Newark Families and Staff,

Don't forget students need a snack every day and students still need a reusable water bottle daily!

Newark Grade School will be undergoing some work this summer! We will be abating asbestos in the office. The entire boiler and HVAC system is being updated. Work will begin as soon as we are out of school. The project is slated to last until August 5th. NGS will have limited office hours. When we return in August - every classroom will have central air and heat with fresh air returns! The board was able to pay for this project with life safety funds and ESSER grant dollars.

What a weekend for our track team! Hopefully you are following us on Facebook! Pictures and congratulations are on the page below! Thank you to our Coaches Jeff Johnson, Tony Rizzo and Jane Crowe for your support of the kids. The weekend was definitely one of the best representations for our school at the state meet! Medals are only given for 1st - 8th place. Congrats to all!

We have a few MAP tests left this week. You will see your student's Fall to Spring progress this year when report cards come home on the last day of school.
