its responsibility to ensure that all required services are provided at no cost to the parent or guardian.

Welcome to a new school year at Denning Elementary! At Denning we believe that a happy child is a successful one. We are committed to providing a positive, safe, and engaging learning environment so that all students can grow. We want to empower each child to become their personal best!

**Communication**
We encourage a strong partnership between parents, families, and school. This partnership enables your child to be more successful at school, home, and within the community.

**ClassDojo**
Denning utilizes ClassDojo as our primary communication tool. You can access ClassDojo through the website at [www.classdojo.com](http://www.classdojo.com), or download the ClassDojo app on your smartphone. We use ClassDojo to post all school and classroom information, events, reminders, pictures, etc. You can stay connected to your child’s classroom and directly message your child’s teacher, principal, or additional staff members. Please check ClassDojo regularly to stay up to date with school and classroom information.

**Website**
In order to keep parents and the community informed of school activities and news, Frankfort Community Unit School District #168 has designed a website in which you can get the monthly calendar, pictures of activities, news, upcoming events and more. Each school building within the district has a website. We urge you to use this website ([www.wfschools.org](http://www.wfschools.org)). The teachers also maintain classroom web-pages or websites and many have their assignment sheets and other useful information listed there.

**Up To Date Information**
Please update the school office with any changes to personal information including changes to phone numbers, addresses, emergency contacts, medications, legal documents, etc. This ensures that DES has the correct information on file in case of an emergency, or if we need to contact you during the school day. Every child should have at least one emergency contact on file. Emergency contacts may assume temporary care of a child if a parent or guardian cannot be reached.

**Visitor Protocol**
All visitors must check in through the school office and receive a visitor’s pass in order to be admitted further into the school building.

**Morning Arrival**
The school does NOT assume responsibility for monitoring non-bus students prior to 7:30 a.m., as this is NOT considered school hours. Students who arrive between 7:30-8:00 will report to the cafeteria for breakfast and/or supervision. Parents will ONLY be allowed to walk their child to the front entrance. Any child that arrives after 8:15 is tardy. Please ring the bell at the front entrance. Parents are required to sign students in after 8:15.

**STUDENT DROP-OFF AND PICK-UP**

**Drop off:** If you are dropping off a child at school, please enter the drop off line at the back of the school at W. 7th St., follow Shawnee St. along the west side of the school. Drop off your child at the front entrance parking lot on W. 6th St. The main front entrance door opens at 7:30 a.m. Parents may walk children to the main front entrance door to drop them off.

**Pick-up:** To pick up your child, please park nearest the exit door to your child’s classroom. Your child’s teacher must verify the parent, guardian, or emergency contact to pick up a child. Please be prepared to show an ID, if needed. No cars should be parked in lanes of traffic, the back of the school, in crosswalks, or blocking other vehicles. Due to several violations, local law enforcement has requested that license plate numbers be turned in if traffic or buses are blocked. Please provide dismissal changes in writing, prior to dismissal times.

ATTENDANCE
Research shows that missing 10 percent of the school, or about 18 days, negatively affects a student’s academic performance. Daily school attendance is critical to the success of your child’s academic success and performance.

LEAVING DURING THE SCHOOL DAY
A parent or guardian may pick up a child during their designated lunch time. All students must be signed out and back into school at the end of their designated lunch time. All changes to your child’s dismissal or pickup schedule should be provided to the school in advance. Parents MUST sign their child out during the school day. The office will call for your child when you arrive. Parents will not be allowed to pick children up from classrooms or playgrounds.
5-DAY POLICY
Students are required to be in attendance every day school is in session. Parents MUST call the school office to excuse their child from school up to five (5) days per semester. After five (5) days, an absence from school will require a doctor’s note to be excused. Absences documented by a physician’s note and funerals within the family do not count towards the 5-day limit. Students violating the policy will be referred to our FCUSD 168 Attendance and Homeless Student Liaison.

TARDY
Students are considered tardy after 8:15 a.m. All tardy students must be signed in by their parent or guardian after 8:15 a.m.

PERFECT ATTENDANCE
Perfect attendance is defined as those students that attend school every day it is in session from 8:15 a.m. to dismissal time each day. To earn perfect attendance, students cannot have any tardies (arriving after 8:15 a.m.) and MUST be present every day until the designated dismissal time. Students may be signed out at their specified lunch time, but must return by the designated end of their lunch period in order to receive full attendance credit for that day.

MISSED WORK
If your child is absent for more than one (1) day, please call the school office by 10:00 a.m. to have his/her work compiled. If your child will only be absent for a day, we request that that work be made up upon returning to school. Homework can be picked up after 3:00 p.m. each day.

LUNCH MENU
The weekly menu can be accessed on the school’s web-page at www.wfschools.org.

BUS CONDUCT
Riding the bus is a privilege. Any misconduct on the bus will be treated as if it has happened in a classroom. More information about bus conduct is stated on page 19 of the District Handbook.

SCHOOL SAFETY
We request that parents discuss the importance of a safe school environment with their children. We expect parents to share information regarding school safety with school officials. We expect students to inform parents and school officials of any discussions or plots that may jeopardize school safety. If lockdown or severe weather procedures have been put in place at the school, the doors will be secured and there may be a delay in answering the phones. Parents will be notified prior to a law enforcement drill and will be given the option to opt their child out.

STUDENT SIGN-OUT DURING EMERGENCY PROCEDURES
Procedures are in place during emergency situations for the safety of our students and staff. In order for these procedures to be effective, student sign-out may be restricted while safe practices are being implemented.

Safety procedures in the event of a tornado, earthquake or fire are discussed and/or practiced periodically at school and written procedures are posted in each classroom and throughout the building. Though it is
unlikely that these disasters will occur, we want to be prepared. Please be aware of the safety procedures listed below.

**EVACUATION PLAN**
In the event of an emergency evacuation, DES students and staff would move to Third Baptist Church (located at 1100 West 6th Street). Parents may need to sign their child out from this evacuation location in case of an emergency situation. Parents will be notified if this occurs.

**SEVERE WEATHER**
During severe weather, students are escorted to Severe Weather Safe Areas. Therefore, parents who wish to sign out students will be asked to wait in a designated Parent Safe Area until the severe weather threat has passed. Once students are released from safe areas, sign out procedures may resume.

**LOCK DOWN**
During Lock Down procedures, no one will be able to enter or leave the building until the lockdown has ended. A Lock Down does NOT automatically mean that your child is in danger. A Lock Down may be used to notify staff to be in a heightened state of awareness.

**FIRE**
During a fire, all students will evacuate the building and be escorted to their designated meeting place outside of the building. Student sign-out will not be permitted until all students are accounted for and a safe sign out procedure is in effect.

**EARTHQUAKE**
Following an earthquake, all students will evacuate the building and be escorted to their designated meeting place outside the building. Student sign-out will not be permitted until all students are accounted for and a safe sign-out procedure is in effect.

**STUDENT DRESS CODE**
To ensure the orderly process of the school’s function, health, and safety, the following personal habits will be expected. Students should come to school in appropriate attire. Students should be covered from the shoulder to mid-thigh. Students should **NOT** wear clothing that is strapless, backless, has a low neckline, has spaghetti straps, is a form of sleepwear (i.e., pajamas), and/or exposes undergarments or the midriff. Skirts and shorts must be mid-thigh length or longer. Any leggings or shorts worn under skirts should also be mid-thigh length or longer. Students should be neat and clean. Clothing and accessories should **NOT** be hazardous to the health and safety of the students or disruptive to the educational learning environment. Clothing and accessories displaying a reference to sex, tobacco, gang affiliation, alcohol, drugs, violence, or anything else deemed inappropriate by the administration, are not permitted. Students who wear clothing with inappropriate references or suggestive statements will be asked to change or wear a plain T-shirt over it for the remainder of the school day.

Make sure that your child dresses in accordance with the weather. Coats, hats and gloves are needed during the winter/cold months, as the students go outside for recess as much as possible. Appropriate shoes need to be worn. Close-toed shoes are highly recommended during physical activity.

**SCHOOL AND STUDENT PROPERTY**
We are extremely proud of our school. We want everyone to treat it with respect so that all may receive maximum benefits from it. The playground equipment, classroom equipment, school building, and textbooks should be treated with care. Parents will be charged replacement costs for books and equipment damage due to carelessness or destruction.

**PLAYGROUND**
Our school has playground equipment facilities for the enjoyment of our students during P.E. and recess. Each piece of equipment is to be used safely and only in the intended manner and purpose for which it is manufactured. No skateboarding is allowed on school property.
PERSONAL PROPERTY
Each piece of student property should be properly marked for identification. Labeling your child’s belongings will help us return lost items to the owner. The Lost and Found is located in the office at Denning Elementary School.

Students should leave personal belongings (toys, cards, etc.) at home. Such personal items that are brought to school may be removed from the student’s possession, and the parent may be contacted to come to the school to claim the property.

Although lockers, cubbies, etc. are provided for students, occasionally personal belongings are lost or damaged. The faculty and staff will make every effort to assist students in protecting their belongings; however, the school will assume no responsibility for lost or damaged items.

CELL PHONES and ELECTRONICS
If cell phones are brought to school, they must be turned off and put away during school hours.

BICYCLES
Bicycles are to be parked in the bike racks near the east entrance immediately upon arrival to school. A lock/chain device is recommended. In case of inclement weather, the school may NOT allow a student to ride a bike home and would then notify a parent to pick up the child. Students that are allowed to ride their bike must remember that safety comes first. If a student can’t properly ride to and from school, then the privilege may be taken away.

BEHAVIORAL CONSEQUENCES
Students may lose privileges or receive a lunch time-out for breaking the school rules. A copy of the time-out will be posted via a private message to the parent or guardian on ClassDojo. Please review the time-out and contact the teacher with any questions or concerns.

FIELD TRIPS
During the school year, students have several opportunities to attend field trips. Please remember that all field trips are a privilege and students must have good behavior, good attendance and should have completed classroom work to participate in a field trip. If a student is not permitted to go on the field trip, the child is expected to be at school for a regular school day. If a student has been suspended off of the school bus, he/she will not be allowed to attend the field trip.

GRADING SYSTEMS
DES uses letter grades based on the percent correct. A five-point grading system will determine quarterly and yearly averages. Letter grades are assigned as follows:

- A = 90-100%
- B = 80-89%
- C = 70-79%
- D = 60-69%

KINDERGARTEN GRADING SYSTEM
S=Satisfactory  NI=Needs Improvement  U=Unsatisfactory
1st and 2nd grade students receive quarterly report cards. Kindergarten students receive semester report cards.

PROMOTION TO NEXT GRADE LEVEL OR RETENTION IN PRESENT GRADE
Illinois state law, enacted January of 1998, prohibits "social promotion", which is moving a child to the next grade because of age, size, friends, etc. Learning standards are in place for all Illinois schools which are used to determine whether a student has earned promotion or whether, for the good of the student, he/she should repeat a grade to help ensure future successes in school. Several criteria will be reviewed to determine promotion or retention:
- Individual circumstances and what is most beneficial for the student
- Academic Progress
- Passing reading and math yearly grades
- Chronic Absenteeism
- Behaviors which point to immaturity or which interfere with the learning process.
- Skills required for success at the next grade level are not yet achieved.
- Not completing required work for that grade level.

To determine promotion to the next grade level, each subject and each quarter will be averaged to equal a final letter grade. The school staff will keep parents aware of their child’s situation regarding promotion or retention, but the decision to promote or retain a student is solely that of the school personnel involved.

CONFERENCES
Communication with parents concerning a student’s academic performance is an essential part of any student’s assessment program. District-wide Parent Teacher Conferences will be held twice a school year. Please contact your child’s teacher if you need to discuss your child’s progress and performance.

COURT AND LEGAL DOCUMENTS
It is the responsibility of the parents/guardians to provide annually, and/or as the situation presents itself, copies of any court documents (protective orders, custody papers, etc.) pertinent to the well-being or education of their children.
Frankfort Intermediate School

PARENT-STUDENT HANDBOOK
Frankfort Community Unit School District #168
2021 – 2022
Welcome to Frankfort Intermediate School

Frankfort Intermediate School (Grades 3-6)
Principal: Mr. Doug Corzine
Secretary: Mrs. Cheryl Russell
800 North Cherry Street
West Frankfort, IL 62896
Phone Number: (618) 937-1412
Fax: (618) 937-4912

The teachers and staff of Frankfort Intermediate School welcome you to a new school year. Our staff is a very professional and caring group of people. We will provide our students the best education possible. The needs of the students will be our top priority. The physical, intellectual and emotional well-being of the students will always be our greatest concern.

If a problem should arise with your child, we would urge you to contact the teacher and discuss this issue with them in order to ensure that all parties are fully aware of any potential problems. The principal will be happy to discuss any problems with you and the teacher in order to resolve the issue. We think it is very important to keep an open line of communication with your child’s teacher to help eliminate potential problems. Remember, the faculty at FIS wants to ensure that your child has a productive and successful school year! Parents working together with the teachers will only encourage students to do their very best each and every day!

We are extremely proud of our school. Of course, to continue to be the best, all of us must give our best effort every day.

Website
In order to keep parents and the community informed of school activities and news, Frankfort Community Unit School District #168 has designed a website in which you can get the monthly calendar, pictures of activities, news, upcoming events and more. Each school building within the district has a website. We urge you to use this website (www.wfschools.org).

