Richardson Elementary School Annual Education Report (AER) Cover Letter

January 6, 2023

Dear Parents/Guardians and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-2022 educational progress for Richardson Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Tami Pichla or Mrs. Ann Sheffer for assistance.

The AER is available for you to review electronically by [clicking here](#). You can also view this information at the Oscoda Area Schools website, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as "HAS NOT BEEN GIVEN ONE OF THESE LABELS."

The 2021-2022 school year was a year in which all students were required to take the state assessments. This was also another year of quarantines that took place due to the Covid 19 pandemic. Based on the data that we have for the 2021-2022 testing sessions, we have noticed achievement gaps between economically and non-economically disadvantaged students. There are also academic gaps when it comes to students with learning disabilities and those without. As a building our goal is always to outperform the state in growth and we are continuing to work on improving our proficiency data.

Extensive professional development has taken place in the past year to ensure that the staff are able to accommodate for all of our students. This

accommodation would include not only academically, but also behaviorally and social emotionally as well. This professional development has been in the areas of English Language Arts, Technology, Mathematics, Science, and Social Emotional Learning. Having the staff utilize reading and writing across all curricular areas has also been a big push to help accelerate student achievement. Our staff has taken part in extensive training in literacy.

Professional development for student growth data and instruction have also been provided with the purpose of improving instruction, differentiation, and intervention. This professional development helps to address our achievement gaps. We are also actively using universal screeners, such as the NWEA test and Dibels to help us target low achieving students and provide them with the necessary interventions to help them be successful. This data will be important for us to analyze so we can continue to make improvements to all academic instruction across all of our grade levels at Richardson Elementary School.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

Richardson Elementary School participates in "School of Choice" and welcomes students who accurately complete the process. All pupils enrolled at Oscoda Area Schools grades Kindergarten – 6th grades are assigned to Richardson Elementary School. There is only one elementary school in the district so all students in these grades are assigned to this school. The school also houses the OAS district preschool program, Young Owls as well as GSRP and Head Start preschool programs.

2. STATUS OF THE RES IMPROVEMENT PLAN:

Richardson Elementary is continuing to work on our school improvement plan and the new process, MICIP. Our school improvement plans are created by our school improvement team, which consists of teachers and administrators. We have student achievement goals in core academic areas and a goal in regards to Social Emotional Learning. We gather standardized testing data from the previous year, data from our universal screeners, as well as classroom data to develop goals for the upcoming school year. We continue to monitor our goals and data regularly throughout the year to help us evaluate our assessments and instructional methods. We utilize data continuously throughout the year to ensure that we are effectively meeting the needs of all of our students. We have a consultant from BAISD come in and work with our school improvement team throughout the year to ensure that the data and our goals are being regularly checked.

3. SPECIALIZED SCHOOLS:

The Oscoda Area School District does not currently operate any specialized schools.

4. CORE CURRICULUM STATUS:

Richardson Elementary School offers all students a comprehensive and rigorous academic program that meets all state and federal standards. The curriculum is aligned to the National Common Core Standards for Mathematics and Language Arts. These standards can be found online at: <http://www.corestandards.org/>. The Science curriculum is aligned to the Next Generation Science Standards. These standards can be found at <http://www.nextgenscience.org/>. All other curriculum areas are aligned to the Michigan Grade Level Content Expectations and these can be found online at: <http://www.michigan.gov/mde>. Oscoda Area School District is taking the necessary steps to stay current with any changes and to provide any resources and training for staff to deliver all the content accurately to our students. The Richardson Elementary School Curriculum provides learning experiences in all areas of Language Arts, Mathematics, Social Studies, Science, Physical Education, Music, Art, and Technology. We are continually monitoring and updating our curriculum and instructional practices to meet the academic needs of all of our students. Copies of the curriculum as well as pacing guides are available in the main office. You can also see all of our curriculum pieces online at: <https://www.oscodaschools.org/page/strategic-plan>.

5. AGGREGATE LOCAL ASSESSMENT DATA:

This information can be found at: <https://www.mischooldata.org/dashboard-home/>

6. PARENT/TEACHER CONFERENCES:

Richardson Elementary School has excellent parental involvement. Parent Teacher Conferences are held in the fall. For the 2020-2021 school year 86% of our students were represented at conference time. For 2021-2022 we had a 96% participation rate for conferences. Over the past 2 years we had a 91% average engagement percentage for conferences. We continuously strive to improve our parental involvement within our school.

The students and staff at Richardson Elementary School work diligently on a daily basis to increase student achievement. We are proud of our commitment of our staff, students, families, and community members to work together to overcome obstacles and focus on continuous improvement. The 2020-2021 and 2021-2022 school years were trying for everyone as quarantines and Covid 19 really impacted the education of so many students. We are very proud of the resiliency and hard work that our staff and our students showed. As a team we came together and we overcame many new obstacles. As a team, we will continue to strive to reach our vision of academic excellence for all students.

Sincerely,

Mrs. Tami Pichla, Principal

Mrs. Ann Sheffer, Assistant Principal

Annual Education Report Richardson Elementary School (01444)

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
