Rhonda Martinez – Asst. Principal

Hello BHS families,

Thank you for your understanding and patience during this transition to remote learning for the next two weeks. As you know, students will participate in remote learning for the weeks of August 16 and August 23. We will return to live, face to face instruction, with all students returning to campus on Monday August 30th.

To make the process of distributing student devices as easy as possible for our families, we have made the Student Mobile Agreement available electronically. This can be printed off, signed and either scanned back with a scan of guardian ID; or a picture can be upload and emailed back along with a picture of guardian ID, or a hard copy can be returned, with proper guardian ID at pick up. The link for the required form is provided below. Also, below you will find a link to the direction for creating a digital signature and profile, so you may email the form back to the following email addresses:

Leona Vigil
vigill@beleneagles.org

Roberta Cordova
corodovaro@beleneagles.org

In our continued efforts to support our families through this, we will also have curb-side lunch and next day breakfast pick up for BHS students each school day between the hours of 12:00 noon and 1:00, free of charge.

As always, if you have questions or need support for your BHS student in accessing classes, please call the BHS office at 966-1300.

Thank you,
BHS Admin Team
