Kidder County Chromebook Device Protection Plan Payment Due: August 27th, 2021

The Kidder County Chromebook Device Protection Plan is completely optional to families that wish to protect themselves from damage or replacement costs for their student's school issued Chromebook.

Coverage:

- The Kidder County Chromebook Protection Plan covers 100% of all accidental damage to your child's school issued Chromebook. This plan will provide coverage on school grounds, at home, on the bus, really anywhere your child may travel.
- This plan covers one (1) full replacement. An additional plan must be purchased to cover additional replacements.
- If it is determined that the device has been tampered with, i.e. screws missing, etc., this policy will not cover replacement.
- If it is determined that the damage was not accidental, this protection plan will NOT cover the device.
- If your child does not have a protection plan and the device is damaged, you will be charged the full price of either repair or replacement.

Cost: Make checks payable to the “Kidder County School District” and return to the central office in Steele.

This plan provides tiered pricing depending on your families' hot lunch free and reduced meals status. Indicate which option you choose by checking the appropriate box.

_____ Standard (Full Pay) – \$45 per device

_____ F/R (Reduced) – \$35 per device

_____ F/R (Free) – \$25 per device
