Approval of Waiver Renewal to the State Board of Education:

Wendy Richard explained the purpose of requesting the committee to meet was to vote on supporting the District to request a waiver renewal from the State Board of Education for the Engvall property. Wendy noted the property had been declared surplus several years before and that the bargaining units of the District had given their support for this renewal. She further explained the entire process had been done in March of this year but the state returned the request submission stating there had to be a more recent community meeting. Wendy Al-Mukdad called for a vote-all in support of the request to the State Board of Education. The vote was 5-0.

Wendy Richard thanked all that attended and informed the committee that a new resolution will be brought to the board once again.

The meeting adjourned at 5:25 pm
