Newark Families and Staff,

Winter weather = 5 things! (coat, hat, gloves, snow pants, boots). We recess outside every day (unless it is raining). MJH students also recess outside!

If your child is going home a different way than normal, please make sure to call the office or send a note with them to school.

Family Math and Science night is coming to MJH on February 2nd! Permission slips were sent home with Q2 report cards and included below! Please return the sign up form by Friday if your family is planning on attending! The format this year is for families - not just students.

The annual 5Essentials survey opens on Tuesday! Parent input is valuable to our district. We need 20% parent participation for each building to have any data. Please consider giving us your input! Please see the letter attached below for more information. Starting Tuesday, the link can be found here: <https://survey.5-essentials.org/illinois/>

Winter MAP benchmarking continues this week. We will be finishing up and completing make-ups for those that were absent last week. NWEA MAP assessments are nationally normed and our only district assessment. We dive into the data and use it for planning for individual instruction. Please help remind students we need their best effort in collecting this data.

We have scheduled Kindergarten Round Up for April 6th at 1:15 at Newark Grade School. The event is posted on Facebook and our Events website page. Please pass the word if you know of any kindergarteners ready for the 2023 - 2024 school year!

Girls' Basketball home games this week on Wednesday and Friday! Come on out to MJH and cheer on our girls! Check out all of the MJH activities below!

Be sure to check the website: www.ngsd66.org and the district APP to keep up with all the activities and events at both schools. We are well into quarter 3 and approaching the 100th day of school! Please don't hesitate to contact us with any questions or concerns.

Have a wonderful week ahead!
Partners in Education,
Mrs. Turman and Ms. Chase

**Newark Community Consolidated School
District #66**

Dear Parents/Guardians,

Beginning **January 24**, students and teachers across Illinois will have an opportunity to participate in the eleventh annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

All teachers and **4th through 12th grade students** will be responding to this survey. 5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in May 2023 and will also be included in the State School Report Card.

Additionally, your district has chosen to provide the optional Parent survey supplement. If at least 20 percent of Newark Grade School and Millbrook Jr. High parents complete this survey, a parent supplement report will also be generated. The parent data will not be reported on the State Report Card.

Your participation in the parent portion of the survey will help us understand the conditions at your child's school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey for students and teachers will be conducted January 24, 2023 through March 31, 2023. The Parent Survey Supplement will be conducted during that same timeframe. To take the survey please visit <https://survey.5-essentials.org/Illinois/> and select the appropriate survey to begin.

For more information about the Illinois 5Essentials Survey, or to view previous years' Reports, please visit <https://www.5-essentials.org/illinois>. If you have any questions or concerns, please contact UChicago Impact Client Services at 1-866-440-1874 or impact-surveys@uchicago.edu.
