Medals:

Chase Nelson: 400 Dash 2nd

Comments: This meet is always an opportunity for us to see some great competition and this year was no different. For the 2nd year in a row we had an athlete qualify to compete in the Elite Division (top entries from 1A-6A) as Chase Nelson competed in the Triple Jump and finished 7th. About 1 hour earlier Chase set our school record in the 400 Dash, breaking the record held by Ian Barber. Overall the times and distances were down a bit as we fought 20-30 mph winds throughout the meet, but still managed 12 PR's and Season Bests. This meet was held at Cessna Stadium, the site of the State Track Meet so we hope to get some athletes back here later this season.
