

PROGRAM CONSULTANTS

When knowledge or technical skills are needed that cannot be provided by persons on the staff, consultant assistance may be considered.

All consultants will be approved by the superintendent or his designee prior to the invitation and arrangement for visitation by such person or persons to the school district. Any proposed contracts with consultants will be submitted to the Board for approval, and will be accompanied by figures showing the estimated cost of the consulting project to the district.

Consultants who serve this district will exercise no authority over the work of the employees of the district, but will act only as advisers in the field in which they are qualified to offer assistance. All supervision of employees remains in the hands of those to whom such responsibility has been delegated by the superintendent.