Accurate Information
Parents need to ensure that the office has accurate addresses, phone numbers, and emergency contacts on file. It is very important for parents/guardians to notify the office when a student has moved or a phone number has been changed. Emergencies arise and we will need to get in contact with a parent or guardian.

School Day
The time before 7:30 a.m. is not considered school time, and the school does not assume responsibility for monitoring non-bus students prior to this time. Students should NOT arrive at the school prior to 7:30 a.m. When arriving before 8:00 a.m., students must report to the gym to be monitored by chaperones on duty and wait for the 8:00 a.m. bell. If students would like to eat breakfast prior to the 8:00 a.m. bell they are to report to the cafeteria. Parents and students are NOT to wait in the hallways or classrooms prior to 8:00 a.m. Parents are not to walk their children to class. This creates a great deal of traffic in the hallways and we need to ensure that the hallways stay safe for our children. If your child arrives to school after 8:15 a.m., they are considered tardy and the parent or child will be buzzed into the front entrance and must report to the office to sign in. They are NOT to go directly to class.

BUS INFORMATION
The bus garage is located at 1111 E. 9th Street and the phone number is 618-937-6280. Please register your student at the bus garage to arrange bus transportation. Any changes to a students’ current bus arrangement for a given school day needs to be in the form of writing or a parent phone call to the school office. Students will need to come to the office to receive a bus card stating a change for that day.

STUDENT DROP-OFF AND PICK-UP
1. Students eating breakfast will need to be dropped off at the front entrance and report to the cafeteria.
2. Students NOT eating breakfast will need to be dropped off at the gym door and report to the gym.
3. The cafeteria is open for breakfast between 7:30a.m. and 8:00 a.m. If students plan on eating breakfast, they should report to the school cafeteria prior to 8:00 a.m.
4. Students dismiss and leave the building out of their respective wing doors.
5. Older siblings will travel to their younger sibling and exit the younger sibling’s door.
6. Please note the one-way “entrance” only road. This road will allow the line of traffic to continuously flow. Drivers need to pull through, pick up their children, and exit on 9th Street.
7. Parents must stop and yield to buses before proceeding to 9th Street.
8. **DO NOT** use the bus lane for drop off or pick up of your child.
9. Except for emergency situations, the school cannot honor telephone calls to change a student’s after school transportation plan. Please send a note to your child’s teacher on days where a transportation change is needed.
10. Students will only be allowed to leave the school with an authorized person from information the parent has provided the school during registration. If changes are needed, you will need to contact the school office.
11. We encourage parents to carpool.

IMPORTANT MESSAGE: Operating a cell phone while driving a vehicle is illegal. **DO NOT** operate or talk on a cell phone while driving on a school campus.

It is extremely important that you are aware of your surroundings when driving through the school campus. Be aware of students that are crossing and entering vehicles in the drop off and pick up lanes. Remember to drive slowly and be ready to stop suddenly.

ATTENDANCE
1. **5-DAY POLICY:** Students are required to be in attendance every day school is in session. Parents may call to excuse their child from school up to five (5) days per semester. After five (5) days, an absence from school will require a doctor’s note to be excused. Absences documented by physician’s note and funerals within family do not count towards the 5-day limit. Students violating the policy will be referred to the county’s Truancy Officer.
2. **TARDINESS:** Being on time to school is very important. Students that arrive late to school may miss instruction or cause disruption to the school. Students may be assigned a timeout when they are tardy. Tardiness during the day will be handled by the teachers involved and will require a tardy pass to be excused.

PERFECT ATTENDANCE
Perfect attendance is defined as those students that attend school every day it is in session from 8:15 a.m. to dismissal time that day. Students may not have any tardies (arriving after 8:15 a.m.) and no days of leaving before the designated dismissal time of that school day. Students may be signed out at the specified lunch time and must return by the designated end of their lunch period in order to receive full attendance credit for that day.

GRADE LEVEL EXITS FOR DISMISSAL
To further assist in the dismissal task by spreading out the areas of parked traffic, we will dismiss non-bus students through different exits, according to classrooms as follows:

| GRADE 3-6 | All students dismiss out of their respective building wing doors. |
MISSED WORK
If your child is absent and would like homework for the day(s) missed, please let the office know by 10:00 a.m. so that we can ensure that the teacher receives the message in a timely manner. Please request homework only if your child is absent two or more days. Work for a one-day absence can easily be made up when the child returns. Homework can be picked up after 3:00 p.m. in the school office.

LEAVING DURING THE SCHOOL DAY
Students can NOT leave the school at any time during the school day including lunch period unless they are picked up and signed out in the office by a parent/guardian or designee. Additionally, if a child is to be picked up for any purpose, the parent should send a note to the child’s teacher giving the approximate time the parent/guardian or designee will be at the school to sign the child out for the day. Parents are to come into the office and sign out their child and NOT to go directly to the classroom. The office will call for your child when you arrive.

LUNCH MENU
The weekly menu can be accessed on the school’s web-page at www.wfschools.org. Please do not call the school during school hours to get the lunch menu.

ENERGY DRINKS
Due to the adverse health effects of caffeine intoxication, energy drinks, shots, or supplements may not be consumed by students at school. Energy drinks are defined as any product advertised or promoted to boost a person’s energy or enhance their neurological functioning.

BUS CONDUCT/EXPECTATIONS/CONSEQUENCES
Bus riding is a privilege. Any misconduct on the bus will be treated as if it has happened in a classroom. More information about bus conduct is stated on page 19.

MEDICATION
All medications, including any over the counter medications, need to be checked into the nurse. The nurse will administer all medications at the prescribed times. Students are not to have any medications on their person or in their possession. Students possessing medication may be subject to disciplinary measures.

SCHOOL SAFETY
We request that parents discuss the importance of a safe school environment with their children. We expect parents to share information regarding school safety with school officials. We expect students to inform parents and school officials of any discussions or plots that may jeopardize school safety. It may be necessary from time to time to search backpacks and binders. If lockdown or severe weather procedures have been put in place at the school, the doors will be locked and the phones may not be answered during those times.
STUDENT SIGN-OUT DURING EMERGENCY PROCEDURES

Procedures are in place during emergency situations for the safety of our students and staff. In order for these procedures to be effective, student sign-out may be restricted while safe practices are being implemented.

Safety procedures in the event of tornado, earthquake, or fire are discussed and/or practiced periodically at school and written procedures are posted in the building. Though it is unlikely that these disasters will occur, we want to be prepared. We ask parents to impress upon their children that class discussions and drills should always be taken seriously.

Evacuation Plan

Emergency evacuations may or could occur in the event of severe weather, lock down situation, fire, or an earthquake. Please be aware of school evacuation plans. In the event of an emergency evacuation, students and staff would move to Trinity United Methodist Church (304 North Sunnyslope). Parents will be notified if this occurs.

Severe Weather

During severe weather, students are escorted to Severe Weather Safe Areas. Leaving a safe area at this time could create a dangerous situation for students and staff. Therefore, parents who wish to sign-out students will be asked to wait in a designated Parent Safe Area until the severe weather threat has passed. Once students are released from Safe Areas, parents may then sign-out their children.

Lock Down

During Lock Down procedures, no one will be able to enter or leave the building until the lock down has ended. A Lock Down does NOT automatically mean that your child is in danger. A lock down may be used to notify staff to be on a heightened state of awareness.

Fire

During a fire, all students will evacuate the building and be escorted to their designated meeting place outside of the building. Student sign-out will not be permitted until all student are accounted for and a safe sign-out procedure is in effect.

Earthquake

Following an earthquake, all students will evacuate the building and be escorted to their designated meeting place outside the building. Student sign-out will not be permitted until all student are accounted for and a safe sign-out procedure is in effect.

STUDENT DRESS CODE

To insure the orderly process of the school’s function, health, and safety, the following personal habits will be expected. Students should come to school in appropriate attire. Students should be covered from the shoulder to mid-thigh. Students should NOT wear clothing that is strapless, backless, has a low neckline, has spaghetti straps, is a form of sleepwear (i.e., pajamas), and/or exposes undergarments or the midriff. Skirts and shorts must be mid-thigh length or longer. Any leggings or shorts worn under skirts should also be mid-thigh length or longer. Students are not allowed to wear any head coverings inside the building. Students should be neat and clean. Clothing and accessories should NOT be hazardous to the health and safety of the students or disruptive to the educational learning environment. Clothing and accessories displaying a reference to sex, tobacco, gang affiliation, alcohol, drugs, violence, or anything else deemed inappropriate by the administration, are not permitted. Students who wear clothing with inappropriate references or suggestive statements will be asked to change or wear a plain T-shirt over it for the remainder of the school day.

Make sure that your child dresses in accordance with the weather. Coats, hats, and gloves are needed during the winter/cold months, as the students go outside for recess as much as possible. Appropriate shoes need to be worn. High heels or hard to walk in shoes are not appropriate for young children to wear outside to play on the playground. We appreciate the support of the parents/guardians in ensuring the students are clothed appropriately upon arriving to school each day.
To help ensure the health and safety of students and staff as we follow guidance from the Illinois Department of Health and the Illinois State Board of Education during the COVID-19 pandemic, all individuals in the school building must wear a face covering at all times the covers both the mouth and the nose. If a student does not have a mask, one will be provided to them by the school. If a student refuses to wear a face covering or is non-compliant, they will receive a verbal warning to wear the face covering appropriately. Excessive verbal warnings will result in a teacher calling the parents or guardians to notify them of the issue. If a student continues to refuse to follow the directions for face coverings, the principal will call the parent or guardian. If the student will not wear the face covering properly, they may be asked to move to a full-time remote learning option. If a student has a medical diagnosis or medical reason for not being able to wear a face covering, they should address that through the District’s regular accommodation process.

**PHYSICAL EDUCATION**

Students are required to have tennis shoes for safe participation in Physical Education. Students may have a pair of tennis shoes to keep in their lockers at all times.

**LOST AND FOUND**

Lost and found is located by the front entrance to the school. Students are reminded regularly to check for missing items. The school will collect any unclaimed items quarterly to donate to others in need.

**SCHOOL AND STUDENT PROPERTY**

We are extremely proud of our school. We want everyone to treat it with respect so that all may receive maximum benefits from it. The playground equipment, classroom equipment, school building, and textbooks should be treated with care. Parents will be charged replacement costs for books and equipment damage due to carelessness or destruction.

Classroom lockers are assigned to students by the teacher at the beginning of the school year. Students will share lockers. The locker should be kept clean inside and out. Students are not to put stickers, decals or items of personal nature on the lockers. Students should not get into lockers that have not been assigned to them.

Our school has playground equipment facilities for the enjoyment of our students during their recess and free time. Each piece of equipment is to be used only in the intended manner for which it is manufactured. That is, slide ladders are for safe climbing to the top of the slide, sliding boards are for sliding down in a sitting position one person at a time, swings are for safe swinging to a safe height in a sitting position, etc. Parents are urged to talk with their children about correct use of this equipment. With the help of parents and the cooperation of the student's, injuries as a result of misuse of playground equipment can be avoided. No skateboarding is allowed on school property.

Each piece of student property should be properly marked for identification. Labeling your child’s belongings will help us return lost items to the owner. The Lost and Found box is located by the front entrance.

Students should leave toys, trading cards, fidget spinners, and other personal belongings at home. Such personal items that are brought to school will be removed from the student’s possession, and the parent will be contacted to come to the school to claim the property. Although lockers, cubbies, etc. are provided for students, occasionally personal belongings are stolen or damaged by another student. The faculty and staff will make every effort to assist students in protecting their belongings; however, the school will assume no responsibility for lost or damaged items. Skateboards are not allowed on school property at any time.

**TOBACCO AND ELECTRONIC CIGARETTE PRODUCTS**

All tobacco, vapor devices, or electronic cigarettes are prohibited from school grounds. Students possessing such items will be subject to disciplinary measures.
CELL PHONES AND ELECTRONIC EQUIPMENT
Phones at school are to be off and stored in backpacks. Backpacks are to be stored in lockers. Students who are caught with cell phones on their person or in their desk may be subject to the following disciplinary measures:

Measures may include:
- Student issued a verbal warning;
- Cell phone confiscated to be picked up by parent;
- Time-out given for cell phone possession; or
- Student loses privilege to bring and have a phone at school.

It is the discretion of each teacher to allow students to bring electronic devices such as iPads, Kindles, Nooks or laptops to school for educational purposes. The district is not responsible for any damage to these personal items including personal cell phones.

BICYCLES
Some students are allowed by their parents to ride their bicycles to school. Bicycles are to be parked in the bike racks immediately upon arrival to school. A lock/chain security device is required. Students are not to go near the bike racks until the end of the school day. In case of inclement weather, the school may not allow a student to ride a bike home and would then notify a parent to pick up the child. Riding a bike to school is a privilege. Students that are allowed to ride their bike must remember that safety comes first. If a student can’t properly ride to and from school, then the privilege may be taken away.

BEHAVIORAL CONSEQUENCES
Students will lose privileges or receive a lunch recess time-out for breaking the school rules. Upon serving the time-out, a copy of the time-out will be sent home with the student to obtain parent/guardian signature and be returned to school on the next scheduled school day. Please read and refer to the district’s discipline policy.

