Thank you Meijers

I would like to thank Meijers for their
wonderful donation to my classroom.
Not only was I able to get the exercise
balls that I needed for my students, but I
was able to get some much needed
supplies. It was like having Christmas,
and my students were very excited.

Mrs. Renoos & Students

Sending Troops Supplies

The 5th graders with the help of the entire Gobles Elementary collected 5 large boxes of supplies for the troops. The boxes contained many snacks, personal hygiene products and plenty of medicines. All the students wrote a letter to Jacob Gettys (Gobles graduate) and an additional letter to other troop servicemen. The 5th graders used their profit from the school store to pay for the postage. Mrs. Boes believes that community service is a positive way for students to give back and do something for somebody else. Haven Moerman stated, "I feel it is important to support the troops and send them goodies. They are protecting us and cannot be with their families right now. They deserve some special presents and attention."
