

# NOWATA PUBLIC SCHOOLS RE-ENTRY PLAN

### ► Transportation

1. All bus drivers will be required to wear a face-covering and will be provided with gloves.
2. All bus riders will be required to wear a face covering.
3. Bus windows to be left open for airflow.(Subject to Weather)
4. All field trips will be on hold until further notice.
5. Daily cleaning of buses will be mandatory after each route.

## Site Screenings

Staff / Student:

1. Staff will enter each site at designated point(s) of entry.
2. Temperatures will be taken upon entrance. Sites will have staff monitor entrance points and temperatures.
3. Face coverings will be available for staff upon request. All staff will be required to wear a face-covering during the school day. (when they are not able to social distance)

## Site Screenings

### Staff / Student Continued:

6. Locations will be established to house students who may have symptoms or a temperature of 100.4 degrees or greater.
  - a. If a student's temperature registers 100.4 the student will be placed in the holding room. The temperature will be taken again in 30 minutes and if it reflects 100.4 or higher the parent will be called for pick up.
  - b. The use of blankets, pillows, or other fabric will be prohibited.
  - c. Cleaning will occur upon the exit of the quarantined student/staff.
7. Parents will be notified if the student is symptomatic and schedule a pick-up time and location.

Visitor:

  1. Visitors at each site will be limited and by appointment only.
  2. Visitors will be screened for temperatures and required to wear a face covering.
  3. A list of questions will be posted and asked upon entrance at the site to assure visitors are asymptomatic.

## **Child Nutrition**

1. Breakfast/lunch locations will be determined by each site. This could be in the classrooms or in the cafeterias with social distancing being taken into consideration.
2. All leftover food will be disposed of.
3. No salad bar option will be available. This will be served on the serving line.
4. All desks and tables will be sanitized after each lunch period.
5. No outside food deliveries will be allowed during the school day.

## Classroom Procedures

1. Procedures will be adopted at each site for classroom sanitization.
2. It is recommended that classroom design is created to establish social distancing as much as possible.
3. Classroom doors will be left open.
4. Procedures will be adopted at each site to limit the number of students present in the hallways.
5. Promote good hygiene practices and handwashing.

## Recess

1. Playground equipment will be sanitized daily.
2. Each site will determine and set guidelines for the number of students participating in recess.

### **Athletics and Extracurricular Activities**

1. Guidelines for practice will be determined by the athletic director.
2. Sanitization of all equipment will be done on a daily basis.
3. Event guidelines will be determined by the current recommendations of the OSSAA and the CDC.

### **Site Use By Outside Entities / Visitor and Volunteer Protocols**

- At this time facilities will be closed for outside use.
- Visitors will not be permitted for classroom parties, lunch pals, or other activities.

### Facility Cleaning and Sanitization

1. Each site will have a checklist and a timeline of completion for daily sanitization practices.
2. Sanitization stations will be set up at the entrance of each facility and in the common areas.
3. Necessary equipment will be provided at each facility for proper cleaning and student safety:
  1. Touchless thermometers
  2. Electrostatic disinfection machines
  3. CDC approved disinfectant
  4. Hand sanitizer
  5. Drinking fountains will be covered and replaced by bottle fill stations.
  6. Plexiglass shields
  7. Gloves
  8. Staff face coverings

## **Health Concerning COVID-19**

If a staff member or student tests positive:

1. If a staff member or student is confirmed as a positive case of COVID the site shall immediately inform Central Office. A representative from Central Office will then notify all appropriate agencies. A designated member of the administration team will contact all known contacts of the patient via the most effective means of communication.
2. The site shall identify and close the area of the building where the individual spent more than 30 minutes. Wait for at least 24 hours, or as long as possible, before staff disinfects the area with approved cleaners.
3. NPS, along with health officials, will determine if school closure is warranted and what additional measures the school must take to contain exposure.

## Return to School Criteria

1. If a child/staff exhibits symptoms with a fever:
  1. Fever free for at least 72 hours without the use of fever-reducing medications; or
  2. A medical release from a certified physician
2. If a child/staff is feverish with no symptoms:
  1. Fever free for at least 24 hours without the use of fever-reducing medications
3. If a child/staff has a COVID diagnosis:
  1. 10 days have passed since the date of the first positive COVID-19 diagnostic test;
  2. Symptom-free and wear a protective face covering for an additional 10 days.

## Enrollment

1. NPS moved to online enrollment
2. All enrollment forms are found on the School Website

## Response to Disease Levels

### **Level 1**

We anticipate opening at this level on August 13th and reassessing conditions after Labor Day.

- No positive cases of COVID-19 on campus
- No directives from local and/or state agencies to reduce capacities
- School is fully open with COVID-19 well-being protocols in place.
- NPS will offer parents the option of either in-person instruction or virtual program.

## Response to Disease Levels

### Level 2

The increased threat of COVID-19 and or reduced capacity mandated.

- A social distance model will be implemented if the following occur:
  - Health or government officials require reduced capacities
  - The threat has increased due to confirmed or suspected cases on campus
  - NPS officials determine that a reduced capacity is needed beyond what is possible with the number of students present for the in-person model.
- Students previously in the in-person track will transition to a social distance model.
- Students previously on the virtual track will remain in the virtual model.
- The social distance model will consist of 2 days of in-person instruction and 3 days of at-home virtual instruction.

## Response to Disease Levels

### **Level 3**

Virtual learning for all students due to the increased threat of COVID-19 and/or mandated closure.

- 100% virtual learning platform will be implemented if:
  - Health or government officials direct schools to close in order to mitigate COVID-19 transmission.
  - NPS officials determine that closure is needed.