POSITIVE BEHAVIOR ACKNOWLEDGEMENTS
FRANKFORT INTERMEDIATE SCHOOL is a recognized Positive Behavioral Interventions and Support (PBIS) school. We will teach, model and acknowledge students that display positive behaviors throughout the school year. Each quarter, a fun activity or celebration will be planned. If your child receives three or more time-outs per quarter, they will not be allowed to participate in the quarterly celebration.

DISCIPLINE
Frankfort Intermediate School is committed to creating a positive school and classroom climate through rewarding good behavior and correcting disruptive or inappropriate behavior. A positive school climate is the key to helping students succeed academically and socially. To achieve this, school staff will promote positive behaviors and correct negative behaviors.

Any disruptive or inappropriate behavior may first be handled in the classroom depending on severity. Classroom interventions can range from a verbal warning/parent contact, to a referral to the office. A student may be issued a time-out by a staff member for certain behaviors, the time-out is recorded, sent home, and must be signed by a parent/guardian. Office managed interventions may include the following:
- Conference with the student;
- Conference with the student and teacher;
- Conference with the student and parent;
- Lunch detention(s);
- Removal from the classroom setting for part or the remainder of the day;
- Removal from extra-curricular activities;
- Alternative Classroom (ACR) – Student will be supervised and allowed to complete work in an alternate setting; and/or
- Out of school suspension – Reserved for behaviors that substantially disrupt the learning environment of the school or present a threat to the safety and security of students and staff.
FIELD TRIPS
During the school year, students have several opportunities to attend field trips. Please remember that all field trips are a privilege and students must have good behavior, good attendance and completed classroom work to participate in a field trip. If a student is not permitted to go on the field trip, the child is expected to be at school for a regular school day. If a student has been suspended off of the school bus, he/she will not be allowed to attend the field trip.

GRADING SYSTEM
FIS use letter grades based on the percent correct. A five-point grading system will determine quarterly and yearly averages. Letter grades are assigned as follows:

- **A** = 100-90%
- **B** = 80-89%
- **C** = 70-79%
- **D** = 60-69%
- **F** = 59-0%

**Inc.** = All required work has not been completed.

Honor roll students will be those who have an average of 4.00 or above.

RESPONSE TO INTERVENTION (RtI)
RtI (Response to Intervention) is a process designed to help schools focus on high quality academic and/or behavioral interventions that are matched to student needs and monitored on a frequent basis. The information gained from our RtI process is used by school personnel and parents to adapt instruction and to make decisions regarding the student’s educational program.

The greatest benefit of an RtI approach is that it eliminates a “wait to fail” situation because students get help promptly within the general education setting. As soon as assessment data and/or classroom performance indicate a problem area for a student, interventions are put into place to address these concerns. Progress monitoring provides information that allows teachers to better evaluate student needs and match instruction, resources, and interventions appropriately.

Parents play a crucial part in the RtI process. Frequent communication with your child’s teacher is key. Discuss any concerns you and/or the teacher have regarding academics or behavior. Monitoring and assisting your child with homework assignments will allow you to implement or reinforce any strategies that are being used at school. Remember to praise your child for any progress or improvement in the area of concern.

PROMOTION TO NEXT GRADE OR RETENTION IN PRESENT GRADE
Illinois state law, enacted January of 1998, prohibits “social promotion,” which is moving a child to the next grade because of age, size, friends, etc. Learning standards are in place for all Illinois schools which are used to determine whether a student has earned promotion or whether, for the good of the student, he/she should repeat a grade to help ensure future successes in school. Several criteria will be reviewed to determine promotion or retention including:

- Individual circumstances and what is most beneficial for the student;
- Academic Progress;
- Passing reading and math yearly grades;
- Chronic Absenteeism;
- Behaviors which point to immaturity or which interfere with the learning process;
- Skills required for success at the next grade level are not yet achieved; and/or
- Not completing required work for that grade level.

To determine promotion to the next grade level, each subject and each quarter will be averaged to equal a final letter grade.

The school staff will try its utmost to keep parents abreast of their child’s situation regarding promotion or retention, but the decision to promote or retain a student is solely that of the school personnel involved.
CONFERENCES
If parents have questions or concerns about their child’s educational program or progress, they are most welcome to contact the teacher for a conference. A phone call to reserve a time is necessary to avoid schedule conflicts.

Communication with parents concerning a student’s academic performance is an essential part of any student’s assessment program. The school will keep parents informed if a problem should arise with the student’s academic or behavioral progress. We encourage parents to talk with their child’s teacher if concerns arise. In almost all situations, problems can be resolved at the parent/teacher level.

PERTINENT COURT DOCUMENTS
It is the responsibility of the parents/guardians to provide annually, and/or as the situation presents itself, copies of any court documents (protective orders, custody papers and etc.) pertinent to the well-being or education of their children.

YEARBOOK AND OTHER NOTIFICATIONS
Your monthly calendar letter or the school website will provide you with information and a reminder regarding school picture days. Yearbooks will be available to the students later in the school year. The cost of the yearbooks will be approximately $15.00. Personalized yearbooks are approximately $20.00.

FIS EXTRACURRICULAR
Athletic Events:
Good sportsmanship shall be demonstrated at all school athletic events. Booing, whistling, throwing objects and stomping the bleachers are considered unacceptable behavior. Parents should make prior arrangements with their child concerning transportation home. Students attending CJHS or FCHS sporting events are held to FIS school standards for conduct.

Athletic Participation:
FIS students who participate in school-sponsored athletics have certain requirements to fulfill in order to be eligible to play. Coaches will provide students who are sport participants with a copy of eligibility requirements and the athletic policy at the beginning of the season. Failure to uphold those requirements will result in the student being suspended from play until the student meets those requirements. Once the regularly scheduled games have started, teachers will complete an eligibility sheet. Parents are responsible for providing transportation to and from their child’s ballgames. Students must be picked up at the end of the ballgame. Any student that is not picked up by the end of the game(s), more than three times, will be dismissed from the team. Students must maintain a “C” average and not more than one F in all classes in regards to athletic eligibility.

STUDENT ATHLETE ATTENDANCE
Student athletes must be in attendance at school or at a school function on the day of the event to be eligible to compete. They must be in attendance for one half a day of an illness. Any suspended student may not be present on school grounds or athletic events for the duration of the suspension.

ATTENDANCE POLICY AND SYSTEMS OF SUPPORT

It is the mission of Central Junior High School to address the issue of Chronic Absenteeism. Chronic Absenteeism is defined as missing 10% or more of the school year for any reason, excused or unexcused.

All CJHS students will maintain a positive school climate that encourages attending school every day. We will provide opportunities for incentives based on good attendance. The Attendance Honor Roll will be named after each quarter and reported to the community. If a student is not called in as absent, a courtesy call will be made home to check on the student.

At five absences, a student will be referred for support and their attendance will be monitored. This may come in the form of a problem solving meeting or referral to the school social worker depending on the situation. Parents will be encouraged to take part in this process.

At nine absences, students will be referred to the Regional Office of Education for truancy services. CJHS will continue monitoring and working with parents.

Office Procedures
Students must be called in as absent as soon as possible. If you would like to have homework collected, please ask when you call in. It will take some time to collect it. Parents can pick up homework before the office closes at 4:00. Doctor’s notes must be provided. Doctor’s notes are required if a student is to be excluded from PE and when they are released to return to PE.

Tardiness: Being on time to class is very important. Students that arrive late to class may miss instruction or cause disruption to the class. Tardiness during the day will be handled by the teachers involved and will require a tardy pass to be excused. Each semester a detention will be given if you receive your 3rd unexcused tardy and for each one thereafter.

Absence to Attend a School Sponsored Activity: When students are going to be absent from any class or classes to take part in a school related activity, it is the students’ responsibility to make sure that they have contacted the teacher of any class that will be missed, prior to leaving for the activity. Furthermore, it is the student’s responsibility to complete all assignments requested by the teacher and to make arrangements for any make-up work, before leaving for the activity.

LUNCH HOUR
CJHS is a closed campus. Students must eat lunch at school unless their parent or guardian secures permission from the office in advance to take them off campus to lunch. Students are allowed to leave campus for lunch with their parent, grandparent, or guardian only. Students are not permitted to go to lunch with anyone other than parent, grandparent, or guardian.

Energy Drinks
Due to the adverse health effects of caffeine intoxication, energy drinks, shots, or supplements may not be consumed by students at school. Energy drinks are defined as any product advertised or promoted to boost a person’s energy or enhance their neurological functioning. Please see the address below to read the American Academy of Pediatrics’ guidance and recommendations.

Arrangements for food to be brought in for table parties during the lunch period:
1. Permission for table parties will only be granted on a child’s birthday and must be secured from the office at least a day before the planned activity by the parent or guardian.
2. Cafeteria supervisor must be notified.
3. The building principal shall have total discretion in determining the granting of permission to conduct the activity.
Students may purchase water after having completed their lunch. The chaperones will give permission to go to machines. No food or drinks may be taken into the gym or onto the grounds. Littering may result in machines being turned off.

Food and/or drinks, whether purchased at school or brought from home, cannot be taken outside or into the gym at any time.

Students who throw any food will be required to help clean tables for a minimum of 2 lunch periods.

Lunch Hour Pass: You must have a pass to be out of the Redbird Cafe or the gym during the lunch hour to go to your locker or to a classroom.

TEXTBOOKS
Once books are assigned, care of textbooks will belong to the student. It will be the student's responsibility to ensure that the assigned textbooks are not written in, damaged, or lost. Teachers will check textbooks for damage prior to assigning a student a textbook, at semester break, and prior to the end of the school year. The cost of repairing or replacing damaged or lost textbooks will be the responsibility of the student and parents. Fees for other textbooks will be determined based on a depreciating scale.

ANNOUNCEMENTS
Announcements are made daily in during first hour. Only announcements, which have the written approval of a faculty member, will be read. Announcements need to be in the office by 7:55 a.m.

Announcements received during the day to update extracurricular activities will be announced during class time so that students can make arrangements to notify their parents for transportation home. Class disruptions will be kept to a minimal for such announcements.

CONFERENCES
If parents have questions or concerns about their child's educational program or progress, they are most welcome to contact the school for a conference with the teacher. A phone call to reserve a time is necessary to avoid schedule conflicts.

Communication with parents concerning a student's academic performance is an essential part of any student's assessment program. The school will keep parents informed if a problem should arise with the student's academic or behavioral progress. We encourage parents to talk with their child's teacher if concerns arise. In almost all situations, problems can be resolved at the parent/teacher level.

LOST AND FOUND
Students who have lost or found items shall use the following locations:

A. Textbooks. . . . The northeast corner of the café, the library or classrooms
B. Clothing. . . . The northeast corner of the café.
C. Jewelry or other personal items. . . . the office

FEES
All pupils must pay a fee of $40.00 yearly to cover book rental, technology expenses, and assembly program expenses. In addition some additional fees such as a lab fee will be charged in individual classes for consumable items. Book rental does not cover the book damage or lost books. All damaged or lost books will be reported to the main office. All students are responsible for their textbooks. Please do not share or loan books to friends or other students.

Unpaid fees can result in the withholding of report cards or eighth grade diplomas. Parents and students can contact the office at any time to request a balance.

USE OF TELEPHONE
The use of the counter phone in the office is a privilege. It should be used only when absolutely necessary and students should have a hall pass that has been issued by a classroom teacher for the telephone use time frame. The phone is not for routine calls caused by a lack of planning or irresponsibility on the part of
the student. Books, homework assignments, gym clothing, lunch money, etc. should be placed in a designated place in the home in preparation for each day.

**HOMEWORK POLICY**

Homework is expected to be an extension of classroom learning that allows students further practice of skills or concepts taught. It allows students to have ownership of their learning and fosters confidence and competence in learning tasks. Students that complete homework assignments are showing responsibility and a commitment to their own learning. Homework completion is essential to the success of the student in any class. Late assignments may be accepted up to two weeks after the original due date and no later. Should a student have a medical issue interfering with the submission of an assignment after those two weeks, a doctor’s note will be required in order for work to be accepted.

Failure to complete homework will result in the assessment of points against a student as stated in the Disciplinary Policy. This could lead to disciplinary consequences such as Social Suspension.

Failure to complete homework will have an impact on a class grade. Homework may account for as much as 15% of a student’s total grade and could contribute to the failure of a class.

If a student is referred three (3) times for not completing homework, they will be required to attend Overtime after school to complete their assignments. Students must attend four (4) session of Overtime or they will be assigned lunch detentions until they do so. *This means that all after-school activities will be missed in order to catch up on assignments.*

**PHYSICAL EDUCATION**

All students shall take physical education unless there is a religious or medical excuse (written excuse signed by a physician or pastor). DOCTOR’S NOTICE MUST INCLUDE DURATION OF EXEMPTION AS WELL AS THE REASON FOR THE EXEMPTION. STUDENTS MAY BE REQUIRED TO GET ANOTHER SLIP IF THE DURATION IS NOT INCLUDED. It is the responsibility of the student to be dressed properly for gym (shorts, T-shirt, socks, and shoes). Seventh and eighth grade physical education will be coed and will meet DAILY.

