Newark Families and Staff,

Winter weather brings our 5 things! (coat, hat, gloves, snow pants, boots). We recess outside every day (unless it is raining). We also will be outside as long as the temperature/feels like temperature is at 20 degrees or higher. MJH students also recess outside!

The Giving Tree is set up at Millbrook Jr. High with ornaments for families who may need a little help this year. If you would like to help this year, ornaments may be picked up at MJH. The tree will also be on display at MJH on December 8th - our Annual Christmas K - 4 Concert from 6:00 pm - 7:30 pm. All donations are due back to either school by December 15th.

REMINDER: if your child is going home a different way than normal, please make sure to call the office or send a note with them to school.

The Board of Education will be holding public hearings on two items this month. 1 - an extended waiver that allows children of certified staff to attend our district tuition free; 2 - Hearing on the Levy where the district is asking for a 6.16 overall increase. Our district is tax capped at 5% or CPI, whichever is lower. However - we received information from the County on assessed evaluation increases. School districts only receive what the county allows in assessments. Per law, anything over 5% requires a Truth in Taxation Hearing. This hearing notice will be posted in the Kendall County Record on December 8th. Our levy does not ask for a higher tax rate overall, just a higher levy amount. If we leave money "on the table," we can never go back and ask for it. Copies of the hearings can be found on our website under Community Resources. If you have any questions, please feel free to contact Mrs. Turman.

We also posted on our FB page reaching out to the Class of 1996! We are out of space for our current students to create their 8th grade bricks. We are going to use the space from 1996 for our Class of 2023 and Class of 2024. Please visit our FB page for more info and reach out with any questions. We will keep pictures of the Class of 1996 bricks on file.

We wish you a wonderful week ahead! This week we celebrate our 8th grade BB team and the Holiday Store is at NGS! Be well!

Partners in Education,
Mrs. Turman and Ms. Chase

NGSD66 Illness Protocol: Should Your Child Stay Home?

In most situations the staff of Newark Grade School District 66 prefers students come to school and if they become ill at school the parent/guardian will be notified. However, here are a few guidelines to help you decide whether your child is too ill to go to school.

Fever

Your child should stay home if he/she has a temperature at or above 100.4° F. Your child may return to school when he has been fever-free without the use of fever-reducing medication for 24 hours.

Contagious Illness

- Your child should stay home from school if he/she has a contagious disease. A contagious disease is one that is spread by close contact with a person or object. This could include chicken pox, influenza, vomiting, diarrhea, strep throat, "pink eye" with copious amounts of yellow or green drainage. Some illnesses may be contagious before the child shows signs of illness. It is very hard to prevent the spread of some germs, especially in a community setting. Good hand washing is the best way to prevent the spread of disease.
- If your child has chicken pox or strep throat, ask your doctor when he/she may return to school. Generally, children who have active chicken pox should not return to school until all the lesions are dried and crusted. Children with strep throat should be on antibiotics for 24 hours and be feeling well enough to concentrate before returning to school.

Your child is too ill to go to school if he/she has any of these signs:

- Has vomiting or diarrhea, unless these are determined to be due to a non-communicable condition and the child is not in danger of dehydration and feels well enough to participate in school. Please keep your child home for 24 hours from the last episode of vomiting.
- Is wheezing or consistently short of breath.
- Has a cough that disrupts sleep and/or normal activity.
- Has copious amounts of yellow or green drainage from the eye. If the doctor has given antibiotics, the child may return to school after 24 hours of treatment or according to the doctor's note.
- Rash that is rapidly spreading or accompanied by fever or has open, weeping lesions (rash without fever or other symptoms usually does not require the student to stay home)

Your child may be able to come to school even if:

- He/she has a mild stuffy nose, sneezing, and a mild cough without fever. Reinforce the importance of frequent hand washing.
- He/she has experienced one or two episodes of diarrhea without vomiting, abdominal pain, or fever.

A Fashionable Musical For Young Voices
by Teresa Jennings & Karl Hiltunen

NGS Mini-Musical Thursday, December 8 6pm @ Millbrook Jr High Information

This year instead of our normal concert, we are performing our first ever mini-musical! The date of this year's performance is Thursday, December 8th at 6pm held at Millbrook Jr High. Antlers is a mini-musical about 3 of Santa's reindeer who have recently graduated from Reindeer School but desire another career possibility, Fashion Designers! This humorous story line and up-tempo music will be enjoyable for the whole family and wraps up with a walk on the runway to show off each child's antler designs.

