August 18, 2021

Parents/Guardians,

The beginning of the 2021-2022 School Year is upon us and will begin next week, August 23rd! I'm excited to see the students in the building and excited to provide them with the quality education they deserve. I wanted to pass along information that the Mound City R-2 School Board of Education discussed at our meeting last night. At this time, we are not enforcing a mask mandate at Mound City R-2. However, we strongly recommend students and teachers to wear them. The school board has given me the ability to enforce the mask mandate at any given time if the need arises. COVID is still around and we are still dealing with it. Teachers will do their best to social distance students, however it is inevitable that we will have to quarantine students at some point in time during the school year. Please remember that if a student is in quarantine, they will still be required to complete the work assigned by the teacher or they will receive 0 credit for the assignments.

I understand this is a challenging time for everyone. We will do our very best to educate your children and provide them help and support when needed.

Sincerely,

Korey Miles
