Asbestos Hazard Emergency Response Act (AHERA)

Dear Parents and Employee:

On October 22, 1986, President Reagan signed into law the Asbestos Hazard Emergency Response Act (AHERA), Public Law 99-519). The law required EPA to develop regulations that provide a comprehensive framework for addressing asbestos problems in public and private elementary and secondary schools. On October 30, 1987, EPA published the Asbestos-Containing Materials in Schools Rule (40 CFR Part 763 Subpart E). This New Rule requires all public and private elementary and secondary schools to inspect for friable and non-friable asbestos, develop asbestos managements plans that address asbestos hazards in school buildings, and implement response actions in a timely fashion. This rule became effective December 14, 1987.

The Puxico R-VIII School District conducted a complete inspection of its facilities in 2000, utilizing the services of Mead Environmental Associates, Inc. The results of this inspection have been included in a management plan. This management plan is available in the administrative offices of this District (and in the offices of each school) during normal business hours, without cost or restriction, for inspection by representatives of the EPA and the State, the public including teachers, other school personnel and their representatives, and parents. The District may charge a reasonable cost to make copies of management plans.

Periodic surveillance is required every six (6) months and is conducted as required. A re-inspection of our facilities is required every three (3) years. Any fiber release episodes and any activities involving the disturbance of the ACM are also recorded in the management plan.

You, as a parent, are encouraged to examine the management plan that affects your child(ren).

The purpose of the Federal and State regulations is to protect the health and well being of all persons entering the buildings of the District for any reason. This District takes very seriously the recommendations made in the management plan.

COMMUNICATION SYSTEMS

Dear Parents,

Puxico School District utilizes the Apptegy Parent Notification System for making mass phone calls and sending text notifications to parents.

Please note the following regarding Apptegy procedures:

- Apptegy will be used to keep you as informed as possible.
- The Puxico School District Facebook page (<https://m.facebook.com/PuxicoIndians>), and the Puxico School District webpage, www.Puxico.k12.mo.us, will also be used.
- The primary parent numbers in the student information system will be called. Information must be current in order for Apptegy to work.
- When the phone rings and is answered, the message is triggered by someone saying something like “hello”. By saying “hello,” the system will begin to play the message.
- If you miss the call, it will leave a message if your voicemail is activated and working. Please listen to the message instead of dialing the number back. If the message is unclear, please check our app, website, your text message, Twitter and/or Facebook page for more information.
- You may receive a message that doesn’t pertain directly to you. For example, we may need to notify bus students of route issues but have to send to all students of a particular school.
- The system will not call extensions so if you have a phone number listed in Student Information Systems with an extension, you may not receive the call.
- Please make sure your information in our school data base is up-to-date so you can get the correct notifications. If you have a change in your address or phone number, send it in writing to the building office where you child is enrolled.

Sincerely,

Cindy Crabb
Superintendent

CODE OF CONDUCT

The public schools of this nation have the responsibility, conferred on them by the state, to provide public education for children until they are graduated or reach the age of 21. To discharge this function effectively and equitably, school authorities and parents must ensure an environment in each school, which is conducive to the learning process. While there are many factors which effect the learning environment, perhaps of most concern is the problem that results from inappropriate conduct and lack of consistent and effective disciplinary response. Parents, school, and students must all work together for effective learning.

The Board of Education has adopted a Code of Student Conduct. A summary of this policy is available on the district website (www.puxico.k12.mo.us). Additional copies are available from the school. **Students and parents are encouraged to become familiar with the Code of Student Conduct. PARENTS/GUARDIANS MUST RETURN THE INCLUDED FORM TO THE OFFICE VERIFYING RECEIPT OF THE CODE OF CONDUCT. Parents that do not want their students paddled nor placed in ISS (in-school suspension/time-out room) must notify the principal.**

CONFLICTS

If a student/parent cannot resolve a problem with a teacher or the administration, a hearing with the Board of Education may be requested.

