Comments: It was a good start to the season. The weather was chilly but our athletes didn't let that bother them and went out and competed. This was a little smaller meet, but there was still some pretty good competition in a few events. It was good to see some PR's already and there were several other events with good times and distances for this early in the season. There are even a couple events that are already pushing towards school records. As long as we keep working, we should be in good position when the League, Regional, and State meets roll around.