**GRADING SYSTEM**

CJHS uses a five-point grading system TO DETERMINE SEMESTER AND YEARLY AVERAGES:

- A - 5 points = Excellent
- B - 4 points = Good
- C - 3 points = Average
- D - 2 points = Below Average
- F - 1 point = Failing
- 0 - 0 points = No Work
- Inc = All required work has not been completed

Honor roll students will be those who have an average of 4.00 or above

CJHS CLASSROOM GRADING SCALE IS AS FOLLOWS:

- 90 - 100 A
- 80 - 89 B
- 70 - 79 C
- 60 - 69 D
- 59 and below F

**Failing Grades**

Students that are failing classes at the end of each midterm will be mandated to attend Overtime for the remainder of the quarter.

Athletic Eligibility – Students failing one (1) class at each weekly grade check will not be allowed to participate in team contests. If they have been assigned to Overtime, they will miss team activities in favor of raising their grades.
PROMOTION/RETENTION

Promotion to the next grade level is based on credits. Each semester class is worth ½ of a credit. 7th grade students must earn 6 credits and 8th grade students must earn 7 credits in a full year to be promoted. This is in addition to the following requirements:

Student must pass a full year of:
- Math
- Literature
- English

Example for an 8th grade student:

This student would be promoted to 9th grade because he/she earned 7.5 total credits for the year and passed the required classes.

Semester Exams

Each semester class will end with a semester exam. The exam will count as 20% of the final semester grade. **All students will take semester exams for all classes. This will help prepare them for the rigor of high school course work and expectations. Semester exam grades will only be calculated in the gradebook to improve a student’s semester grade.**

MULTI-TIERED SYSTEM OF SUPPORTS (MTSS) / RESPONSE TO INTERVENTION (RtI)

Multi-Tiered System of Supports (MTSS) is an instructional framework that includes universal screening of all students, multiple tiers of instruction and support services, and an integrated data collection and assessment system to inform decisions at each tier of instruction.

These goals will be met in our Redbird Hour class period, which is part of every school day. Students will be assigned to a teacher for this class period based on their determined deficit area. In this class they will receive the support they need to overcome common secondary school troubles.

Students will be assigned to tier levels that will determine how much intervention is required. If students perform well and make progress they may move to a higher tier level. Tier 1 students are those students who possess core academic skills and are not a performance concern. Their MTSS class will focus on challenging activities that help utilize their skill set. Tier 2 students are those that lack some key skills and need some extra help. Activities in this class will be geared towards strengthening those minor areas of weakness. Tier 3 students are those that need intensive help for critical weaknesses. The setting will be small and involve very small group work. Students that cannot progress in this setting will be referred to the Problem Solving Team to determine further interventions.

How are student’s deficits determined?

The primary method for determining deficit areas will be the student’s performance on assessments. The scores will reveal reading and math problems. If a student is meeting or exceeding academic expectations, they will be placed in Tier 1. Students who are failing classes, struggling to understand concepts, stay organized or need homework support will be placed in a setting that best fits their needs.
Cell Phone/Device Policy
Students may use and possess their electronic devices in limited spaces. Electronics may be used in the morning before school and after school as they wait for the bus. During the school day, electronic devices and phones may not be taken into the classroom. They must be powered off and locked in the student’s locker. The school is not responsible for lost or stolen electronics. Repeated offenses of this expectation will result in the device being confiscated and returned only to their parent or guardian. Smart watches may be worn in class. This is assuming that the student’s phone is powered off and the watch will not be connected to their phone during class.

Social Media
The use of social media sites such as Facebook, Twitter, Snap Chat, etc. is prohibited during school hours. There are some activities during the year in which is it allowed but those will be announced ahead of time.

Emergency Protocol
In the event of a major incident that requires the activation of our emergency/crisis plan, parents should be informed that the school safety team has carefully designed safe areas for students to ensure their well-being. In many instances, it is not safe to come into the building or be near it when an incident is occurring. Please do not attempt to pick up your child from school during these times. This ensures the student’s and the parent’s safety.

Special Note: Parents may not be able to pick up their students during a tornado watch or warning dependent upon the conditions. Students will be in their designated safe areas. An automated phone call will go out to parents when students are allowed to return to class.

PLEDGE OF ALLEGIANCE
School law requires the Pledge of Allegiance to be recited each school day by pupils in educational institutions supported or maintained in whole or in part by public funds. The Pledge of Allegiance will be recited at the start of 1st hour each day.

TELEPHONE NOTIFICATION SYSTEM
Telephone Notification System: In an effort to improve communication, District 168 has instituted an instant telephone notification system each. The system will be used by school administration in the event of an emergency, to announce changes in the regular school day, and for general announcements. Parents must have an active phone number on file with the school office to receive messages. It is critical that a current number is on file for every student. In the event of a major incident, students may be relocated for safety purposes so being able to contact parents/guardians is very important.

PERSONAL ITEMS
Central Junior High School is not responsible for personal item brought to school by students. This would include any item that is not academically necessary to the school’s program. Additionally, students must adhere to the following:
- It is unnecessary to bring a hat to school. If you must, it must stay in the student’s locker.
- Sugary drinks and open containers of drinks may not be stored in a locker unless it is part of a lunch. It must remain sealed until it is consumed at lunch. Special note: water bottles are acceptable to have in your locker and may be taken into the classroom at the teacher’s discretion.
- Body sprays and spray deodorant may only be used in the locker room. They may not be applied in the hallway.
- **Backpacks must remain in lockers during the school day and may not be taken into classrooms with students unless special circumstances require it.**

DISCIPLINE POLICY
Central Junior High School is committed to creating a positive school and classroom climate through rewarding good behavior and correcting disruptive or inappropriate behavior. A positive school climate is
the key to helping student succeed academically and socially. To achieve this, school staff will promote positive behaviors and correct negative behaviors. Students are expected to follow classroom and school policies when it comes to behavior. These behavior expectations will be taught throughout the school day and over the course of the year. When students follow them they will be rewarded in a variety of ways. These might include but are not limited to:

- Homework passes
- Special field trips
- Student of the Month Recognition
- Special prizes or drawings

When students fall outside expected school appropriate behavior, systems of support will take place. For any given behavior referral, students will be assessed consequences based on the nature of the offense. Depending on the nature and severity of the behavior, we will follow the following general practice for correcting negative behaviors.

Teacher correction should be the first intervention on classroom behaviors. This may be a verbal warning or a formal referral that will lead to office managed interventions. Office managed interventions may include the following:

- Conference between the student, teacher, and principal.
- Conference with the student, parents and principal.
- Removal from the classroom environment for the remainder of the class period.
- Lunch detention may be issued depending on the offense. Lunch detention is served on the day notice is given and will last the entire lunch period. More than one detention may be assigned for a single behavior referral.
- Alternative Classroom (ACR) may be issued depending on the offense. This consequence is reserved for behaviors that may cause larger disruptions to the school environment or where student safety is concerned. Students are removed from the regular classroom setting and will complete their assignments with an assigned supervisor.
- Out of school suspension may be appropriate when the student’s presence at school will cause a substantial disruption to the safe operation of the school or disrupts the instructional environment on a school-wide level. Suspension will not exceed ten (10) days in duration and all assignments may be completed for full credit. A more complete policy on out of school suspensions can be found on page 22-25 of this handbook.

Restorative Practices
Students may be asked to participate in exercises that help them repair the relationships that are compromised by poor behavior. CJHS utilizes Think Sheets and Action planning to help students prevent further negative behaviors. Talk Circles have also been used to help students in conflict verbalize their concerns and talk out their needs and solutions. These practices are widely used to help reduce and prevent suspension eligible behaviors.

Social Work Services
If normal corrective effort does not help students reduce negative behaviors, a referral to the school social worker may be necessary. This will be done in consultation with the parents/guardian.

Social Suspension
If normal corrective effort and counseling services are not effective, a student may be Socially Suspended. This is the suspension of privileges for a period of twenty (20) school days. Social Suspension is defined as the following:

- Devices cannot be brought to school,
- No dances or field trips can be attended,
- and Students may not attend extracurricular events at school such as ball games.
BULLYING BEHAVIOR

Disciplinary action may be taken against any student who uses any form of aggressive or bullying behavior that does physical or psychological harm to another. The Olweus definition of bullying includes three important components:
1. Bullying is aggressive behavior that involves unwanted, negative actions.
2. Bullying involves a pattern of behavior repeated over time.
3. Bullying involves an imbalance of power or strength.

In his writings, Dr. Olweus is very clear that bullying is peer abuse that should not be tolerated under any circumstances. You can locate Illinois law on bullying at http://www.violencepreventionworks.org/public/laws_illinois.page.

Types of Bullying
1. Verbal bullying including derogatory comments and bad names.
2. Bullying through social exclusion or isolation.
3. Physical bullying such as hitting, kicking, shoving, and spitting.
4. Bullying through lies and false rumors.
5. Having money or other things taken or damaged by students who bully.
6. Being threatened or being forced to do things by students who bully.
7. Racial bullying.
8. Sexual bullying.
9. Cyber bullying (via cell phone or Internet)

Bullying is Not Teasing

It might be hard to tell the difference between playful teasing and bullying. Teasing usually involves two or more friends who act together in a way that seems fun to all the people involved. Often they tease each other equally, but it never involves physical or emotional abuse.

If a student feels they have been bullied or has witnessed bullying, they can report it anonymously to the principal using the SNAP box. The SNAP box is found online at: http://frankfortchj.sharpschool.net/staff_directory/principals_corner/contact_me/

ACCEPTABLE CLOTHING COVERAGE

The standard of dress and appearance for Central Junior High School students is a reflection of the following philosophy: “School is the business of youth.” Students’ attire should conform to standards appropriate to an educational workplace. Acceptable appearance at school is primarily a matter of good judgment on the part of both the student and his/her parent(s). In direct consideration and concern of student health and safety, extreme, provocative, or flamboyant dress is not acceptable.

As such, students are asked to adhere to these guidelines when it comes to student dress:
- Clothing must cover students from the shoulders down to **mid-thigh** length on their leg.
- All tops must have sleeves.
- No undergarments should be visible.
- Pants must be at the waist/hip level.
- Shoes must be worn at all times.
- No clothing that promotes drug or alcohol use may be worn.
- Nothing can be worn to cover the face such as hoods or handkerchiefs.
- Student dress that can communicate gang activity may not be worn.
- Pants/jeans with holes below the mid-thigh **may** be worn.

Students that are not wearing acceptable clothing will be addressed in a variety of ways. They may simply be asked to change into a PE shirt, or turn their shirt inside out. A call home for appropriate attire may be necessary or disciplinary consequence can be imposed for repeated violations.
To help ensure the health and safety of students and staff as we follow guidance from the Illinois Department of Health and the Illinois State Board of Education during the COVID-19 pandemic, all individuals in the school building must wear a face covering at all times that covers both the mouth and the nose. If a student does not have a mask, one will be provided to them by the school. If a student refuses to wear a face covering or is non-compliant, they will receive a verbal warning to wear the face covering appropriately. Excessive verbal warnings will result in a teacher calling the parents or guardians to notify them of the issue. If a student continues to refuse to follow the directions for face coverings, the principal will call the parent or guardian. If the student will not wear the face covering properly, they may be asked to move to a full-time remote learning option. If a student has a medical diagnosis or medical reason for not being able to wear a face covering, they should address that through the District's regular accommodation process.

**Clubs/Activity Membership and Expectations**

**Theater**
The Central Junior High School Theater Class is an exploratory class offered during the Fall Semester for seventh and eighth grade students. Students in this class not only can be an actor or actress in the musical, but also can help build and paint the set, run the sound, work backstage, do make-up, or work the lights for the production. They are taught vocal techniques, as well as how to present themselves on a stage in front of an audience. This class prepares the student for upcoming high school presentations like the FCHS Fall play and Spring musical.

**Beta Club**
Students must maintain an average of 4.5 or higher, have an attendance rate of 90% or higher, and have No detentions or ACR.

**DUSO Club**
Students must be in 8th grade and have taken DUSO as a 7th grader or will be taking it the first quarter of their 8th grade year. Student's behavior and character will be reflected on in determining the final club list.

I: WHO WE ARE

HISTORY OF FRANKFORT COMMUNITY HIGH SCHOOL

In 1919, West Frankfort High School and Frankfort Heights High School were consolidated to form the Frankfort Community High School. The West Frankfort High School had been located in the Central Building. The Assembly Room there also served as a classroom, study hall, and library. The curriculum was limited in that no commercial subjects, manual training, or domestic arts could be offered. The first graduating class in 1913 had only one member. The Class of 1914 had four students and produced the first yearbook.

The school was placed on the accredited list with the University of Illinois. At that time, the Frankfort Heights High School offered three years of work in the Logan Building, and seniors had to transfer to the “West Town” School.

The first year, the new high school remained in the Central Building. Fourteen students were graduated in the class of 1920. The faculty consisted of nine teachers and 147 students. At the beginning of that term, no football team could be organized because of a lack of material.

In September, 1920, the high school was moved from the Central School to the annex of the First Baptist Church for one year, while the present building was being constructed. The student body had grown to 236, of whom 16 were seniors, and football was organized for the first time.

On August 19, 1920, the cornerstone was laid for a new Community High School building. It was designed by the nationally-known school architect, Mr. William B. Ittner of St. Louis, Missouri. In the fall of 1921, 300 students moved into the current Frankfort Community High School.

In 1920, a transaction between a coal company and the school resulted in acquiring and athletic field several blocks north of the new school building. In 1939, the football stadium was constructed by the WPA at Johnson Field. It had an initial seating capacity of 1,200.

