Newark Families and Staff,

Wow! We are still reveling in the spirit of the Christmas Concert! What a wonderful performance by our K - 4 students! Thank you to Mrs. Hager! Thank you to the entire staff, MJH staff, PTO moms and dads, Fox Township for the chairs, and Santa! The video is on our Facebook page. We enjoyed watching it again Friday during indoor morning recess and lunch! The kids were amazing!

Giving tree donations are due back to either school by December 15th. Thank you to our community for supporting our families this holiday season!

REMINDER: if your child is going home a different way than normal, please make sure to call the office or send a note with them to school.

The Board of Education will be holding public hearings on two items this month. 1 - an extended waiver that allows children of certified staff to attend our district tuition free; 2 - Hearing on the Levy where the district is asking for a 6.16 overall increase. Our district is tax capped at 5% or CPI, whichever is lower. However - we received information from the County on assessed evaluation increases. School districts only receive what the county allows in assessments. Per law, anything over 5% requires a Truth in Taxation Hearing. This hearing notice was posted in the Kendall County Record on December 8th. Our levy does not ask for a higher tax rate overall, just a higher levy amount. If we leave money "on the table," we can never go back and recover it. Copies of the hearings can be found on our website under Community Resources. If you have any questions, please feel free to contact Mrs. Turman.

We also posted on our FB page reaching out to the Class of 1996! We are out of space for our current students to create their 8th grade bricks. We are going to use the space from 1996 for our Class of 2023 and Class of 2024. Please visit our FB page for more info and reach out with any questions. We will keep pictures of the Class of 1996 bricks on file.

Winter weather brings our 5 things! (coat, hat, gloves, snow pants, boots). We recess outside every day (unless it is raining). MJH students also recess outside!

Band Concert, Jr. 10 BBB tourney, 6th field trip, and PTO movie night this week! We wish you a wonderful week ahead!

Partners in Education,
Mrs. Turman and Ms. Chase

Dates to Remember:

Giving Tree donations due December 15th. Please drop off at either NGS or MJH! Thank you for your support!

December 12 - Band concert at NCHS 7:00 pm

December 15 - 6th grade Wolves Game

FOR KIDS 12/16

PTO wishes everyone a very Merry Christmas
and a safe and Happy New Year

NGSD66 Illness Protocol: Should Your Child Stay Home?

In most situations the staff of Newark Grade School District 66 prefers students come to school and if they become ill at school the parent/guardian will be notified. However, here are a few guidelines to help you decide whether your child is too ill to go to school.

Fever

Your child should stay home if he/she has a temperature at or above 100.4° F. Your child may return to school when he has been fever-free without the use of fever-reducing medication for 24 hours.

Contagious Illness

- Your child should stay home from school if he/she has a contagious disease. A contagious disease is one that is spread by close contact with a person or object. This could include chicken pox, influenza, vomiting, diarrhea, strep throat, "pink eye" with copious amounts of yellow or green drainage. Some illnesses may be contagious before the child shows signs of illness. It is very hard to prevent the spread of some germs, especially in a community setting. Good hand washing is the best way to prevent the spread of disease.
- If your child has chicken pox or strep throat, ask your doctor when he/she may return to school. Generally, children who have active chicken pox should not return to school until all the lesions are dried and crusted. Children with strep throat should be on antibiotics for 24 hours and be feeling well enough to concentrate before returning to school.

Your child is too ill to go to school if he/she has any of these signs:

- Has vomiting or diarrhea, unless these are determined to be due to a non-communicable condition and the child is not in danger of dehydration and feels well enough to participate in school. Please keep your child home for 24 hours from the last episode of vomiting.
- Is wheezing or consistently short of breath.
- Has a cough that disrupts sleep and/or normal activity.
- Has copious amounts of yellow or green drainage from the eye. If the doctor has given antibiotics, the child may return to school after 24 hours of treatment or according to the doctor's note.
- Rash that is rapidly spreading or accompanied by fever or has open, weeping lesions (rash without fever or other symptoms usually does not require the student to stay home)

Your child may be able to come to school even if:

- He/she has a mild stuffy nose, sneezing, and a mild cough without fever. Reinforce the importance of frequent hand washing.
- He/she has experienced one or two episodes of diarrhea without vomiting, abdominal pain, or fever.