EMERGENCY FORMS

No student may participate in any school activity or ride a bus to a school activity unless an emergency form is on file in the Student Health Office.

EMERGENCY PLANS

Emergency Plan - Fire

Warning System:

Each principal will be responsible for testing fire alarms frequently. A backup alarm will be provided in case the fire alarm fails. For drill purposes, the actual fire alarm will sound.

Drill Procedures:

1. Building is to be evacuated immediately upon hearing fire alarm or intercom.
2. Appoint student leaders in advance to lead lines.
3. All books, personal items, etc., should be left behind.
4. In a quick and orderly fashion, students are to walk quietly out of the assigned exit.
5. No talking will be allowed in order to insure everyone of hearing the instructions.
6. Office staff will exit with emergency contact information and absentee lists.
7. Teachers should be last to leave the room. They will close the windows and the door. **Lights should be left ON** for ease of scanning a vacant room. Teachers will take class roll book when they leave.
8. After students have assembled outside the building in the designated area, teachers will take roll and report to the principal or his/her designee students who are present and students who are missing.
9. An area for assembling after evacuation is designated for each class. This area should be far enough from the building to ensure safety from fire, smoke, and explosion. Teachers will see that students remain in this area until further instructions are given.
10. Do not allow any person to return to the building for any reason.

Emergency Plan - Tornado

Warning System:

Each principal will be responsible for testing severe weather alarms frequently. In addition, a backup alarm will be provided in case the initial alarm fails. The signal will be a long, continuous bell.

Drill Procedures:

In case of a tornado alert, a quiet and orderly evacuation is the primary objective. A student leader in each class should be assigned to lead the students in a single file to the pre-destined area. Teachers will take roll book and leave the room last. Office staff should take emergency contact information and absentee list during evacuation. Students should walk to the FEMA building in a quiet, orderly fashion. Once inside the FEMA building students should stay quiet and calm. If time does not permit evacuation from the classroom, get into the safest area of the classroom, which is inside wall farthest away from doors or windows. Drills are held periodically.

Emergency Plan – Earthquake

Warning System:

An earthquake strikes without warning. For drill purposes the signal will be an announcement over the intercom with instructions. Students should “drop, tuck, and cover.”

Drill Procedures:

Squat down, covering head with hands and arms. If indoors, take cover under heavy desks or tables, in doorways, or against inside walls. If the table or desk moves, hold on to the legs and move with it. An attempt should be made to move away from glass and falling objects. When an earthquake is over, the principal will give a signal for evacuation of the building, using the fire drill evacuation procedure. Students will stay with their class and teacher. Teachers will take grade book and, once outside, take attendance.

In a true emergency, please know we will do our best to protect all children until parents can get here. **PARENTS MUST SIGN FOR CHILDREN THEY PICK-UP IN EMERGENCIES AS ALL STUDENTS MUST BE ACCOUNTED FOR.** Students may be relocated to an area away from the school when necessary. Please contact the elementary secretary at 573-222-3542, junior high

secretary at 573-222-3058, or the senior high school secretary at 573-222-3175 to find out where your child will be located. This will be the procedure for all emergency/crisis situations when relocation is necessary.

EMERGENCY PROCEDURES FOR INCLEMENT WEATHER

If weather conditions arise during the school day that may make the roads hazardous, early dismissal will be made. **KFVS-TV** in Cape Girardeau, **Zimmer Radio Group** in Poplar Bluff, and radio station **KDEX** in Dexter are notified of early dismissals and are also notified when school will be closed for the day. You may also check our web site www.puxico.k12.mo.us. Please make contingency plans so that your children will know what they are to do if early dismissal is required.

