Points of Pride

Academics

Olympia Schools score at, or above the state and national average on nearly every test and subject area at all levels. We are frequently honored for our commitment to success in Advanced Placement (AP) courses, and have been named one of the US News and World Report's Silver Medalists.

Activities

Olympia athletics and activities have had a tremendous amount of success, including 3 state baseball titles, 3 state softball titles, 2 elite 8 boys' basketball teams, numerous track and cross-country state finalists, numerous all-district musicians, fantastic plays and musicals each year, and the highlight of our music department, the Madrigal Feaste.

Facilities

Olympia is comprised of five buildings on four campuses: Olympia North Elementary in Danvers, Olympia South Elementary in Atlanta, Olympia West Elementary in Minier, and Olympia Middle School and High School in rural Stanford. The buildings are all protected by excellent security systems. They are all climate controlled with both heat and air conditioning, much of which is accomplished through geo-thermal.

Hall of Fame

Olympia is proud to have honored 70 people in our Hall of Fame at OHS. You can see the inductees' information outside the auditorium.

Technology

Olympia is committed to providing our students with access to all types of state of the art technology, including desktops, laptops, iPads, Elmo's, interactive white boards, MacBooks, and Bring Your Own Device (BYOD), with Wi-Fi access throughout the district.

Olympia Foundation for Education (OFFE)

OFFE distributes grants to Olympia teachers for supplemental and enrichment programs. To date, OFFE has awarded over \$30,000 to Olympia faculty.