Updated 11/2022

SPIRIT WEEK!

December 19 - 22

Monday, Dec. 19: Pajama Day

Tuesday, Dec. 20: Hat Day

Wednesday, Dec. 21: Ugly Christmas Sweater

Thursday, Dec. 22: Dress like your favorite teacher OR sock day

Giving Tree

The Holiday season is around the corner and for many of us is merry making time.

However, for some families, this is not the case. Every year, Newark District #66 extends the offer to families in need to list basic winter wishes for their children. Our school staff, outside agencies and PTO are involved in purchasing/donating funds for our families. This year, we are again extending the offer to our school community by setting up a Giving Tree, allowing everyone a chance to give this holiday season.

There will be a Giving Tree set up at Newark Grade School and Millbrook Jr. High with paper ornaments. If you wish to participate, please choose an ornament, which will have the students gender and wished-for gift. Please drop off the gift with the ornament attached as the gift tag to Newark Grade School by December 14th.

We are grateful for the community support this holiday season.

Newark/Millbrook Schools

It's simple....

Go to smile.amazon.com and select
Newark-Millbrook PTO

As your charity!

If you are already an Amazon Prime
Member, it will recognize you and update
your existing account.

Come and join the fun and meet other families as we work together with our teachers to support the ones that matter most..... Our Students!

As a parent/guardian of a NGS or MJH student, we encourage you to participate in any way you can, even if that means volunteering just an hour of your time once a month to participate in the PTO monthly meetings.

The PTO meetings are organized for the purpose of supporting the education of our children in both the NGS and MJH and building relationships among the school, parents, teachers and community; while providing financial support for programs funded outside the annual school budget.

MEETING DATES: We meet the 1st Tuesday of each month at 6pm in the NSG Cafeteria or Millbrook Junior High

2022

- **September 7th**
- **October 13th**
- **November 1st**
- **December 6th**

2023

- **January 11th**
- **February 7th**
- **March 7th**
- **April 4th**
- **May 2nd**

*** Children are welcome to come play in the gym during the meeting***

WHAT IS SAFE2HELP IL?

Safe2Help IL is a program with a multifaceted approach to help prevent suicides, bullying, school violence, or other threats to school safety. The program offers a website with self help resources and videos, a classroom resource kit to help change the culture in Illinois schools, and a 24/7 **confidential** way to share information regarding safety issues impacting you or your friend's safety. Our goal is for students to **"Seek Help Before Harm."**

DID YOU KNOW?

70%

of teens have experienced struggles with mental health.

1 in 6 students experienced a major depressive episode in 2020.

1 in 5 high schools students report being bullied in school.

of adolescents increased their use of alcohol.

Helmar Lutheran Food Pantry

Are you having trouble making ends meet? These are certainly challenging times with gas, food, medicine, and utilities all climbing higher and higher. Whether you're trying to meet your own needs or those of a family, it can be stressful. Helmar Lutheran Food Pantry can help stretch those dollars by offering free food at our distributions twice a month.

We serve the Kendall County area but will never turn anyone away in need of food, no matter your location. Matthew 25:35, "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in,..."

Should you, your family or someone you know need food assistance, please come to:

Helmar Lutheran Food Pantry
11935 Lisbon Road
Newark, IL 60541

Distribution*:

2nd Friday of each month from 5-7pm

4th Monday of each month from 3-5pm

Please bring with you the following:

2 proof of residency: Driver's License, State ID, Utility Bill, etc.

1 proof of dependent children: SS Card, Birth Certificate, report card, etc.

Any questions, please call (815)695-5489 and choose Food Pantry option.