EMERGENCY INFORMATION

It is extremely important that every student maintain an up-to-date address and working telephone number at the school office. Please notify the schools immediately if you have a name change, change of address, or change of telephone number during the school year. In case of emergency, each student is required to have on file at the school office the following information:

1. Parent or guardian's names
2. Complete and up-to-date address
3. Home phone and parents' work phones (connected and working)
4. Two emergency phone numbers of friends or relatives (connected and working)
5. Physician's name and phone
6. Medical alert information
7. Authorized person(s) allowed to pick up the child

FREE AND REDUCED COST MEALS

The school cafeteria, operating under federal law, provides free or reduced cost breakfasts and lunches for those whose income meets appropriate guidelines. Unless approved by direct certification, application must be made for free or reduced cost meals. Notice of direct certification and/or applications will be sent home with students at the beginning of the school year. If approved, in accordance with the guidelines, the meals procedure is handled in such a manner as to avoid embarrassment to students. Application for free or reduced cost meals may be made at any time during the school year.

Each Elementary school day begins with roll call, meal count, and extra milk count. The money-collecting procedures are most efficient and less time consuming when students bring the correct change and when meal and milk charges are paid on the **FIRST DAY OF THE WEEK** for the entire week. Payment may be made by check. It is advisable that money be sent to school in an envelope with the child's name on it, the amount of money enclosed, and its purposes. ***For the 2021-2022 school year breakfast is free for all students (for as long as program funding is available). The cost of a full priced student lunch is \$1.90, and reduced price is \$0.40.***

HARASSMENT/BULLYING

Harassment or bullying of any kind is not allowable and may result in written referrals. Continued harassment or bullying will result in the involvement of juvenile authorities. Harassment or bullying can take many forms. Students should not be harassed or bullied sexually, about gender, physical appearance, religion, disability, national origin, race, etc. Complaints of harassment or bullying should be reported to school authorities for investigation and control of the situation.

HEAD LICE

Head lice are very contagious. They are spread through the sharing of personal items such as combs, brushes, scarves, hats, headphones, sleeping bags, stuffed animals, etc. To minimize the risk of repeated outbreaks, the school must quarantine students with head lice and send them home to be treated. It is important to note that the home must also be treated to eliminate lice infestations. The school health office has lights and magnifiers to assist in removal of lice eggs (nits) in the child's hair. **PLEASE CHECK YOUR CHILD AND HOME FREQUENTLY TO KEEP LICE FROM CAUSING SCHOOL ABSENCES.**

IMMUNIZATIONS

As mandated by section 167.181, RSMo, each school must have a record showing the immunization status of every child in attendance. The law prohibits the enrollment and attendance of children who are in noncompliance. Immunization information is required in seven (7) categories: diphtheria, tetanus, pertussis, polio, measles, rubella, and mumps. Kindergarten students in the 1997-98 classes are required to have Hepatitis B immunizations (series of three doses). Students cannot attend school unless they are properly immunized and can provide satisfactory evidence of immunization or unless they are exempted. Transfer students in noncompliance shall not be permitted to enroll or attend school. Students who were enrolled during the previous school year shall be denied attendance for the current school year if not in compliance. Homeless children may be enrolled in school for no more than 24 hours prior to providing satisfactory evidence of immunization. For answers to questions regarding your child's immunization status, phone the school nurse at 222-3542.

HAZEL HEALTH

Puxico R-VIII School District has partnered with Hazel Health to provide telehealth services to any student whose guardian(s) have consented to such service.

INTERNET AGREEMENT

The Puxico R-VIII School District provides students and staff the access to computers for educational purposes. The computer may be stand-alone or part of an instructional or administrative computer network, which may include Internet access. All users must share the responsibility for assuring that our computers and networks are used in effective, efficient, ethical, and lawful manners. The use of such equipment is a privilege and users must agree to comply with guidelines contained herein.

