

Hanson School Board
Awarded ALL Award

The Hanson School Board was recently awarded the ALL (Act, Learn, Lead) Award from the Associated School Boards of South Dakota.

The Hanson School Board received this recognition because of their dedicated participation in activities, board development and training, and demonstrated leadership in various areas and levels throughout the 2021-2022 school year.

ASBSD recognizes school boards for their dedicated and

ethical service to the students of South Dakota. Very few, if any, school board members serve for the attention and accolades of board service. However, ASBSD recognizes the time, effort, and commitment put forth by Board members not only in regular board meetings, but also through activities and training opportunities offered through ASBSD, and demonstrated leadership through local, state, and national meetings, committees, and assemblies.

Hanson School Board members (L-R): Duane Letcher, Don Huber, Gary Jarding, Todd Waldera, Travis Cheese-man.

With the win, the eighth grade record moved to 6-1-1.

On Tuesday, September 20, the seventh and eighth grade teams will play Bridgewater-Emery and all three teams will be taking on the Irene-Wakonda Eagles on Thursday, September 22, in Irene.

Hanson School Receives Grant

The Hanson School received a \$5000 grant on behalf of the America's Farmers Grow Communities program.

Hanson Board member, Gary Jarding, enrolled in the program as a way to support the track and football field renovation project. Hanson School District has benefited from this program in the past.

America's Farmers Grow Communities is sponsored by the Monsanto Fund. For nearly a decade, the America's Farmers program has committed to helping farmers partner with schools and nonprofits in their rural community. Farmers have the ability to recognize where there is a need in their community and change the lives of those who need it most.

Since 2010, more than \$29 million has been donated to over 8,000 organizations across rural America. In 2018, farmers direct-

ed another \$3.3 million to farm communities and the causes that mean the most to them.

The top three organizations

the program chooses to help are emergency response organizations, schools, and agriculture youth programs.

Hanson School Board members hold a \$5000 check from the America's Grow Communities program. Members include (L-R): Duane Letcher, Don Huber, Gary Jarding, Todd Waldera and Travis Cheese-man.
