Newark Families and Staff,

We hope everyone had time to relax, spend time with friends and family and enjoy the start to the holiday season!

Mrs. Shaddle and her husband were blessed with the birth of their baby girl over the weekend! Mom and baby are doing well. Help us welcome Ms. Abbey Akre to our family to help out our first grade classroom!

Winter weather brings our 5 things! (coat, hat, gloves, snow pants, boots). We recess outside every day (unless it is raining). We also will be outside as long as the temperature/feels like temperature is at 20 degrees or higher. MJH students also recess outside!

The Giving Tree is set up at Millbrook Jr. High with ornaments for families who may need a little help this year. Our social workers work with families to determine basic needs for our own families in the district. If you would like to help this year, ornaments may be picked up at MJH. The tree will also be on display at MJH on December 8th - our Annual Christmas K - 4 Concert from 6:00 pm - 7:30 pm. All donations are due back to either school by December 15th. We will also collect for our annual hat and mitten drive that day.

Songs for the Christmas Concert to practice at home can be found here:

REMINDER: if your child is going home a different way than normal, please make sure to call the office or send a note with them to school.

Welcome back! We wish you a wonderful week ahead! It's the most wonderful time of the year and it will be busy!

Be safe and stay well!

Partners in Education,

Mrs. Turman and Ms. Chase

NGSD66 Illness Protocol: Should Your Child Stay Home?

In most situations the staff of Newark Grade School District 66 prefers students come to school and if they become ill at school the parent/guardian will be notified. However, here are a few guidelines to help you decide whether your child is too ill to go to school.

Fever

Your child should stay home if he/she has a temperature at or above 100.4° F. Your child may return to school when he has been fever-free without the use of fever-reducing medication for 24 hours.

Contagious Illness

- Your child should stay home from school if he/she has a contagious disease. A contagious disease is one that is spread by close contact with a person or object. This could include chicken pox, influenza, vomiting, diarrhea, strep throat, "pink eye" with copious amounts of yellow or green drainage. Some illnesses may be contagious before the child shows signs of illness. It is very hard to prevent the spread of some germs, especially in a community setting. Good hand washing is the best way to prevent the spread of disease.
- If your child has chicken pox or strep throat, ask your doctor when he/she may return to school. Generally, children who have active chicken pox should not return to school until all the lesions are dried and crusted. Children with strep throat should be on antibiotics for 24 hours and be feeling well enough to concentrate before returning to school.

Your child is too ill to go to school if he/she has any of these signs:

- Has vomiting or diarrhea, unless these are determined to be due to a non-communicable condition and the child is not in danger of dehydration and feels well enough to participate in school. Please keep your child home for 24 hours from the last episode of vomiting.
- Is wheezing or consistently short of breath.
- Has a cough that disrupts sleep and/or normal activity.
- Has copious amounts of yellow or green drainage from the eye. If the doctor has given antibiotics, the child may return to school after 24 hours of treatment or according to the doctor's note.
- Rash that is rapidly spreading or accompanied by fever or has open, weeping lesions (rash without fever or other symptoms usually does not require the student to stay home)

Your child may be able to come to school even if:

- He/she has a mild stuffy nose, sneezing, and a mild cough without fever. Reinforce the importance of frequent hand washing.
- He/she has experienced one or two episodes of diarrhea without vomiting, abdominal pain, or fever.

ANTLERS

A Fashionable Musical For Young Voices
by Teresa Jennings & Karl Hiltunen

NGS Mini-Musical Thursday, December 8 6pm @ Millbrook Jr High Information

This year instead of our normal concert, we are performing our first ever mini-musical! The date of this year's performance is Thursday, December 8th at 6pm held at Millbrook Jr High. Antlers is a mini-musical about 3 of Santa's reindeer who have recently graduated from Reindeer School but desire another career possibility, Fashion Designers! This humorous story line and up-tempo music will be enjoyable for the whole family and wraps up with a walk on the runway to show off each child's antler designs.

All Newark Grade School students are encouraged to participate in this performance. Below is the Google Drive link for a folder of the music for this performance, both with voices and without voices to help students learn the songs, as well as a link to the lyrics sheets. (This link will be shared in NGS E-News as well.)