Use of computer networks and Internet access may be revoked for abusive conduct. Such conduct would include, but not limited to the following:

1. Altering or damaging computers, computer peripherals, computer networks, software, or electronic resources.
2. Gaining unauthorized access to electronic resources, software, or networks.
3. Using or attempting to use an account and/or files owned by another user.
4. Divulging any password to another individual.
5. Using chat rooms or any messenger programs.
6. Violating software license agreements.
7. Vandalizing the data or another user through deliberate use of computer viruses or other means.
8. Using or accessing vulgar, obscene, or inappropriate language or images.
9. Invading the privacy of others.
10. Posting anonymous messages.
11. Placing or receiving unlawful information on or through the computer network or stand-alone.
12. Divulging personal information including address, phone number, etc.
13. Harassing another individual.
14. Using computer networks and/or Internet access for commercial purposes.
15. Downloading files such as: games, music, software or screen savers without prior approval of the technology office.
16. Installing software without the prior approval of the district technology office.
17. Accessing and using e-mail software and/or web-based e-mail to send, receive, or retrieve message by students except as part of a project directly supervised by a teacher.
18. Use of USB memory stick or similar device without prior authorization by a teacher.
19. Accessing Proxy servers for any reason.
20. Wasting limited resources such as disk space or printing capacity.

Revocation of computer privileges and/or other consequences will be determined by the severity of the offense. The student code of conduct as listed in the student handbooks will apply. All damages incurred due to the misuse of the district's technology will be charged to the user. The district will hold all users accountable for the damage incurred and will seek both criminal and civil remedies, as necessary.

INTERNET ACCESS

Our district participates in the Missouri Department of Elementary and Secondary Education (DESE) Project through membership in the MOREnet-The Missouri Research and Education Telecommunication Network. The DESE Project provides an extraordinary opportunity for our students and staff to access information from anywhere in the world without ever leaving the classroom. As participants in this project, students and staff of Puxico Schools are expected to follow acceptable use guidelines of MOREnet including the following:

1. Use of the Internet is for educational purposes.
2. Use of another organization's network must be consistent with their usage policy.
3. It is not acceptable to use the Internet for purposes that violate any federal or state laws. This includes, but is not limited to the transmission of copyrighted, threatening, or obscene materials.
4. It is not acceptable to use the Internet to harass or harm others.
5. It is not acceptable to use the Internet in a manner that disrupts normal network use and service. Such disruptions would include propagation of computer viruses, violation of personal privacy, and unauthorized access to networks and network resources.
6. It is not acceptable to use the Internet for commercial activities.

Each school will establish specific rules for using computer labs and procedures for accessing the Internet. If student e-mail privileges become available, specific guidelines and regulations will be explained and discussed.

No privacy is granted through the use of district technology. Student, staff, and community use of computer networks and Internet access, including e-mail may be subject to monitoring at any time, including network logs, browser logs, cache, mailboxes, bookmarks, favorites, etc.

The Puxico R-VIII School District believes that informational resources available to students, staff, and community members exceed the disadvantages of using the Internet. While the district has installed and maintains content filtering software to provide some degree of Internet safety, such software is not foolproof. The district does not have control of information available on the Internet and recognizes that some sites may contain inappropriate materials. Despite efforts by district personnel to encourage responsible, educational use of the Internet and to provide supervision, ultimately, parents and guardians are responsible for setting and conveying the standards that their children should follow when using media and information sources. Therefore, the Puxico R-VIII School District will support and respect each family's right to decide whether or not their student will have Internet access.

STUDENT/PARENT COMPUTER NETWORK/INTERNET AUTHORIZATION

We have read and discussed the Puxico R-VIII School District's Computer Network/Internet Access policy and agree to abide by the provisions and conditions defined within. We understand that violation of this policy may result in the loss of the Puxico R-VIII School District and/or MOREnet network privileges and may result in serious disciplinary, financial, and/or legal consequences. Rules of conduct stated in the Puxico R-VIII School District Board of Education Policy and student handbooks apply.

By signing the form on page 2, individuals agree to abide by the standard of this policy.

MEDICATION

Students are not allowed to have medications in their possession for self-administration at school. The danger of a reaction or children taking medication by error necessitates the strict enforcement of this policy. If medication must be given at school, it should be brought to the nurse's office in its properly labeled bottle. A signed note from the parent stating when the next dose should be given should accompany all medication. Please, do not send medication in envelopes, plastic bags, etc. Also, medications that are ordered to be given three times daily will not be given at school, unless specifically requested by a- doctor. "Three times daily" medication can be given before school, after school, and at bedtime.