All Newark Grade School students are encouraged to participate in this performance. Below is the Google Drive link for a folder of the music for this performance, both with voices and without voices to help students learn the songs, as well as a link to the lyrics sheets. (This link will be shared in NGS E-News as well.)

Antlers Music Recordings Link:

<https://drive.google.com/drive/folders/1olHkiGxHwwh77ECGYt2qQC6f7cmiOJCD?usp=sharing>

Antlers Music Lyrics Sheets Link:

<https://drive.google.com/drive/folders/1SprRG8uQ7wO5yZ4xyw3o8YrgKnaJo6i8?usp=sharing>

There are 7 songs in the mini-musical. Different from past concerts, this year all students will sing all songs. We have been learning these songs in our music time at school and the words will be on screens for the students to use during the concert. Please, download these songs and go over them with your children. Even just playing them in your vehicle while you go about your day will help them retain what we are learning in class. Encourage the whole family to get into the spirit by singing the songs together!

In addition to helping your child retain their learning of these songs, each student is asked to dress as a reindeer or an elf, their choice. This costume can be as simple or as elaborate as you desire and can be made at home from clothing pieces you already have or can be purchased if you prefer. Here are a few ideas for simple costumes:

Reindeer: Simple -Brown pants, long sleeved brown shirt, simple antlers (made with sticks or even pipe cleaners secured on a headband or purchased ones)
Advanced - Brown pants, long sleeved shirt or brown onesie sleeper. Add white chest on the shirt using felt or fabric. Brown gloves. Face paint like a deer. Large wired felt antlers made or purchased. Let your imagination fly.

SPREAD THE WARMTH HAT & MITTEN DRIVE

Help kids in our community stay warm this winter with our Annual Hat & Mitten Drive. Bring NEW winter hats, mittens & gloves to Millbrook Junior High the night of our Holiday Concert on December 8th. PTO will have a box for you to drop items off. We will continue accepting donations until Thursday, December 14th. You can also bring items to the office at the Newark Grade School.

If you choose to give a monetary donation instead, please give it to one of the PTO members and let them know it is for hats and mittens. Half of the collected items will be donated to Kendall County Food Pantry and the other half will be made available for NGS students as needed during the winter months (My 5 Things).

Giving Tree

The Holiday season is around the corner and for many of us is merry making time.

However, for some families, this is not the case. Every year, Newark District #66 extends the offer to families in need to list basic winter wishes for their children. Our school staff, outside agencies and PTO are involved in purchasing/donating funds for our families. This year, we are again extending the offer to our school community by setting up a Giving Tree, allowing everyone a chance to give this holiday season.

There will be a Giving Tree set up at Newark Grade School and Millbrook Jr. High with paper ornaments. If you wish to participate, please choose an ornament, which will have the students gender and wished-for gift. Please drop off the gift with the ornament attached as the gift tag to Newark Grade School by December 14th.

We are grateful for the community support this holiday season.

No-Bake Healthy Peanut Butter Balls

Peanut butter contains all the healthy fiber and nutrients from peanuts and can also help as a snack for controlling hunger.

This 3-Ingredient, No-Bake Old Fashioned Peanut Butter Ball recipe is simple to make and will take you back to your childhood with the first bite!

Servings: 12 -18 balls Prep Time: 11 minutes

Ingredients

- ☐ 1 Cup Peanut Butter (natural peanut butter works best)
- ☐ 1 Cup Honey
- ☐ 2 Cups Dry Powdered Milk (adjust amount to desired consistency)
- ☐ Various optional ingredients to roll in – dry oats, dried cranberries, coconut, etc.

Instructions

1. Mix the peanut butter, honey and dry milk together in a bowl.
2. Add optional ingredients
3. Remove a scoop and form into a ball.

This was a go-to in our family when children had little appetite due to illness. The combination of peanut and milk provide a complete protein and the kids enjoyed eating them. If they ate nothing else, I knew they were getting some beneficial nutrition.