Antlers Music Recordings Link:

<https://drive.google.com/drive/folders/1oIHkiGxHwwh77ECGYt2qQC6f7cmiOJCD?usp=sharing>

Antlers Music Lyrics Sheets Link:

<https://drive.google.com/drive/folders/1SprRG8uQ7wO5yZ4xyw3o8YrgKnaJo6i8?usp=sharing>

There are 7 songs in the mini-musical. Different from past concerts, this year all students will sing all songs. We have been learning these songs in our music time at school and the words will be on screens for the students to use during the concert. Please, download these songs and go over them with your children. Even just playing them in your vehicle while you go about your day will help them retain what we are learning in class. Encourage the whole family to get into the spirit by singing the songs together!

In addition to helping your child retain their learning of these songs, each student is asked to dress as a reindeer or an elf, their choice. This costume can be as simple or as elaborate as you desire and can be made at home from clothing pieces you already have or can be purchased if you prefer. Here are a few ideas for simple costumes:

Reindeer: Simple -Brown pants, long sleeved brown shirt, simple antlers (made with sticks or even pipe cleaners secured on a headband or purchased ones)
Advanced - Brown pants, long sleeved shirt or brown onesie sleeper. Add white chest on the shirt using felt or fabric. Brown gloves. Face paint like a deer. Large wired felt antlers made or purchased. Let your imagination fly.

IMPORTANT DATES:

Monday, December 5th - Create wish lists during PE class

Tuesday, December 6th - Purchase items by individual classes during PE

Wednesday, December 7th - Purchase items by individual classes during PE

The shop opens Monday, December 5th and runs through Thursday, December 7th. There are over 100 different gifts that can be purchased and prices range from \$.25 - \$12. We will be sending home money envelopes with a gift list in the next few days. Please send cash or checks made out to Newark PTO. On their wish lists, they will be able to write down what they are wishing to purchase and the price.

Parents we are also looking for volunteers to help assist with wish lists and purchases. If you are able to help and join in this excitement, please sign up on the signup genius that went out.

Holiday Concert & PTO

SPREAD THE WARMTH

Help kids in our community stay warm this winter with our Annual Hat & Mitten Drive. Bring NEW winter hats, mittens & gloves to Millbrook Junior High the night of our Holiday Concert on December 8th. PTO will have a box for you to drop items off. We will continue accepting donations until Wednesday, December 14th. You can also bring items to the office at the Newark Grade School.

If you choose to give a monetary donation instead, please give it to one of the PTO members and let them know it is for hats and mittens. Half of the collected items will be donated to Kendall County Food Pantry and the other half will be made available for NGS students as needed during the winter months (My 5 Things).

THE GIVING TREE

There will be a Giving Tree set up at the Holiday Concert at the Millbrook Jr. High with paper ornaments. If you wish to participate, please choose an ornament, which will have the students gender and wished-for gift. Please then drop off the gift with the ornament attached as the gift tag to Newark Grade School by December 14th.

Giving Tree

The Holiday season is around the corner and for many of us is merry making time.

However, for some families, this is not the case. Every year, Newark District #66 extends the offer to families in need to list basic winter wishes for their children. Our school staff, outside agencies and PTO are involved in purchasing/donating funds for our families. This year, we are again extending the offer to our school community by setting up a Giving Tree, allowing everyone a chance to give this holiday season.

There will be a Giving Tree set up at Newark Grade School and Millbrook Jr. High with paper ornaments. If you wish to participate, please choose an ornament, which will have the students gender and wished-for gift. Please drop off the gift with the ornament attached as the gift tag to Newark Grade School by December 14th.

We are grateful for the community support this holiday season.

Newark-Millbrook PTO
503 Chicago Rd
Newark, IL 60541

Dear Parents,

We are writing you on behalf of the Newark-Millbrook PTO to request donations for our annual Daddy/Daughter Dance scheduled for March 11, 2023. The donations are collected to make the raffle baskets and the sales of the tickets will go towards repairs to the school playground equipment, classroom supplies, and other essential educational materials for both the Newark Grade School and Millbrook Junior High.

We are creating gift baskets filled with fun merchandise, gift cards and services generously donated by local businesses (or parent donations) that will be part of the raffle ticket fundraiser at the event.