PARENT PORTAL

If you had access to ParentPortal last year, your information should be the same. You will only need to tell us if your e-mail address has changed or if you have lost your information. On the first page, you will see a place for you to provide us with an email address. If you want to participate in the parent portal program, we will provide you with a password that will let you view your child's records on the Internet. You will have access only to your child and will be able to see current grades, lunch accounts and attendance information. Due to the large amount of data involved, this information will only be updated every Monday afternoon at approximately 4:00 p.m. We hope this will be a useful tool for you to track your student's progress through the year. Please let us know if you have any problems or questions about this program. To access Parent Portal, follow the following steps.

- a. Go to www.puxico.k12.mo.us
- b. Click Parents
- c. Enter username & password
- d. Enter your email address and password (you will receive a password within a couple of days of returning the attached sheet)
- e. Click the section you are interested in

PARENT TEACHER ORGANIZATION

The Puxico PTO plays a vital role in the life of the school. The PTO supplements and supports the educational program, not only by providing financial resources for the purchase of equipment that benefits all the students in the district, but by the giving of their time and manpower (and woman power!) to help implement school improvement. Among other things, the PTO co-hosts an Open House, assists with organizing elementary Valentine's Day Parties, and helps with Grandparents' Day. All parents are urged to join and participate. The dues are minimal, and the benefits are great.

RETENTION POLICY

In high school, students are promoted based on high school credits earned. ***Please see page 18 for more information.***

Students with Individual Educational Plans may be exempt from this policy, depending on the IEP team decisions and statements in the IEP.

For students who are possible candidates for retention, additional options available for remediation during the school year are:

- Referral to summer school which requires mandatory attendance.
- Referral for consideration in after-school-tutoring program.
- Referral for special education services.
- Referral to a program as needed according to individual needs.

All families will be informed of their child's progress at each mid-quarter, the end of each quarter and the end of each semester through verbal means, progress reports and report cards.

TRANSPORTATION TO & FROM ACTIVITIES

Students who participate in a school activity, which involves bus transportation, must ride the bus to the activity unless previous arrangements are made with the principal. Students who ride a bus to a school activity must also ride the bus home unless the teacher who is supervising the activity releases the student to a parent or guardian of the student at the activity or unless previous arrangements have been made with the principal. All bus notes giving permission for students to ride home with other parents after an event must come through the principal's office during the school day.

Facebook messages, texts, and phone calls at the event will not be accepted.

BUS RULES

1. **The driver is in charge** of the pupils and the bus.
2. Students must obey the driver promptly and courteously.
3. Unnecessary conversation with the driver is prohibited.
4. **Classroom conduct is to be observed** by pupils while riding the bus.
5. Students are to remain seated while the bus is in motion.
6. Profane language and loud noises are not permitted.
7. Rowdiness is not permitted.
8. Students are to keep all of their body inside the bus until they arrive at their destination.
9. Throwing of any object is forbidden.
10. Students are responsible for keeping the bus neat and litter free.
11. Students are not to sit in the driver's seat or touch any of the operating controls.
12. Students will be taken to their homes in the afternoon unless they have a note or bus pass from the office. All students are expected to go home after school unless parents or guardians send a note or phone the office making other arrangements.
13. Drivers have authority over behaviors at bus stops.
14. **Riding on school buses is a privilege, not a right.** Any serious misbehavior or repeated misbehavior could result in the withdrawal of bus service to that student.
15. Students are not to bring iPods, MP3 players, Gameboys, cell phones, or other electronic devices on the bus.

Academics

Classification for High School Students

A **freshman** is defined as a student that has successfully completed the eighth grade.

A **sophomore** is defined as a student that has completed at least six (6) units of approved course work.

A **junior** is defined as a student that has completed at least twelve (12) units of approved course work.