With a student body growing to more than 1,000 students, a 3-floor addition was added to the original high school in 1938 as part of a WPA project. It consisted of classrooms, shop rooms, a cafeteria, a study hall/library, and a music room.

Early in 1949, the construction of a modern gymnasium with a seating capacity of 4,000 was begun. It was dedicated on February 21, 1950. The new gymnasium enabled FCHS to offer its students an expanded program in physical education. It was named Max Morris Gymnasium in 1985.

In 1981, a new Vocational Building was constructed on the corner of North Lincoln and East St. Louis Streets. This facility has enabled FCHS to offer an expanded vocational curriculum.

The Verna Lee Burton Library was dedicated in the fall of 1994. With funds donated by FCHS graduate Robert Burton, FCHS was able to transform the former study hall area into an attractive, up-to-date library facility. The new library provided almost twice as much space as the former library. Technology improvements and updates were also part of the project.

The main building was air-conditioned and rewired during a 1999-2000 renovation project. In 2004-2005, Max Morris Gymnasium was renovated with a new heat system, plumbing, and wiring. Window replacements happened for most of the building in 2014.

With these changes, it is hoped these facilities will provide continued service to the West Frankfort area.

STANDING OF FCHS

The Frankfort Community High School is approved by the Illinois State Board of Education (ISBE) and is recognized by all major universities as an accredited school.
II: BECOMING A STUDENT AND A GRADUATE

REQUIREMENTS FOR ADMISSION

Admission to this high school may be gained in one of four ways: by diploma, by certificate from the Regional Superintendent of Schools, by examination, or by transfer of credits from another accredited high school. Custodial parents of transferring students are requested to be present during first-time enrollment.

RESIDENCY

Students are required by law to attend a school in the district of residence. The basic rule is that a student’s residency for purposes of public school attendance is the district in which the parents reside. If a student is not living with parents, the inquiry turns to whether the student is living in another district solely for the purpose of going to school in this other district. If the answer to this question is "yes," then the district of residence for this student who has moved away from his or her parents’ home nevertheless remains that of his or her parents for purposes of entitlement to attend public school tuition free. However, if the reason for the student’s living away from the parents is not solely to attend school in another district, then the student is entitled to attend tuition free in that district where he or she actually has a regular nighttime abode.

GUIDANCE AND SUPPORT SERVICES

The Guidance Office aims to assist all students by providing activities which aid students in making educational, vocational, and personal decisions. Students may voluntarily come for these services, be referred to guidance personnel, or be asked to come in for assistance. Parents are always encouraged to take advantage of guidance services. Please make appointments in advance.

For Special Education Services information, please contact Mrs. Jodi DeJarnett, the District Special Education Director.

TRANSFER OF STUDENTS FROM NON-ACCREDITED SCHOOLS

The following policy applies to all students who meet the residency requirements, wish to enroll in Frankfort Community High School, and are transferring from a school that is not accredited by the Illinois State Board of Education or the accrediting agency of another state:

A. The building principal or his designee has the right to place the student into the appropriate grade or class based on transcript review, standardized tests, proficiency examinations, and/or other diagnostic tools deemed appropriate.

B. The building principal shall determine whether a transcript of grades earned from a non-accredited school will be accepted as grades for credit toward graduation or if the student shall be asked to demonstrate his/her abilities in each class by the use of final examinations provided by members of the FCHS faculty.

C. Grades transferred to FCHS by a non-accredited school shall not be weighted.

CREDIT FOR PROFICIENCY, NON-DISTRICT EXPERIENCES, COURSE SUBSTITUTIONS AND ACCELERATED PLACEMENT

Credit for Non-District Experiences

A student may receive high school credit for successfully completing any of the listed courses or experiences even when it is not offered in or sponsored by the District:

1. Distance learning course, including a correspondence, virtual, or online course.
2. Courses in an accredited foreign exchange program.
3. Summer school or community college courses.
4. College or high school courses offering dual credit at both the college and high school level.
5. Foreign language courses taken in an ethnic school program approved by the Illinois State Board of Education.
6. Work-related training at manufacturing facilities or agencies in a Tech Prep Program.
7. Credit earned in a Vocational Academy.

Students must receive pre-approval from the building principal or designee to receive credit for any non-District course or experience. The building principal or designee will determine the amount of credit and whether a proficiency examination is required before the credit is awarded. Students assume responsibility for any required fees, tuition, supplies, and other expenses. Students are responsible for (1) providing documents or transcripts that demonstrate successful completion of the experience, and (2) taking a proficiency examination, if requested. The
building principal or designee shall determine which, if any, non-District courses or experiences, will count toward a student’s grade point average, class rank, and eligibility for athletic and extracurricular activities.

Proficiency Credit
Proficiency credit is available in limited subjects where a student demonstrates competency. Contact the building principal for details.

DUAL CREDIT OPPORTUNITIES
FCHS offers dual credit opportunities for classes through John A. Logan College. For more information on these offerings, contact the Guidance Counselor’s Office.

APPLIED TECHNOLOGY PROGRAMS
FCHS has articulated vocational / technical programs with John A. Logan College and Rend Lake College. Students may earn dual credit (both high school and college credit) in two of these programs. A brochure listing a sequence of high school and college classes is available in the Guidance Office at FCHS for each of these classes.

Some courses, which may be a part of a job shadowing, work-site learning, Education-to-Careers, or other similar learning experiences, may necessitate the parent or guardian assuming all responsibility and/or all liability for the student's travel to and from the worksite and school.

Enrollment in courses considered a capstone class is based on the instructor's recommendation. Capstone classes are those which are two periods long and for which students earn two academic credits. Some examples of the two-hour capstone classes for which instructor recommendation is required are, but are not limited to Agricultural Mechanics / Construction and Transportation I & II.

EXEMPTION FROM PHYSICAL EDUCATION REQUIREMENT [HS]
In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.

A student in grades 9-12 may submit a written request to the building principal requesting to be excused from physical education courses for the reasons stated below.
1. Enrollment in a marching band program for credit;
2. Enrollment in academic classes that are required for admission to an institution of higher learning (student must be in the 11th or 12th grade); or
3. Enrollment in academic classes that are required for graduation from high school, provided that failure to take such classes will result in the student being unable to graduate (student must be in the 11th or 12th grade).

Students with an Individualized Education Program may also be excused from physical education courses for reasons stated in on page 36.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practices Act, prevents his or her participation in the physical education course.

State law prohibits the School District from honoring parental excuses based upon a student’s participation in athletic training, activities, or competitions conducted outside the auspices of the School District. Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:
1. The time of year when the student’s participation ceases;
2. The student’s class schedule; and
3. The student’s future or planned additional participation in activities qualifying for substitutions for physical education as outlined above.

GRADUATION CREDITS
Students should accumulate a minimum of 6 credit hours per year, for a total of 24 credits after four years of attendance.
Students are classified by the above for the purpose of testing, homeroom assignments, and assembly seating. If any student, upon the completion of extra work or failure in work, should meet the above requirements, he or she may be moved from one group to another at the end of a semester; otherwise, changes will be made only at the end of the year.

GRADUATION REQUIREMENTS

To graduate from high school, unless otherwise exempted, each student is responsible for:

1. Completing all State mandated graduation requirements listed below.
2. Completing all District graduation requirements that are in addition to State graduation requirements.
3. Passing an examination on patriotism and principles of representative government, proper use of the flag, methods of voting, and the Pledge of Allegiance.
4. Participating in the State assessment required for graduation.

A minimum of twenty-four (24) credits are required for all students to graduate. The following subjects are required for graduation as part of the 24 credits.

- **English (C & L)** 4 credits
- **Math** 3 credits*
- **Science** 2 credits
- **Social Studies** 3 credits**
- **PE** 1 credit per year***
- **Health** 1/2 credit****
- **Drivers Education** 1/2 credit****
- **Freshman Seminar** 1/2 credit*****
- **Music/Art/Foreign Language** 1 credit

(2 credits earned must be in writing intensive courses – generally English classes)

* Algebra I must be 1 credit of the total and 1 credit must include geometry content.
** 2 Social Studies credits required from World History (1/2), American History (1/2), Civics (1/2), & American Government (1/2)
*** PE will be waived as a requirement if the student needs to take a class for graduation or college admission. If for physical or religious reasons, a student cannot participate in physical education and/or Drivers Education, these graduation requirements will be waived with no credit being issued. However, proper documentation by a physician or licensed minister, rabbi, or priest must be produced in writing and placed in the student’s permanent record folder. Such documentation must be received by the principal of the high school at the beginning of each school year or at the time it is applicable. Documentation must be updated yearly.
**** Assignment to Health and Drivers Education is predicated upon age as well as grade level. They may substitute for PE during the semesters they are taken.
***** Freshman Seminar will be a required class beginning with the Class of 2020.

In individual cases, a student may be able to take a correspondence course to fulfill graduation requirements. All correspondence courses must be pre-approved by the administration. The credit earned in these courses will not count when totaling quality points. Please see the Guidance Office for more information.

GRADUATION REQUIREMENT – Free Application for Federal Student Aid (FAFSA)

As a prerequisite to receiving a high school diploma, the parent or guardian of each student or, if a student is at least 18 years of age or legally emancipated, the student must comply with either of the following:

1. File a FAFSA with the United States Department of Education or, if applicable, an application for State financial aid.
2. File a waiver indicating that the parent or guardian or, if applicable, the student understands what the FAFSA and application for State financial aid are and has chosen not to file an application.

Upon request, the school will provide a student and his or her parent or guardian any support or assistance necessary to comply with this requirement.

A school district may award a high school diploma to a student who is unable to meet this requirement due to extenuating circumstances, as determined by the school district, if: (1) the student has met all other graduation requirements, and (2) the principal attests that the school district has made a good faith effort to assist the student or, if applicable, his or her parent or guardian in filing an application or a waiver.
GRADUATION REQUIREMENTS - Students with Individual Education Plans (IEPs)

The previously mentioned requirements do not apply to students with disabilities whose course of study is determined by an Individualized Education Program or students who are exempted from participation in certain courses in accordance with State law.

According to State Law, students with a current Individual Education Plan (IEP) that have completed four full years (8 semesters) of high school (grades 9-12) will be eligible to participate in graduation ceremonies with their graduating class, regardless of the number of credits earned or whether the student has completed the diploma requirements of his/her IEP.

Disabled students failing to meet requirements for their high school diploma but who do meet the four-year attendance standard will be issued a “Certificate of Completion” in lieu of a high school diploma. Students receiving a Certificate of Completion will be encouraged to return to school and complete credits required for their high school diploma.

Parents and guardians of students with disabilities will be notified in writing and in a timely manner of the district’s policies and procedures associated with this issue.

COLLEGE ADMISSIONS REQUIREMENTS

Students are responsible for meeting the entrance requirements of colleges and universities that they wish to attend. The Guidance Department can link student to many resources with up-to-date information available to parents and students. Since admissions standards vary widely from school to school, it is imperative that students and parents become informed about each school’s standards relating to test scores, class rank, grades, and high school course selection when choosing a school. Sometimes different admissions standards exist within one university or college, depending on the curriculum the student wants to study. Careful planning for college includes early contact with all potential colleges regarding specific admission standards.

4-YEAR COLLEGE PREPARATION: A college preparation program can be recommended which should satisfy basic admission requirements at most colleges and universities. Below is the required course pattern for admission to most Illinois public universities:

- 4 credits of English
- 3 credits of Mathematics (beginning with Algebra I)
- 3 credits of Science
- 3 credits of Social Studies
- 2 credits of electives (Music, Art, Vocational Education, or Foreign Language)
GRADUATION CEREMONY PARTICIPATION

The purpose of education is to prepare students to become productive citizens in the world beyond FCHS. After a student has finished his/her four years of hard work, the community recognizes these new citizens and his/her efforts with a proper graduation ceremony.

To participate in the graduation ceremony, all students must have fulfilled all FCHS requirements for graduation and must be in good standing with all other rules and regulations of FCHS. Students who leave FCHS to enroll in an alternative school setting for the express purpose of finishing graduation requirements at FCHS may not participate in the high school’s graduation ceremony.

We expect all students to achieve to the best of their ability, consider school as their first priority, attend every meeting of every class, complete all homework and class assignments, be fully prepared for each day, and conform to the Discipline Code. Furthermore, the State of Illinois compels 90% attendance and we believe that students will benefit from the increased education opportunities and morale of all graduates will be improved.

NCAA ELIGIBILITY REQUIREMENTS FOR ATHLETICS

Students, who plan to participate in athletics at Division I and II institutions, must meet the NCAA requirements, which include, among other requirements, successful completion of 16 core courses with at least a 2.0 GPA in those courses and a specific ACT score. These requirements change from time to time. Students should register with the NCAA Clearing House their Junior year. See the Guidance Office early and often for the current requirements.

PARENT CONFERENCES / WHO TO CALL IF THERE IS A PROBLEM

All parents are requested to visit the school and consult with the applicable staff person or teacher when student educational or behavior problems become difficult. In many cases, such issues are more easily solved when parents, their students, and school authorities meet at an early date and cooperate in finding ways to reduce the seriousness of the problem. Please call the school and a time for a meeting will be set up at the earliest convenient time for the parent and the staff member.

If there is a student problem, please contact the teacher or staff member first. If the issue cannot be resolved, please contact the principal or assistant principal. If the issue is still not resolvable, please contact the superintendent.

