Comments: Thank you to all the faculty, community members, and Jr High athletes who helped run our meet! It takes over 50 people to run off the meet and we truly appreciate all you do for us!

We had a good number of PR's and season bests for this time of season. The meet was a little smaller than we'd like due to postponing the meet from Friday and some teams weren't able to come to the makeup date. Still we liked how our athletes competed and are encouraged if they continue to work. We have a busy couple weeks, with another 2 meets before this article is even published. If we keep working to get a little better every day, we'll get where we want to be by the end of the season.