A **senior** is defined as a student that has completed at least eighteen (18) units of approved course work and who can enroll in adequate courses to complete the graduation requirements during the seventh and eighth semesters.

Class Schedules

Students will complete their course request prior to the end of the school year. Students will receive their course schedule for the upcoming school year during the August enrollment. Students should plan to take the classes that they need for graduation, that prepare them for their anticipated vocation or career path, and that are appropriate for their grade level.

Counseling and Guidance

The goals of the guidance and counseling program of Puxico High School are to assist students in gaining knowledge of self and others, explore and plan for careers, and develop educational and vocational plans. Using classroom guidance activities and individual and small group counseling, the guidance counselor will seek to help all students develop to the best of their abilities. Important concepts which will be included in our guidance program include character education, career awareness, personal safety, decision making, and knowing how to get along with others. Parents are encouraged to call or talk to the counselor about any area of concern related to their children and the school. You may reach the high school counselor, Debbie Wilkerson, at 222-3175.

Grade Reporting

Students will receive progress reports from teachers at mid-quarter throughout the year. These notices are mailed home if the grade is lower than a C-. Grade cards will be available at Parent Teacher Conferences 1st and 3rd quarters. Grade cards not picked up during this time, and grade cards for 2nd and 4th quarters will be sent home within one (1) week of the end of the quarter. Semester grades are recorded on the students' permanent files and kept with their records.

Grading Scale

Puxico High School grades are based on the following scale:

		A	95-100%	A-	90-94%
B+	87-89%	B	83-86%	B-	80-82%
C+	77-79%	C	73-76%	C-	70-72%
D+	67-69%	D	63-66%	D-	60-62%
F	0-59%				

Grade Point Average Equivalents

Puxico High School utilizes a 4.0 grade point average. Student cumulative averages are computed using the following scale:

		A	4.00	A-	3.67
B+	3.33	B	3.00	B-	2.67
C+	2.33	C	2.00	C-	1.67
D+	1.33	D	1.00	D-	0.67

Grade Points on Weighted Classes

Students in the class of 2010 and beyond will have the opportunity for weighted grading of certain classes. Weighted grade points will be multiplied by a factor of 1.25 for G.P.A. calculations. See the student enrollment guide for full details.

Graduation

Students are expected to monitor their academic progress toward graduation. Please see the Student Enrollment Guide for course and credit requirements. College Preparatory Certificate requirements are also listed in the Enrollment Guide. To earn the honor of valedictorian or salutatorian student must be considered in the top rankings of the class and must earn above the national average on the ACT. Students will graduate with highest honors if they earn a cumulative GPA of 3.67 or greater.

Any student that wants to be considered for early graduation must inform the High School Counselor prior to the 1st day of September during their senior year. Students must be on track to graduate and must have extenuating circumstances requiring them to seek early graduation. Upon notification of interest, the counselor will provide the student with the full requirements and will outline the process to seek Board of Education approval.

Homework/Assignments/Late Work

Students at the high school level should expect to have some amount of homework nearly every day. Students are expected to complete all work assigned to the best of their ability and to turn in the work when it is due. Teachers will provide students with classroom expectations at the beginning of the year. Students with excessive zeros and/or incomplete work may be referred to the office for disciplinary action.

Honesty in Academics

Students should not use/attempt to use someone else's work as his/her own, allow someone else to use his/her work, give answers to another student or use unauthorized materials (i.e. "cheat sheet", things written on body or clothing, electronic devices, etc.) Students should refrain from talking, gesturing or communicating in a way that can be viewed as cheating during assessments. Academic dishonesty will result in a student earning a zero and further discipline as outlined in the student code of conduct.

Honor Roll

Highest Honor Roll	G.P.A.	3.67 - 4.00	(A- or above)
Honor Roll	G.P.A.	3.33 - 3.66	(B+)
Merit Roll	G.P.A.	3.00 - 3.32	(B)

No Pass-No Play

Any student failing a class may not be allowed to participate in sports or any extracurricular activities including dances, field trips, or club activities. Grades are checked on the first day of classes each week. Athletes may practice but may not play in any games. Showing evidence of a passing grade will reinstate the student's privileges.