COLLEGE VISITS

Seniors are allowed two college visits. Juniors are allowed one college visit. The visit must be pre-approved by the guidance counselor, who will provide a form that must be signed by the parent/guardian. Students must provide documentation from the college/university/tech school they visit and give it to the guidance office WHEN they return to school. Each approved visit will be considered a school activity day for attendance. Any additional request must be approved by the high school principal.

SCHEDULE CHANGES

Since considerable time is devoted to the selection of courses offered each year, changes in course requests will not be granted for any of the following reasons: 1. to change teachers; 2. to be with friends. Occasionally, scheduling problems develop, such as conflicts between classes or actual scheduling errors. These types of schedule changes, being administrative in nature, will be made. Any first semester schedule changes from the planned course requests must be made in writing before the first day of attendance. To drop or add a class, you must complete and return to the Guidance Counseling Office, a Schedule Change Request form. Second semester changes must be made before the first day of the second semester. There will be No Schedule Changes after the semester begins, other than those that are administrative in nature or as requested by a teacher.

FRANKFORT COMMUNITY HIGH SCHOOL GRADE SCALE

Grade Weighting and Quality Points

Definition:
A system to recognize and to report differences in achievement and effort and to encourage students to take courses that challenge them to their highest potential.

The percentage system is not used at this school. Instead a weighted point system is used. Values are as follows:
The weighted courses are noted in the course descriptions located in the Guidance Office. To remain in a weighted class, a student should maintain a "C" average during the first midterm grade report of each semester.

Students in the class of 2016 and beyond will only receive a maximum of eight weighted credits (16 semester hours) toward his/her GPA.

The Quality Point System applies to all classes. Class rank, college applications, resumes, and academic awards for each of these classes will be based on cumulative quality points. This same cumulative quality point system will be used for selecting valedictorian, salutatorian, and the top ten students of each class.

Grade point averages will only be used for determining the semester honor roll.

GRADE REPORTS

The teacher’s grading policy; overall class participation; and work done in recitation, laboratory, tests, preparation of notebooks, written or oral reports, etc. will all be taken into consideration when determining grades.

An examination is given in each subject at the end of the semester. In general, this examination counts 20 percent in determining the final semester grade. Report cards will be mailed or given to students during a homeroom session on the Wednesday following the end of the grading period. The final report cards will be distributed to students by their homeroom teachers at 8 a.m. on the last day of school.

At the end of each quarter and semester, every student is given a grade, except when the student has been absent for an unavoidable cause that resulted in his or her failure to complete the minimum amount of work required for successful course completion. The teacher may give, at his or her option, an incomplete (I), with the provision that the "I" shall become an "F" unless the work is made up before the end of the following quarter, or before such as the teacher concerned may require.

HONOR ROLL

The Honor Roll is recognition given to students for superior scholarship. Pupils who have an average of at least 4.75 with no grades of "D" or below are placed on the Honor Roll, while those having an average of at least 4.2 with no grades of "D" or below, are placed on the Honorable Mention Roll. All grades will be counted in figuring the Honor Roll.

SEMESTER EXAMINATION SUMMARY

1. Every course (unless granted special exemption by the department chairperson and principal) shall conclude with a final exam at the end of each semester. Other formal methods of evaluation may be used in addition to the written examination if approved by the department chairperson and the principal. When other forms of evaluation are approved, their percentage of the total exam grade is also to be approved. Other forms of evaluation may include, but are not limited to, the following:
   A. Take-home examination, which gives appropriate evidence of course mastery.
   B. Creative product (written, constructed, or performed) that gives appropriate evidence of course mastery.
   C. Oral examination that gives appropriate evidence of course mastery.
2. Certain courses may be exempt from the final examination requirements through justification and with special approval by the appropriate department chairperson and principal.
3. Final examinations will count one-fifth of the semester grade.
4. Although all students are encouraged to take semester examinations to attempt to improve their final semester grades, any student who meets ALL of the conditions listed below may, at the discretion of the teacher, be exempt from 2nd semester examinations with parental approval
   a. Meet one of the following criteria:
      1) Students with an ‘A’ average, missing no more than five (5) days in the semester,
      2) Students with a ‘B’ average, missing no more than three (3) days in the semester,
      3) Students with a ‘C’ average, missing no (0) days in the semester.
   b. Record no more than three (3) tardies total in that period for the semester.
c. Be assigned less than three (3) lunch detentions for the entire year.

d. Be assigned zero (0) times to ACR during the entire school year.

e. Be assigned zero (0) Out of School Suspensions for the entire year.

f. Final examinations normally may not be taken in advance of the regularly scheduled time. The principal must approve postponing the taking of final examinations for reasons other than illness. Exceptions will be made only in emergency or severe hardship situations. First semester examinations that are missed must be made up as soon as possible. Second semester examinations that are missed must be made up by 2 weeks after the completion of school or at the discretion of the teacher.

* Finals required by a college or for dual credit do not apply.

** Seniors who score 1050 or above on the SAT are exempt from Fall semester exams provided that the student meets the current attendance policy and disciplinary policy and has a “C” average going into exams.

** Juniors who earn a “Meets” or “Exceeds” on the Illinois Science Assessment are exempt from their Senior, Fall Semester examinations provided that the student meets the current attendance policy and disciplinary policy and has a “C” average going into exams.

PHYSICAL EDUCATION CLASS EXPECTATIONS

All students assigned to physical education are responsible for being properly dressed (shorts/athletic pants, t-shirts, socks, tennis shoes) daily and participate. Students who are ill or injured must present a doctor’s notice that must include duration of exemption as well as the reason for the exemption. Students may be required to get another slip if the duration is not included. Written work may be assigned if duration is for an extended period of time.

II: EVERYDAY INFORMATION

METAL DETECTOR SEARCHES

Notice is given that all individuals must be required to submit to a screening for metal as a condition for entry to School District property. The screening will be conducted by School District staff, who may be assisted by law enforcement personnel.

STUDENT DRESS

The standard of dress and appearance for Frankfort Community High School students is a reflection of the following philosophy: "School is the business of youth." Students’ attire should conform to standards appropriate to a business.

In direct consideration and concern of student health and safety, students will not be allowed to exhibit excessive body-piercing jewelry or adornments while attending school. The administration will be the sole authority in determining what is, or not, “excessive.”

In the interests of safety and/or preservation of the proper learning environment, individual teachers may require specific restrictions upon student attire for their classroom. Students are expected to abide by these guidelines. Violation of these rules will be considered misconduct.

To insure the orderly process of the school’s function, health, and safety, the following personal habits will be stressed. Students should be covered from the shoulder to mid-thigh. Clothing must cover upper (cleavage) and the lower (midriff) torso at all times. In addition, all shirts and blouses must have a sleeve. All areas of the underarm should be covered. Shorts and skirt length must extend to at least mid-thigh. Yoga pants, leggings, jeggings, and the like can be worn as long as the shirt worn with them completely covers the buttocks.

Examples of unacceptable clothing include but are not limited to see-through clothing, undergarments that are visible, swimwear, sleepwear, undergarments worn as outer garments, headwear, t-shirts with obscene or suggestive words or symbols, mini-skirts, tennis skirts, short dresses or short shorts, full body length trench style coats, extremely loose fitting clothing, wallet chains, or jewelry made with chains or spikes which could be used as a weapon.

In cases where student dress creates a disturbance, is a safety hazard, or restricts a student from doing his or her best work, the student will be asked to change. If they refuse, the parent will be called and the student will be subject to disciplinary procedures in accordance with the handbook.

To help ensure the health and safety of students and staff as we follow guidance from the Illinois Department of Health and the Illinois State Board of Education during the COVID-19 pandemic, all individuals in the school building must wear a face covering at all times the covers both the mouth and the nose. If a student does not have a mask, one will
be provided to them by the school. If a student refuses to wear a face covering or is non-compliant, they will receive a verbal warning to wear the face covering appropriately. Excessive verbal warnings will result in a teacher calling the parents or guardians to notify them of the issue. If a student continues to refuse to follow the directions for face coverings, the principal will call the parent or guardian. If the student will not wear the face covering properly, they may be asked to move to a full-time remote learning option. If a student has a medical diagnosis or medical reason for not being able to wear a face covering, they should address that through the District's regular accommodation process.

PERSONAL TRANSPORTATION TO AND FROM SCHOOL

Cars and Parking

Student parking on the FCHS campus is a privilege for students. Failure to adhere to the parking regulations, unsafe driving, or improper use of the vehicle will result in penalties, restrictions, calling law enforcement, and/or removal of the parking privilege and reserved space. Revocation of parking privileges is non-refundable in every case. With the purchase of a student parking permit and the signing of the parking agreement, the student gives to proper school officials the consent to search the student’s vehicle or the vehicle under the student’s control while the vehicle is parked with or without cause on behalf of the school officials. Parking regulations are for the protection of all students. Pupils should realize that their parents or guardians are responsible for damages that may result from their carelessness.

1. Parking permits will be sold at senior and junior registration. Student parking spaces will not be held for incomplete fees or inconclusive vehicle information. Sophomore students will only be allowed to obtain a permit under the following criteria:
   a. Availability of student parking space
   b. Class attendance
   c. Proper and responsible student behavior
   d. Academic progress

2. A $20 non-refundable fee will be charged to purchase a student parking permit. This permit will be good for one complete school year provided the student has not violated the parking rules and regulations. If a permit is lost, a replacement may be purchased for $10.

3. The speed limit on all FCHS property is five (5) miles per hour. Any student that is that is observed speeding on campus will have their parking privilege suspended for a period of time to be determined.

4. Once a vehicle is properly parked, all persons in the vehicle must vacate it immediately and clear the parking lot. Students are not to be in the parking lots until lunch or until the end of the school day without an authorized pass from the office. Students are not to loiter in the parking lot.

5. Parking tags are non-transferable. They are to be used only by the person to whom they are issued and only on family-owned vehicles that are properly registered.

6. If a student allows another student to park using a registered tag, it will be revoked for the remainder of the school year. The student that is using another student’s tag will not be allowed to park on school property until the second semester of the following year.

7. If a tag is found on a non-registered vehicle, the tag will be suspended for nine (9) weeks. If you will be driving a different vehicle to school, you must obtain an ADD-ON form from the office as soon as you get to school.

8. Parking tags must be hung on the rearview mirror with the I.D. number facing towards the front of the vehicle. If not, you will be subject to a minimum of one-month revocation of parking privileges.

9. Students must park only in their assigned lot. No other students may park in any vacant spot between 7 a.m. and 4 p.m. on any school day. Faculty, staff, and administrative parking spaces around and behind the school and gymnasium are reserved for their specific school purposes. These spaces are not to be used by anyone else between 7 a.m. and 4 p.m. If a vehicle is in an assigned parking area, report the description of the vehicle to the office personnel immediately. Please, do not park in someone else’s space and add to the problem.

10. Once a vehicle is properly parked, the vehicle may only be moved to leave during the lunch period or if signing out. Students are prohibited from driving between school buildings during the school day.

11. Parking privileges begin the first day of school and terminate on the last day of school. Reserved parking is not in effect during any extra-curricular activities, weekends, or holidays.

12. PARKING PRIVILEGES COULD BE REVOKED FOR THE FOLLOWING REASONS:
   a. Unusual number of tardies;
b. ACR assignment;
c. Out-of-School Suspension;
d. Careless or reckless driving;
e. Any use, possession, or distribution of alcohol, tobacco, or drugs on any FCHS property;
f. Loitering in the parking lot;
g. Using the vehicle to leave campus without permission;
h. Littering on school property (You are responsible for keeping your space clean);
i. Unauthorized transfer of parking tag and/or privilege;
j. Vandalism of any sort to any property or vehicle; and/or
k. Lack of academic progress.

TOWING POLICY
If a vehicle is found parked in a lot or area and does not have a valid parking permit for that area, the vehicle will be towed immediately.

If students are parked without a permit they may face a range of consequences from being asked to move the vehicle to having the vehicle towed.

In addition, student drivers should remember the following:
1. Leave ample room from all intersections and driveways.
2. Observe the traffic law and ordinances of the state and city, such as not carrying passengers on the exterior of cars, not overcrowding cars, not indulging in speeding or reckless driving, etc.
3. McClelland Street (between the gym and the school): Students SHOULD NOT be driving through that area during the hours of 8:00 a.m. to 3:30 p.m. when school is in session.

BICYCLES AND SKATEBOARDS
If a student rides a bicycle to school, it should be parked in the bike rack that is behind the northeast corner of the main building. Students riding skateboards to school should check them into the office.

Students should not be riding bicycles or skateboards during the lunch period unless they are going to or from their lunch destination.

CELL PHONES
The complete district policy concerning cell phones can be found on page 26 of the handbook. In addition to that policy, the following rules apply at FCHS.
1. Cell phones may not be used in the classroom setting at FCHS.
2. Cellular devices may be used before school, in the hallway during passing periods, at lunch, and after school.
3. The use of social media sites such as Facebook, Twitter, Snap Chat, etc. is prohibited during all school hours. There are some class activities during the year in which it is allowed, but those will be approved by the administration and announced ahead of time.
4. The use of cell phones as a camera, video camera, or recording device is prohibited during all school hours. There are some class activities during the year in which it is allowed, but those will be approved by the administration and announced ahead of time.

