So wonderful to have students back! Thank you for a great first three days! Fall MAP testing will take place for all grades this week and next. Please be sure your student has something for breakfast. The bus routes will remain at four buses and we know this added a few minutes to some routes. Both schools also have snack time at some point before lunch. Students need a healthy snack and a water bottle every day. Please refrain from snacks with peanuts. We have several peanut allergies in the buildings.

MJH students - if you are riding the shuttle bus to MJH - YOU NEED TO ARRIVE AT NGS BY 7:45. The shuttle bus leaves NGS parking lot at 7:48 am. Only students who reside in Newark or who ride the bus are eligible to ride the shuttle. 8th graders will report to Newark High School for classes before 8:00 am.

NGS drop off - please use the middle lane of the parking lot to drop off students in the morning. Drop-offs may begin at 7:35 pm. Students have outside recess every day until 8:00 at NGS (weather pending).

NGS pick up - please line up using the same middle lane of the parking lot. Shuttle buses will arrive by 3:05. We will dismiss bus riders first, then walkers out the side cafe door and then bring out the students being picked up. PLEASE DO NOT block our neighbors driveways in the subdivision.

The state, nor the Federal government renewed funding for offering lunch to everyone for free. Our district does not qualify for any of the grants. Schools need to have at least 50% low income and we are under that threshold. Hot lunch will be \$3.00 per day. Milk is \$0.35 daily. If you would like to be considered for free/reduced lunch fees, please fill out this form and return to the office.

We only had two families attend the Crises Committee meeting last Thursday. Thank you Deputy Kailus for being there and thank you for your input. The "draft" plan is on our website under parent resources. We will be finalizing as a staff and ask the Board of Education to approve in September. Thank you also to the family donation adding to our Crisis Plan supply budget. We have a very special community!

We have a few families looking for childcare after school. If you know of anyone who has openings for childcare, please let Mrs. Turman or Mrs. Hauge know and we can pass on that information to our families inquiring. The Y Safe program didn't have enough signups to operate in our building this year. We cannot give out family information without permission. If you can help with after school care, we thank you in advance for contacting us.

Our phones are up and running! Don't hesitate to contact us with any questions or help! Have a fantastic week!

Partners in Education,

Mrs. Turman and Ms. Chase

The Kendall County Health Department announces the start of the Energy Assistance Program for residents of Kendall and Grundy counties

LIHEAP is available for ALL income qualified households beginning September 1, 2022.

The Kendall County Health Department, as administrator of the Home Energy Assistance Program in Kendall and Grundy County, is pleased to announce that funds are available to assist income-eligible households with their natural gas, propane, electric bills and furnace assistance.

The program will begin September 1, 2022 for all income-eligible households. Applications will be taken on a first-come, first-served basis through May 31, 2023. There will be no priority groups this program year. Households in need are encouraged to apply.

Households must be at or below 200% of the federal poverty level to receive a benefit from the LIHEAP Program. The 30-day income guidelines for LIHEAP are based on Federal Poverty Guidelines, State Median Income and the number of persons living in the household. The income guidelines are as follows: 1-\$2,265, 2-\$3,052, 3-\$3,838, 4-\$4,625. Go to www.kendallhealth.org to know income limits for households with 5 members and more.

The Low Income Home Energy Assistance Program (LIHEAP) provides one-time benefits to income eligible homeowners and renters to help with energy bills and for reconnection of energy service. Propane customers are encouraged to apply when the program opens in September to take greater advantage of lower propane prices. Propane prices typically increase during the winter months so by applying early, propane customers will see their LIHEAP benefit go further.

The documentation required at the time of application:

1. Proof of gross income from all household members for the prior 30-day period beginning with the date of application.
2. Proof of Social Security numbers or Individual Taxpayer Identification Number (ITIN) for all household members. Individuals without an SSN or ITIN can still apply and the Kendall County Health Department will advise accordingly.
3. A copy of current heat and electric bills issued within the last 30 days.
4. A copy of rental agreement (if renting) showing that utilities are included, the monthly rental amount, and landlord contact.
5. Other documents may be needed based on your household situation. If you have questions regarding this, please call our office.

Water and sewer cost assistance is available this year in the Low Income Household Water Assistance Program (LIHWAP). You can apply for water and sewer assistance on the same application as LIHEAP. Bring your water

Applications will be taken at the Kendall County Health Department, located 811 W John St. Yorkville, IL and the Grundy office located at 1802 N Division St. Morris, IL. There will be other sites available in Plano, Coal City, and Gardner to also apply. Kendall County residents must call 630-553-9100 to make an appointment while Grundy County residents can call 815-941-3262.

All students need a healthy snack and water bottle
each day for snack time at both schools. Please be
aware of peanut allergies.
Thank you!