Intervention rooms are intended to be assigned as elective oriented classes while also supporting daily instruction.

Pride Time

Pride Time is held from 2:48-3:10 each day. Students will be assigned to either an enrichment Pride Time or an intervention Pride Time. Intervention placements will be focused on math and English and determined using Evaluate testing data. Placements will be for the duration of one quarter with the exception of intervention rooms. Intervention room placements will change on a monthly basis.

Intervention rooms are designed to help students who need more intensive instruction over a particular math or English standard. They are not intended to be punitive, but rather to improve student master of Missouri Learning Standards as measured by the district administered Evaluate Testing.

Enrichment rooms will be assigned to students who are not assigned to intervention rooms. These rooms are intended to serve as elective oriented classes while also supporting daily instruction.

Semester Grades

Semester grades are reported on the students' permanent records. First semester grades are calculated as 45% of each quarter grade plus the semester final, which is averaged in. State mandated end of course exams will be a part of the second semester grade. Second semester grades are calculated as 40% of each quarter grade plus the semester final and end of course exam, which are averaged in.

Tutoring

Students in need of assistance may take advantage of tutoring services. Tutoring is offered every Tuesday and Thursday. Teachers may also arrange tutoring for students as needed. Students who are considered at-risk may be assigned to study skills classes during the regular school day. Students with consistent failing grades may be required to attend tutoring until the grade improves.

Student Attendance Policy Grades 9-12

According to Missouri School Law (Sec. 167.031 RsMO), school attendance is compulsory between the ages of seven (7) and seventeen (17). The Puxico R-VIII Board of Education has adopted the following policies regarding student attendance.

Activities/Athletics

Students who are absent on the day of an activity will not be considered eligible to participate on that date without having cleared their absence **in advance** with the principal. This applies to all activities including athletics, music, drama, speech, clubs, etc. Students must also be in attendance the next full day after an activity in order to participate in the next scheduled activity for that group. Medical excuses signed by a doctor and presented upon returning to school or being sent home from school by the principal for illness may be considered exceptions. For athletics, this would be the next game. For other activities and organizations, this would be the next trip.

Extracurricular activities and sports offered through the Puxico R-8 School District are a privilege not a right. To be eligible to participate in extracurricular activities and sports, in addition to MSHSAA and other District requirements a student must attend in-seat courses on campus at least five (5) hours a day.

A+ Schools Incentive

Students participating in the A+ School Program must have a 95% attendance average for their entire high school career without rounding up prior to the date of graduation. This percentage allows for approximately eight (8) days **per year**. The A+ Program does not allow for consideration of excused or unexcused absences, all absences apply.

Attendance Requirements

Students have a six (6) day absence limit per semester per class period. This includes any and all absences, excused or unexcused. Excessive absences may be reported to the juvenile authorities.

Entering and Leaving School During the Day

A student entering school after 8:00am or leaving school prior to 3:10 pm must sign in/out in the office. Once a student is on school grounds or in the parking lot they are to remain on campus. Students leaving school during the day must have parental permission. Arrangements for students should be made prior to school starting except in emergency situations.

Excessive Absences

Students that exceed the six (6)-absence limit will lose credit for that semester until the excess hours have been made up in either Saturday School or after school detention. Hours missed with a doctor's excuse will be made up on a 1:1 basis. All unexcused absences will be made up on a 2:1 basis. All hours must be made up prior to the end of the semester. If hours have not been made up, students may appeal to the attendance review committee for consideration. Students may present evidence of **unusual** circumstances for the committee to consider. The committee will make a determination based on the number of absences, the evidence presented, and the student's academic record. The committee will notify the student in writing of their decision. The committee decision will be one or more of the following.

