

COLLEGES AND UNIVERSITIES

The Nicholas County Board of Education advises shared experiences with colleges and universities, particularly with West Virginia College of Graduate Studies, Glenville State College and West Virginia University, the State Land Grant Institution because of their proximity to and in interest in Nicholas County Schools.

The Board recognizes that if it has an obligation to assist the profession in the preparation of new teachers. Therefore, subject to local circumstances the Board shall allow a predetermined number of student teachers to gain their laboratory experiences in our schools.
