

Aromas-San Juan Unified School District Express Bus Routes
Transportation Department 831-623-2439

SCHOOL BUS RULES

- Everyone must wear a seat belt if there is one on the school bus.
- Arrive at your bus stop **5 minutes prior** to your scheduled pick up time.
- Wait in line in a safe place away from the road.
- Wait for the bus to stop before walking towards the bus.
- Once you are on the bus you are to remain in your seat facing forward at all times while the bus is in motion.
- Do not block the aisles.
- Keep all body parts inside the school bus.
- No throwing anything inside or outside of the school bus.
- Be courteous, NO profanity, Loud talking, Rude gestures or fighting.
- Do not litter, write on or damage the school bus.
- When you cross the street, look carefully both ways,
- Tell the driver if you see other students being mistreated.
- The School Bus Driver Is In Charge of The School Bus.

FLASHING RED LIGHTS ON A SCHOOL BUS

Regrettably, many cars and other vehicles drive past stopped school buses when they are supposed to stop. In the majority of cases, this is due to ignorance of the laws, rather than aggressive driving.

This is a very dangerous practice and puts the lives of our children at risk.

Most drivers are only told about the rules for passing a stopped school bus with flashing red lights only when they learn to drive - often many years ago.

We would like to remind all drivers the safe practices when school buses are stopped with yellow or red lights flashing.

1. When you see a school bus, assume children will be around and take extra care - leave lots of space around the bus.
2. When the bus turns on the yellow flashing lights - this means it is about to stop to pick up children. Slow down and prepare to stop.
3. When the bus turns on the red flashing lights - this means **STOP**  in BOTH directions. **Never pass a school bus with red flashing lights in either direction.** Stop well back from the bus. If you have any doubt what to do - **STOP.**