CHECK OUT PROCEDURES
If a student needs to leave campus 1st – 4th periods or 6th – 8th periods, they are to sign-out in the office. They are to follow one of the following procedures:

A. Procedure #1
1. The parent calls the school phone or stops by the school office and requests for the student to leave (i.e. for a dr. appt.).
2. Office staff will notify the student’s teacher for them to come down to the office.
3. Student will sign out.

B. Procedure #2
1. The student may ask the teacher if they can go down to the office so they may call a parent/guardian for permission to leave.
2. School office personnel will talk to the parent granting permission.
3. Student will sign out.

Students leaving for regularly scheduled off-campus class or practice do not need to sign out in the office.
CONTACTING YOUR STUDENT DURING THE SCHOOL DAY

Students cannot be called from class to take phone calls except for emergencies. Incoming calls should be made to the school at 932-3126. The messages will be taken and information relative to the phone call will be relayed to the student. Students are only allowed to use the phone in the office for emergency situations. Unless possession of a pass from a teacher, administrator, or other school officials, students should not be out of class making phone calls during time when class is in session.

ROOM NUMBERS

All of the rooms on the first floor are numbered from one hundred; those on the second floor from two hundred; and those on the third floor from three hundred. Even-numbered rooms are on the east side of the building, and odd-numbered rooms are on the west side. Girls’ restrooms are on the east side of the building and boys’ restrooms are on the west side of the building.

THE SCHOOL ELEVATOR

The school elevator was installed to assist those people who have difficulty ascending/descending the stairway.

1. To obtain a pass to operate the elevator, a written request from the family physician must be presented in the main office. The request should explain the need for the elevator and stipulate the number of days the elevator will be required.

2. Careful attention should be given to the operating procedures and precautionary rules concerning the use of the elevator.

It is intended to carry one handicapped person and one attendant at a time. Unauthorized persons should not use the elevator.

LOCKER INSPECTIONS

It should be clearly understood by all students that when lockers are assigned, they remain the property and responsibility of the school district. The Board of Education reserves the right to inspect, through their agents (administrators), any or all lockers. This will be done whenever necessary, to insure the safety, cleanliness, and well-being of the student body.

BACKPACKS

Students are allowed to bring backpacks to FCHS and store them in their lockers during the school day. Students will not be allowed to take their backpacks to class. Students are allowed to carry a pencil bag and/or small purse/handbag to class. Large purses/handbags will not be permitted on the FCHS campus. The determination of whether or not a small purse/handbag is appropriate to take to class will be determined by the FCHS administration. Athletic bags must be stored in the Main Office in the designated space during the school day.

Individuals may be required to submit their backpacks to a screening for metal as a condition for entry to School District property that will be conducted by School District staff, who may be assisted by law enforcement personnel.

TEXTBOOKS

Textbooks are rented. If, at the end of the year, the books show more than normal "wear and tear," students will be asked to pay an additional amount to cover the expected life of the book. Students are responsible for textbooks left unattended or stolen from them. Textbooks are returned to the teacher of the course in which the textbook is used. If a textbook is missing, the student must present to the teacher a receipt for payment before the student's final examination can be graded. Willful and wanton destruction of school property will not be tolerated. If restitution is not made, the States’ Attorney will be contacted.

LOST AND FOUND - STUDENT RESPONSIBILITY

Although the school will make an effort to recover lost property, it assumes no responsibility. All students are furnished lockers with good locks and must assume full responsibility for their property. To protect their interests, students should keep secret their lock combinations, keep their lockers locked at all times, and, immediately upon finding locks or lockers defective, should report it to the main office or to the custodian, so that repairs can be made.

Any student who finds a lost article should take it to the office where the owner may claim it upon proper identification.
ASSEMBLIES

Assemblies will be called to celebrate special occasions, to hold pep sessions, to see skits or class plays, to see lyceum programs, and view other activities of interest to the entire student body.

The Student Body President (SBP) presides at all assemblies. The SBP announces the opening of an assembly, leads the student body in the Pledge of Allegiance, and explains whether there is to be a speaker or an entertainer. At the close of the assembly, the SBP tells the pupils when to leave the auditorium and to which class they are to go. The pupils should not leave their seats until after the SBP’s announcements.

Pupils must sit in regularly assigned assembly sections unless otherwise instructed. Absence from any assembly without permission is truancy.

Each teacher is expected to check their students’ attendance and is responsible for the behavior of his or her homeroom pupils. During pep sessions, all teachers who have an assigned homeroom seating area in the auditorium will monitor any students sitting in that area.

ASSEMBLY SEATS

Assembly seats will be assigned by the homeroom teacher at the beginning of the fall semester. The general seating arrangement is as follows:

SENIORS ................................................................. Downstairs - Center Section
JUNIORS ................................................................ Downstairs - East Section
SOPHOMORES ................................................................ Downstairs - West Section
FRESHMEN ........................................................................... Balcony

CAFETERIA

This school is proud of its Cafeteria. For student convenience it is operated during lunch period and during breakfast (7:30 a.m. – 8:05 a.m.). Food is prepared by skilled cooks with student help in the serving of meals.

State and County health regulations prohibit all personnel except cooks, cafeteria workers, and supervisory personnel from being in the kitchen area.

LUNCH HOUR

All freshman students and those who have freshman credits will be required to stay on campus for lunch each day. Students are not allowed to loiter on private property while going to or from school, during their lunch hour, or between classes. Students may be in the cafeteria or in the auditorium on the first floor of the main building. Students should not sit on the stairs and should not block hallway traffic.

LIBRARY

The Verna Lee Burton Library is a modern, multi-purpose, learning facility for FCHS students. The “new library” was created in 1994 when funding from alumnus Robert G. Burton made it possible to renovate the old study hall. The new facility was named in honor of Verna Lee Burton, Robert Burton’s mother.

The library houses a collection of over 6,000 books, as well as magazines, audiovisual materials, and digital resources. This collection is designed to support the curriculum and to promote information literacy and recreational reading among students. The library’s online catalog is accessible through computers in the library, classrooms, and computer labs.

Through our membership in the Shawnee Library System and ILLINET, students can also obtain materials from other Illinois libraries, free of charge.

Students may check out books and other materials for schoolwork or recreational reading. Most books may be checked out for four weeks, with one renewal period. Books that have not been returned two weeks after the due date are considered lost. The patron will be billed for the replacement costs.

The library is open from 8:00 a.m. to 3:30 p.m. Hours can be extended when needed by arrangement with the librarian.

STUDENT ABSENCES

All student absences must be verified by a parent/guardian calling school to state the reason for the absence. Parents/guardians should contact the school by calling 932-3126 and choose the “attendance” option. Absences not verified by phone within 24 hours will be recorded as unexcused. Non-verified absences are subject to disciplinary action.

Parent/guardians calling to verify an absence should state his or her name, the student’s name, reason for absence, and a phone number where parent can be reached for further verification if required.

All students returning to school after an absence must first report to the main office.
5-DAY POLICY

Students are required to be in attendance every day school is in session. Parents may call to excuse their child from school up to five (5) days per period per semester. After five (5) days, an absence from school will require a doctor’s note to be excused. Absences documented by physician’s note and funerals within family do not count towards the 5-day limit. Notes from physicians will required medical documentation of physical or emotional conditions causing such an absence. Students violating the policy will be referred to the county’s Truancy Officer.

Any absence from class as a result of a school-sanctioned activity is not recorded as an absence.

Excused absences are defined as:
1. Illness;
2. Death in Family;
3. Religious Observances; or
4. Family Emergency - explanation required to the administration.

ATTENDANCE AND EXTRA-CURRICULAR ACTIVITIES

Participants in extra-curricular activities must be present at school the day of the event to be able to participate. This includes Athletics, as well as all other student activities, including, but not limited to: field trips, performances, and club or class activities. They must be in attendance for one half a day of an illness.

PERFECT ATTENDANCE

A student is said to have perfect attendance if he or she is not absent from any class on days of attendance and has not been counted tardy to any class more than once during the school year. Two instances of tardiness shall be counted as one period of absenteeism.

ACADEMIC INTEGRITY

Cheating and Plagiarism Policy

It is expected that all students enrolled at FCHS will practice integrity and honesty in all aspects of their lives. The field of academics is one of the primary areas in which integrity of performance is vital. Honesty in the classroom is an integral part of character development and involves students taking full responsibility for their own work based on teacher expectations. Violations of academic honesty or cheating include, but are not limited to:
1. Copying from another student’s written work, homework assignments, papers, projects, lab reports, quizzes, tests, etc.
2. Allowing your own work to be copied.
3. Giving, receiving, or asking another student for answers for tests/exams, etc.
4. Using or consulting unauthorized equipment, devices, or programs such as cell phone text messaging.
5. An attempt to help another student commit an act of academic dishonesty.

Other examples of academic dishonesty which are not allowed and which carry serious consequences include, but are not limited to:
> Using programmable calculators
> Using “crib sheets,” sometimes hidden ingeniously
> Writing answers on articles of clothing, shoes, skin, or possession
> Looking at someone else’s paper
> Paying others to write papers
> Submitting the same paper for credit to more than one class
> Openly talking during tests
> Leaving answers on computers
> Theft of examinations

Plagiarism

Plagiarism is defined as the representation of another’s work as one’s own. It is one of the most serious forms of academic dishonesty. It is stealing the words or ideas of another and passing them off as one’s own. Examples include copying material from the internet such as an essay, report, or paper, and presenting it as your own work. Whenever a student submits a piece of writing claiming original authorship, it is understood that the student is claiming that all the ideas, opinions, facts, figures, conclusions, revisions, and words are the student’s original work, unless the student explicitly indicated otherwise via footnotes, attribution in the text, and/or appropriate quotation marks. Failure to acknowledge the contribution of the original author is an act of dishonest deception for which a student can be
disciplined under the academic dishonesty policy of the school. Upon ascertaining that academic dishonesty has taken place, the faculty member should inform the student that such academic dishonesty has been detected. **STUDENTS INVOLVED IN CHEATING OR PLAGIARISM WILL RECEIVE DISCIPLINARY CONSEQUENCES RANGING FROM:**

1. Zero credit for the test or assignment.
2. Written notification sent to the parents/guardians by the classroom teacher.
3. Days of assignment by the administration to ACR.

If the offense is committed in an Advanced class, the student will be removed from the class and placed in an alternate setting at the semester.

**STUDENT GOVERNMENT**

Elections for certain student government offices normally take place late in the spring semester. Any student wishing to carry a nominating petition for Student Body President or Class Officer, must first secure and complete a permit slip. In addition, he or she must meet the following criteria:

a. have credit completion which meets or exceeds the appropriate grade level for each position,
b. have a 3.75 grade point average or better, c. have 90% attendance,
c. have 0 days of in-school suspension,
d. have 0 days of out of school suspension

e. have no arrest record,
f. be actively involved in the school community, as determined by the Student Council sponsor,
g. have demonstrated ability in leadership, and
h. must be a good citizen, as determined by the administration.

Except for the Freshman class, Student Council and other class officer elections will be held late in the Spring Semester. Freshman class officer and student council member elections will be conducted at the beginning of the Fall Semester.

**STUDENT BODY PRESIDENT**

If a student is approved, then a petition blank will be granted. Any nominee receiving a semester grade of D or F in any class during the fall semester of his or her junior year is not eligible to run for this office.

After petitions are filed in the office, the names of the candidates will be placed on the ballot alphabetically for the student body to elect their student body president. There will be no write-in votes counted. An appropriate forum will be held to introduce nominees to the student body and each nominee alone will be required to make an approved speech. Seniors will be exempt from voting for Student Body President.

Once elected, the Student Body President is expected to meet the standards required to run for the office.

**SOCIAL ELIGIBILITY**

Participation in school-sponsored functions and extracurricular activities is considered a privilege. In order to participate in these activities, students must meet the requirements listed below. This includes but is not limited to dances, sock hops, field trips, and sporting events. Eligibility will be checked at the midterm and the quarter and students will be notified of their ineligibility. Students will be socially ineligible until the next midterm or quarter grade check.

FRANKFORT COMMUNITY UNIT SCHOOL DISTRICT #168
ATHLETIC AND EXTRA-CURRICULAR ACTIVITIES CODE

INTRODUCTION:
Student participation in the Frankfort Community Unit School District #168 Athletic and Extra-Curricular Activities Program is a privilege, not a right. This Athletic and Extra-Curricular Activities Code applies, where applicable, to all school sponsored Athletic and Extra-Curricular activities that are not part of an academic class nor otherwise carry credit for a grade. The Board of Education will follow the rules and regulations of the Illinois High School Association (IHSA), Southern Illinois Junior High School Athletic Association (SIJHSAA) (if applicable), the conference, and the policies of the Board. In the case of a conflict between the IHSA and this code, the most stringent rule will be enforced.

RISK STATEMENT:
Parents and guardians of children who wish to participate in the Frankfort Community Unit School District #168 Athletic and Extra-Curricular Activities Program must recognize and acknowledge that such participation involves certain risks of physical injury to their children. These risks of injury include the possibility of death, neck, and spinal injuries which could result in partial or total paralysis, brain damage, eye, dental, hearing, and other head injuries, and injuries to the body’s nerves, blood vessels, muscles, bones, and any other organs or tissues of the body, including internal and external organs.

