Our practice active shooter/intruder drill took place on Friday with Deputy Briars. The kids were so awesome. We just discussed scenarios and how they would react. The Kendall County Health Department announces the start of the Energy Assistance Program for residents of Kendall and Grundy counties

LIHEAP is available for ALL income qualified households beginning September 1, 2022.

The Kendall County Health Department, as administrator of the Home Energy Assistance Program in Kendall and Grundy County, is pleased to announce that funds are available to assist income-eligible households with their natural gas, propane, electric bills and furnace assistance.

The program will begin **September 1, 2022** for all income-eligible households. Applications will be taken on a first-come, first-served basis through May 31, 2023. There will be no priority groups this program year. Households in need are encouraged to apply.

Households must be at or below 200% of the federal poverty level to receive a benefit from the LIHEAP Program. The 30-day income guidelines for LIHEAP are based on Federal Poverty Guidelines, State Median Income and the number of persons living in the household. The income guidelines are as follows: 1-\$2,265, 2-\$3,052, 3-\$3,838, 4-4,625. Go to www.kendallhealth.org to know income limits for households with 5 members and more.

The Low Income Home Energy Assistance Program (LIHEAP) provides one-time benefits to income eligible homeowners and renters to help with energy bills and for reconnection of energy service. Propane customers are encouraged to apply when the program opens in September to take greater advantage of lower propane prices. Propane prices typically increase during the winter months so by applying early, propane customers will see their LIHEAP benefit go further.

The documentation required at the time of application:

1. Proof of gross income from all household members for the prior 30-day period beginning with the date of application.
2. Proof of Social Security numbers or Individual Taxpayer Identification Number (ITIN) for all household members. Individuals without an SSN or ITIN can still apply and the Kendall County Health Department will advise accordingly.
3. A copy of current heat and electric bills issued within the last 30 days.
4. A copy of rental agreement (if renting) showing that utilities are included, the monthly rental amount, and landlord contact.
5. Other documents may be needed based on your household situation. If you have questions regarding this, please call our office.

Water and sewer cost assistance is available this year in the Low Income Household Water Assistance Program (LIHWAP). You can apply for water and sewer assistance on the same application as LIHEAP. Bring your water

bill(s) with you to your LIHEAP appointment. Help with arrearages is available as well as rate reduction assistance of \$100-\$400, depending upon your income level. Prior year recipients are eligible to re-apply.

Applications will be taken at the Kendall County Health Department, located 811 W John St. Yorkville, IL and the Grundy office located at 1802 N Division St. Morris, IL. There will be other sites available in Plano, Coal City, and Gardner to also apply. Kendall County residents must call 630-553-9100 to make an appointment while Grundy County residents can call 815-941-3262.