*Distribution may be adjusted near a holiday

Kumla Fundraiser Dinner

All proceeds go to
Helmar Lutheran Church

4-H PROJECT "TRY IT" DAY (ages 5-14)
10 a.m. - 1 p.m. | St. Charles
Registration closes Dec. 18

Explore different 4-H project areas with hands-on learning stations, and create and bring home cool stuff! This indoor event is great for:

- Anyone new to 4-H or anyone who wants to explore 4-H project areas
- Families looking for a fun activity for winter break

Ages 8+ will do activities related to vet science, environmental science, and visual arts. We also will have fun, age-appropriate stations for ages 5-8.

FEB
11

BRIDGE BUST 2023 (ages 10-18 and families)
9 a.m. - 1 p.m. | Yorkville | Registration closes Dec. 15

Bridge Bust is back! Now in its 9th year, this fun, challenging event tests bridge-building prowess, and encourages math, engineering, teamwork, problem-solving, and communication skills. Bridges will be judged on both structural efficiency and aesthetics. You can join the fun with: youth teams (ages 10+), family teams (adults and ages 5+), or school teams (5-12th grades).

Healthier Desserts

Reviewed by Christine Mikstas, RD, LD on November 03, 2020

Most people in the United States enjoy desserts and sweets are abundantly available. If you are concerned with your sugar intake it is possible to change your cravings for the sweet stuff. Gradually decreasing sugar in your diet can minimize your desire for sugar over time. If this is something you have thought about, consider trying some of the following ideas.

Berries and Cream

It's a classic combo. Berries are sweet, juicy, and low in calories. They also have many heart-healthy nutrients, like antioxidants and fiber. Dress a cup of them up with a dollop of whipped cream or low-fat sour cream – it adds 20 to 50 calories, but little to no sugar.

Frozen Fruit Bars

Some store-bought brands offer low-calorie, lower-sugar options. Or make your own to avoid, or at least limit, added sugars. Look for recipes that use more fruit than juice. That way, you'll still get some fiber and other nutrients in your sweet treat.

Dark Chocolate

Enjoying an ounce a few times a week is not as bad for your diet as you might think. It has less sugar and more cocoa than milk chocolate. That means fewer calories, but more nutrients like flavonoids. For the most benefit, look for cocoa content of 70% or more, but keep in mind that caffeine content goes up with the cocoa, too.

Yogurt Parfait

It can feel as indulgent as an ice cream sundae, with less added sugar, more fiber, and plenty of nutrients. Start with plain yogurt, which has far less sugar than flavored types. Top it with fresh berries and a few nuts. A bit of granola is OK, too. Just watch the portion size – 1 cup is a serving of yogurt, but you may opt for less if you're having it after a meal.

Oat Apple Crisp

In the mood for apple pie? This warm, gooey treat could hit the spot. Look for recipes that use more oats, nuts, and fruit, and less white flour, sugar, and butter. Baking the apples brings out their natural sweetness. Oats and nuts add fiber and healthy fats.

Fruit and Cheese

Try it instead of that double-fudge brownie sugar bomb on the menu. Fresh or dried, fruit's sweetness pairs well with the satisfying creaminess of the cheese. Try brie, goat cheese, or cheddar with dates, figs, or apples. Don't take your eyes off the portion size, though – one serving is an ounce and a half of cheese, about the size of 4 dice.

Chocolate-Covered Frozen Bananas

This dessert looks fancy and indulgent, but it's pretty simple to make and not that bad for your diet. Freeze some banana slices and melt some dark chocolate. Roll the bananas in the chocolate and sprinkle some nuts on top if you want. Then put them back in the freezer until you're ready to eat. Enjoy two or three slices (about 70 calories) at a time.

Nut Bar

Many store-bought ones aren't much better than candy bars, so read the nutrition label. Look for natural ingredients and low added sugar, which some bars list as honey, corn syrup, or brown rice syrup, among other things. A well-balanced bar also should have 3 grams of fiber, 3 to 6 grams of protein, and around 175 calories. But this should be from nuts and fruit, not from "soy isolates," "chicory root," or other processed ingredients.