Should you make a cash donation or donation of goods or services, your business will be recognized at the Daddy/Daughter Dance as well as in the school enews. We will also provide a donation receipt letter with the PTO's tax exempt ID number for your records.

Donations can be sent directly to Newark Grade School or Millbrook Junior High, or we can pick-up at your convenience. We ask that donations are received no later than Monday, January 30, 2032. If you have any questions or need further information, please contact either Gilly Fordyce.

On behalf of the students, parents, and faculty of Newark Grade School and Millbrook Junior High, thank you for your consideration.

Sincerely,

Gilly Fordyce

WHAT IS SAFE2HELP IL?

Safe2Help IL is a program with a multifaceted approach to help prevent suicides, bullying, school violence, or other threats to school safety. The program offers a website with self help resources and videos, a classroom resource kit to help change the culture in Illinois schools, and a 24/7 **confidential** way to share information regarding safety issues impacting you or your friend's safety. Our goal is for students to **"Seek Help Before Harm."**

Fever treatment: Quick guide to treating a fever

By Mayo Clinic Staff

A fever is a common sign of illness, but that's not necessarily a bad thing. In fact, fevers seem to play a key role in fighting infections. So should you treat a fever or let the fever run its course? Here's help making the call.

These recommendations are for people who are generally healthy — for instance, those who are not immunocompromised or taking chemotherapy drugs and haven't recently had surgery.

The values listed in the table below are for temperatures taken with rectal and oral thermometers. These thermometers provide the most accurate measurement of core body temperature. Other types of thermometers, such as ear (tympanic membrane) or forehead (temporal artery) thermometers, although convenient, provide less accurate temperature measurements.

Infants and toddlers

| Age | Temperature | What to do |
|-------------|---|---|
| 0-3 months | 100.4 F (38 C) or higher taken rectally | Call the doctor, even if your child doesn't have any other signs or symptoms. |
| 3-6 months | Up to 102 F (38.9 C) taken rectally | Encourage your child to rest and drink plenty of fluids. Medication isn't needed. Call the doctor if your child seems unusually irritable, lethargic or uncomfortable. |
| 3-6 months | Above 102 F (38.9 C) taken rectally | Call the doctor; he or she may recommend that you bring your child in for an exam. |
| 6-24 months | Above 102 F (38.9 C) taken rectally | Give your child acetaminophen (Tylenol, others). If your child is age 6 months or older, ibuprofen (Advil, Motrin, others) is OK, too. Read the label carefully for proper dosage. Don't give aspirin to an infant or toddler. Call the doctor if the fever doesn't respond to the medication or lasts longer than one day. |

Children

| Age | Temperature | What to do |
|------------|--|--|
| 2-17 years | Up to 102 F (38.9 C) taken rectally for children ages 2-3, or taken orally for children older than 3 | Encourage your child to rest and drink plenty of fluids. Medication isn't needed. Call the doctor if your child seems unusually irritable or lethargic or complains of significant discomfort. |
| 2-17 years | Above 102 F (38.9 C) taken rectally for children ages 2-3, or taken orally for children older than 3 | If your child seems uncomfortable, give your child acetaminophen (Tylenol, others) or ibuprofen (Advil, Motrin, others). Read the label carefully for proper dosage and be careful not to give your child more than one medication containing acetaminophen, such as some cough and cold medicines. Avoid giving aspirin to children or teenagers. Call the doctor if the fever doesn't respond to the medication or lasts longer than three days. |

Adults

| Age | Temperature | What to do |
|-----------------|-----------------------------------|---|
| 18 years and up | Up to 102 F (38.9 C) taken orally | Rest and drink plenty of fluids. Medication isn't needed. Call the doctor if the fever is accompanied by a severe headache, stiff neck, shortness of breath, or other unusual signs or symptoms. |
| 18 years and up | Above 102 F (38.9 C) taken orally | If you're uncomfortable, take acetaminophen (Tylenol, others), ibuprofen (Advil, Motrin IB, others) or aspirin. Read the label carefully for proper dosage and be careful not to take more than one medication containing acetaminophen, such as some cough and cold medicines. Call the doctor if the fever doesn't respond to the medication, is consistently 103 F (39.4 C) or higher or lasts longer than three days. |