REQUIREMENTS TO PARTICIPATE IN ATHLETIC ACTIVITIES:
A student must meet all academic eligibility requirements and have the following fully executed documents on file in the school office before being allowed to participate in any athletic activity.
1. A current certificate of physical fitness issued by a licensed physician, an advanced practice nurse, or physician assistant.
2. Proof the student is covered by medical insurance.
3. A signed acknowledgment by the student and the student’s parents/guardian authorizing compliance with the District’s Extra-Curricular and Activities Code.
4. Signed documentation agreeing to comply with the School District’s policies and procedures on concussions and head injuries.

EXPECTATIONS:
A. Attendance at school, practice, and contests.
   ▪ Students must be in attendance for at least one-half of the school day or at a school function on the day of an event to be eligible to compete unless permission has been given in advance by an administrator.
B. Compliance with the Illinois High School Association (IHSA) requires that:
   ▪ Students must pass twenty (25) credit hours of high school per week.
   ▪ Students must have passed twenty (25) credit hours of high school work the previous semester to be eligible for the ensuing semester.
C. Compliance with the Southern Illinois Junior High School Athletic Association (SIJHSAA) requires that:
   ▪ Students must adhere to all rules of the SIJHSAA.
   ▪ Students must have a 2.0 grade point average at the end of the quarter grading period to be eligible for the ensuing quarter.
D. On weekly grade checks any student with 2 or more F’s is automatically ineligible.
   ▪ Students that are academically ineligible 3 times during the one season will be removed from the team. They will not receive an athletic award for that season. The student will also have to attend athletic tutoring. The student may try out for sports the next season in which they wish to participate.
E. Adherence to all rules set forth in the student handbook.
F. Conduct becoming of being a District #168 representative, including respect of self and other persons and properties at all times.
G. Refrain from the use or possession of tobacco products, alcohol, vape products, and other drugs, as outlined in Code of Conduct section below.

CODE OF CONDUCT:
This Code of Conduct applies to all athletic and extra-curricular activities and is enforced 365 days a year, 24 hours a day. This code does not contain a complete list of inappropriate behaviors. Violations will be treated cumulatively, with disciplinary penalties increasing with subsequent violations. A student may be excluded from athletic and extra-curricular activities while the school is investigating the student's conduct.

The student shall not:

DISCIPLINARY REVIEW PROCEDURES:
Students who are accused of violating the Code of Conduct are entitled to the following process:
1. The student and/or parent/guardian should be informed, (verbal and/or written notification) of the disciplinary infraction with which the student is being charged.
2. The student shall be entitled to a review before an appropriate administrator(s).
3. The student will be able to respond to any allegations leveled against him or her.
4. The student may provide any additional information he or she wishes for the administrator to consider.
5. The administrator, with the help of other staff members if needed, may interview material witnesses or others with evidence concerning the case.
6. If the administrator finds, after reviewing the evidence, that the violation occurred, he or she will impose sanctions on the student, as follows:
   a. **Sanctions for violations other than those found in letters b, c, and d listed below:**
      Will be based on the nature of the offense and the number of offenses, and may include suspension from all athletic and extra-curricular activities for one of the time periods described below:
      - a specified period of time or percentage of events, performances, activities, or competitions;
      - the remainder of the season or for the next season; or
      - the remainder of the student’s school career.
   b. **Sanctions for Tobacco** (including e-cigarettes, vapor cigarettes and look-alike tobacco products):
      1. **First offense** – the student will be suspended from competition for 20% of the regular season contests of the sport or activity in progress or the next sport or activity in which the student will participate. If the infraction occurs with less than 20% of the season remaining, the remaining percentage will be served during the next sport or activity in which the student will participate.
      2. **Second offense** – the student will be suspended from competition for 50% of the regular season contest of the sport or activity in progress or the next sport or activity in which the student will compete. If the infraction occurs with less than 50 percent of the season remaining, the remaining percentage will be served during the next sport or activity in which the student will participate.
      3. **Third offense** – the student will be suspended from competition for 100% of the regular season contests of the sport or activity in progress or the next sport or activity in which the student will participate. If the infraction occurs with less than 100% of the season remaining, the remaining percentage will be served during the next sport or activity in which the student will participate.
c. **Sanctions for Alcohol:**

1) **First offense** – the student will be suspended from competition for 30% of the regular season contests of the sport or activity in progress or the next sport or activity in which the student will participate. If the infraction occurs with less than 30% of the season remaining, the remaining percentage will be served during the next sport or activity in which the student will participate. Only sports or activities that the student has participated in the previous 365 days will count toward suspension unless the administrator gives approval (with the exception of incoming freshmen).

2) **Second offense** – of alcohol during their career, the student will be immediately suspended from all participation in any sport or activity for one calendar year. The student may be offered the option of returning to the sport or activity, after serving a suspension of 100% of a full season (fall, winter, spring), including post season play. If the suspension occurs while a sport or activity is in progress, the percentage not served during that season would be served during the next sport or activity in which the student will participate. Only sports or activities that the student has participated in the previous 365 days will count toward the suspension unless the administrator gives approval (with the exception of incoming freshmen). In order to be offered this option, the student must agree to the following conditions:
   a) Undergo an assessment and treatment recommended by a certified Substance abuse specialist.
   b) Submit proof of assessment/treatment.
   c) Submit to a monthly substance abuse test for the first four school months after returning from suspension. If the student tests positive for alcohol during any of these monthly tests, it will be considered the student’s third offense.
   d) Accept responsibility for all costs related to treatment, assessment, and monthly testing.

3) **Third offense** – the student will not be permitted to participate in any sport or activity for the remainder of his/her school career.

d. **Sanctions for Drugs:**

1) **First offense** – the student will be suspended from competition for 50% of the regular season contests of the sport or activity in progress or the next sport or activity in which the student will participate. If the infraction occurs with less than 50% of the season remaining, the remaining percentage will be served during the next sport or activity in which the student will participate. Only sports or activities that the student has participated in the previous 365 days will count toward the suspension, unless the administrator gives approval (with the exception of incoming freshmen).

2) **Second offense** – of drugs during their career, the student will be immediately suspended from all participation in any sport or activity for one calendar year. The student may be offered the option of returning to the sport or activity, after serving a suspension of 100% of a full season (fall, winter, spring), including post season play. If the suspension occurs while a sport or activity is in progress, the percentage not served during that season would be served during the next sport or activity in which the student participates. Only sports or activities that the student has participated in the previous 365 days will count toward the suspension, unless the administrator gives approval (with the exception of incoming freshmen).

   In order to be offered this option, the student must agree to the following conditions:
   a) Undergo an assessment and treatment recommended by a certified Substance abuse specialist.
   b) Submit proof of assessment/treatment.
   c) Submit to a monthly substance abuse test for the first four school months after returning from suspension. If the student tests positive for alcohol or drugs during any of these monthly tests, it will be considered the student’s third offense.
   d) Accept responsibility for all costs related to treatment, assessment, and monthly testing.

3) **Third offense** – the student will not be permitted to participate in any sport or activity for the remainder of his/her school career.
**APPEAL PROCEDURES:**
The student and/or parent/guardian may appeal the decision of the administrator to the Board of Education. If a student and/or parent/guardian chooses to have the decision appealed, this must be done by contacting the superintendent within five (5) days of the administrator’s decision. Any appeal to the Board of Education shall follow the rules and procedures promulgated by the Board and shall be appropriate in dealing with such matters. The Board of Education’s decision is final. Suspensions remain in force while any appeal is pending.

**GENERAL RULES:**

A. Each game during tournaments, invitationals, and double headers will be counted individually.
B. Students participating in multiple sports or activities in one season will have sanctions applied to all sports or activities.
C. Voluntary admission of an infraction of the rules regarding substance abuse will not result in a suspension, but will count as a first offense. In such a case, mandatory contact with the principal or superintendent is required (the purpose of this provision is to allow a student to seek help). This voluntary admission may not be used by a student if the infraction is already known to the school or the proper authorities.
D. When a student is ruled ineligible for a contest or performance, the student must attend the sport or activity for the suspension to be completed. If the student is not in attendance, the suspension will be applied to the following sport or activity.
E. Resumption of Athletic Activity Following Injury: When a student has suffered an injury in a school sponsored athletic practice or competitive event which requires medical examination or medical treatment, a written physician’s statement stating that the student can return to participation in athletics must be presented before he or she will be allowed to return to the program. The physician’s statement must be filed with the Athletic Director before the student will be able to participate in either practices or competition.

**TRANSFER RULES:**

A. If a student transfers to District #168 after having been suspended from another school’s athletic or extracurricular program for code violations, that student will not participate in this district’s athletic and extracurricular program until his or her suspension would have been over at the school from which he or she is transferring. If the penalty for the violation is more severe at District #168 than it would have been at the school from which he or she is transferring, the student will be suspended according to this district’s guidelines.

**IN-HOUSE SUSPENSION RULES:**

A. If the student is scheduled to end the day in the alternative classroom (ACR), the student will be ineligible for the contest or performance that night.
B. If the student is scheduled to end the week in ACR, he/she will be ineligible for the contest or performance that same day or night. The student will be eligible the following day(s) if the ACR placement has been completed.
C. If the student’s scheduled ACR placement continues from the end of one week to the beginning of the next week, the student will be ineligible for all the activities during the time that school is not in session.
The privilege to participate in extra-curricular activities requires an agreement by the student and his or her parent(s)/guardian(s) to submit to testing for the use of alcohol and other drugs. The drug-testing program may be applied to all students who participate in extra-curricular activities provided that the extra-curricular activities do not affect a student’s grade. The drug-testing program is not intended to be a punitive measure but rather a way to help our students stay away from the usage of alcohol and other drugs, to help our students who do have a substance abuse problem, and to promote a drug free environment for our students. Drug testing is to be used only to determine and maintain the eligibility for extra-curricular activities.

**Procedures Consent:**
Any student involved in extra-curricular activities, and his or her parent/guardian, must sign this written consent for drug testing. If any student or parent/guardian refuses to sign this consent, the student will be ineligible for extra-curricular activities and will remain ineligible until the consent is signed.

**Random Drug Test:**
All students involved in extra-curricular activities will have a number assigned to them. A computer program will generate a random list of students to be tested on a specific day. The principal will keep a list of students and the number assigned to each student. The list will be confidential and will not be shared with anyone except the assistant principal, athletic director and superintendent. Whenever a student’s number is chosen, the Principal, Athletic Director, School Nurse, Athletic Trainer, or designee will escort the student to the testing area. The test times will be random. There may be more than one test in a week and other weeks there may be no test. Once a student has been randomly tested, his or her number will still be used in the next random testing, therefore, said student has just as good chance at being selected for the next random testing. If a student’s number is selected and they are absent on the day of the testing, the student will be tested the next day they are in attendance.

Once a student has been brought to the testing area, a district employee of the same sex will escort the student to a restroom where a urine sample will be collected. The district employee will not actually witness the collection unless there is a reason to believe the student will attempt to alter or substitute the sample. If a student refuses to submit to the urine test, he/she will fill out a refusal statement and it will be ruled a second offense drug violation, as explained above. The sample will be collected in a self-contained jar that will be able to test for Cocaine, Meth/Amphetamines, Marijuana, Phencyclidine, Opiates, Benzodiazepines, Barbiturates, Methadone, Ecstasy, and, Oxycodone. The principal, principals’ secretary, assistant principal, athletic director, or athletic director’s secretary, school nurse, or athletic trainer will read the results. If the results are positive for any of the ten drugs, the results will be verified by one of the other individuals. The sample will then be sealed, initialed by the student giving the sample, and identified with the student’s identification number. The sample will be kept in a secure place until picked up by a lab for further testing. The samples will follow the legal chain of custody.
Retesting:
The parent/guardian may, at their own expense, have a separate lab run a drug screening. This sample must follow the legal chain of custody and the results must be sent directly to the school. This test must be made within 12 hours of the original test if its results are to be used in determining the usage of alcohol or drugs. The test must test for creatinine, specific gravity, and any masking agents.

Notification of Test Results:
The school district will notify the parent/guardian of the students being tested, once all of the testing has been completed. We will notify the parents by phone and/or mail that the test has taken place. The notification will state whether their child has tested positive or negative for any of the banned substances. It is imperative that the administration has up-to-date phone numbers of the parent/guardian of students involved in extracurricular activities. Please fill out appendix A with up-to-date phone numbers. If the district’s drug screening is positive and the parent’s drug test is negative, there will be a meeting to judge the proper response. If the parent’s drug test followed the proper chain of custody, and the results were sent directly to the high school, the following scenario would play out. The student may be eligible to participate if the student submits to drug tests whenever random drug tests are run. These tests will be at the parent’s expense. The test will run through the time period of what the suspension would have been.

Reasonable Suspicion:
The Frankfort Community Unit School District #168 specifically reserves the right to test any student involved in extracurricular activities, at any time, where reasonable suspicion of drug usage has occurred. Employees may use the guidelines for suspicion of alcohol or drug usage available in the office.

Prescription and Over the Counter Medication:
Once a student has been selected for testing, he or she must stipulate what prescription medication, or over the counter medication, if any, they are presently taking. A doctor must have prescribed the prescription medication, and the student and or parent/guardian must be able to verify the prescription by showing the original prescription or a doctor’s note. If the student is unable to verify that the medicine was prescribed to him/her; he/she will be subject to the actions of a positive test.