- To deny the students credit for the period/class in question. Student grades will be recorded on their transcript as permanent incompletes (I) unless they have a failing grade which will be recorded as failed.
- To allow the student to make up the time missed during summer school.
- To forgive the excess absences and grant the student credit.

Students should not exceed their days allotted unless **emergency situations** arise.

Field Trips

School sponsored field trips do not count against student attendance. Students going on trips during school time should make **prior** arrangements with their teachers for assignments that will be missed. **Any student missing over the allotted six (6) days will not be allowed to attend class or club trips.** Students may appeal to the attendance committee regarding their absences and field trips. Students on the ineligible list are not permitted to go on field trips.

Homebound Instruction

Students missing five (5) or more **consecutive** days due to a medical condition should apply for homebound instruction. Homebound instruction does not count against your allotted number of days. Contact the High School office for details. Homebound instruction requires a physician's signature and a properly completed application. Homebound is subject to school district approval.

Make-Up Class Work

All missed assignments, tests, and projects must be made up within one (1) week of returning to school. Teachers may require students to stay after for tutoring or shorten the allotted time for make up work depending on the circumstance. ***It is the responsibility of the student to gather work and make necessary arrangements.*** Work missed as a result of a suspension or expulsion may not be made up.

Parent/Guardian Notification

In order to help parents/guardians monitor student attendance, the following will occur;

1. Parents/Guardians will be called on the day the student is absent to determine the reason for the student's absence. Parents should call before school starts on the day of an absence and include the reason for the student's absence.
2. A letter regarding absences will be mailed on the 3rd, 5th, and 6th days a student misses any classes.
3. Attendance summaries will be sent home at mid term and with quarter grade reports.

Returning to School

Upon returning to school, students should report to the High School office to get an admit slip. Parents should telephone the school or send a note explaining the absence. Medical/Professional excuses should be presented at this time as well.

Semester Finals

All students are expected to take final exams and attend school on the days of final exams. Semester finals will constitute 10% of the total semester grade. Students must be present on the day of the final, must be in class, and must not disrupt other students. Failure to adhere to these requirements will result in a zero (0) for the final. Any student who is absent on the day of a final must have made prior arrangements with the building principal to take the final early.

Suspensions

A student who is suspended from school as a disciplinary action will have that number charged against the total six (6) days. Any work missed during a suspension may not be made up.

Tardiness

Students are expected to be at school on time, be in the classroom and have class materials (books, writing utensil, etc.) **before** the tardy bell rings each hour. Any student arriving late in the morning must get an admit slip from the office. Any student who exceeds three (3) tardies in any period will be assigned a detention to be served after school. Student Eligibility

All MSHAA sponsored activities require students to pass 6 of 7 courses in the prior semester.

Random Student Drug Testing

All student drivers, all students participating in any MSHSAA activities/athletics and all students participating in any school sponsored organization will be required to submit to random student drug testing throughout the year. Students will be provided more information in the activity's handbook as well as a permission form. The purpose of the student drug testing program is to give students a good excuse to say **no** to unhealthy influences.

A positive drug test will result in the following consequences:

1st offense: 30 school day suspension of activity/organization/driving privilege. If the student opts to go to drug counseling on their own, the suspension is reduced to 15 days with a clean test result.

2nd offense: 365-day suspension of activity/organization/driving privilege. Counseling will be required. Reinstatement with a clean test result at the end of the suspension period.

3rd offense: No participation in any activity/organization/driving privilege for the remainder of their high school career.

Note: Refusal of a random drug test will be treated as a positive result and appropriate consequences issued.

Alternative Education Program

Alternative education is available and may be assigned by an administrator. Students may be assigned due to failure meeting educational progress needed to be successful. Alternative education may also be assigned due to discipline concerns.

Announcements

Students should make it a habit to check the announcements daily. Important events, dates, and information are added each day. Most teachers read the announcements to students during the morning hours. If you do not hear them, copies are posted in the hallways and in the cafeteria each day.

Any student receiving multiple bus referrals for discipline will be subject to permanent removal from the bus.
