

Dear Families,

Welcome back to all returning families and a big welcome to all new families. The last year and a half has certainly been one that has forced us to adapt in so many ways and also as a PTO we were not able to work at our full capacity. We are very excited to begin this school year in a traditional fashion. As some of you may know all four of my kids are now officially alumni of the HP family but I have chosen to stay on one more year as President of this board so that together we can bring our PTO back to doing what we have always done best and that is give back to our school community.

I do ask for your support more than ever this year so that we can continue making resources and learning opportunities available to our students and Hanover Park staff. Last year put a big strain on our organization since our fundraising efforts were so limited. We will be relying on our families to help us achieve our goals in fundraising so that each and every student and faculty member can benefit from all that we give back.

Our success is truly due to all of you that get involved. If you are not involved yet, we encourage you to join us! Please email us at hanoverparkpto@gmail.com or like our Hanover Park PTO Facebook page to hear more about how to volunteer, upcoming events, purchase spirit wear, sign up for membership, and more.

I urge each family to pay their one time dues for the school year and we have made it very simple for everyone to do so. We now have a Venmo set up so dues can be paid electronically or you can fill out the form below and send that in along with payment to the main office in an envelope addressed to the PTO. Dues are \$50 for the 2021-2022 school year. Our Venmo is Hanover Park PTO (please note when searching for us in the Venmo search you look under Business)

I have one last request for the Class of 2022 parents. Project Graduation is a very special part of graduation for the seniors and this past year it was a huge success. We will need two senior parents to take on the role of co-chairs of the Project Graduation committee. Please email me at hanoverparkpto@gmail.com to discuss the details and responsibilities of running this event. While this may seem like a big job and scare many off, the PTO supports you each step of the way and once a committee is in place the responsibilities are shared. I can assure you that it is worth the efforts for the last night the class will be able to spend together and celebrate their graduation!

Please stop by the PTO at Back To School Night on Thursday, September 21st and meet us! We look forward to another amazing and successful school year ahead!

Best Regards,

Daniela Rivero

President, Hanover Park PTO
