

STUDENT ACTIVITIES AND ORGANIZATIONS

Consistent with the concept of equal educational opportunities, all activities must carry a voluntary membership and pressure should never be exerted in an attempt to influence membership. All students shall be eligible to apply for membership in any recognized and sanctioned activity except National Honor Society.

Sponsors of organizations and activities are responsible for supervising students. There shall be no hazing practices conducted on members of school organizations.

All Board members are expected to promote proper student behavior at all school events. Students not exhibiting proper behavior may be excluded for future events.
