Newark Families and Staff,

Only a few weeks left to take the 5Essentials Survey! We need 20% parent participation for each building to have any data from the survey. Please consider giving us your input! The link can be found here: <https://survey.5-essentials.org/illinois/>

MJH is looking for input on an Outdoor Education Classroom! Please open the survey and tell us your opinion! Thanks in advance for your help! [OEC Survey](#)

The Board of Education has approved the 2023 - 2024 Calendar for next school year. The calendar is attached on the last page of this ENews.

Bus drivers want to remind students and parents that there is no eating or drinking on the bus. Please remind students to stay seated while the bus is moving. The buses must also clear the safety zones before students get mail or other chores when exiting the bus. Student handbook with bus rules is attached. See pages 12 - 14 here: <https://5il.co/1eg7y>

We still need all 5 things! Winter is not done yet. It will be muddy and a little wet and our snow pants and boots keep our clothes dry!

8th Grade Graduation pictures will take place on Thursday morning. We are so thrilled to bring back this tradition to share with our 8th graders and their parents. Students need to be picture ready by 8:15. We will take the group picture first and then candid and individuals from 8:30 - 10:45 am.

School store will be at Newark Grade School on Friday this week during lunch/recess times.

Good luck to our GBB team in the conference tournament this week!

We have been informed by the health department about the outbreak of norovirus. There is a parent fact sheet flyer attached below. Please continue proper handwashing.

The online registration link for Kindergarten and PreSchool will be open on Tuesday! We will send out the link through all of our communication channels when it goes live on Tuesday morning.

Be sure to check the website: www.ngsd66.org and the district APP to keep up with all the activities and events at both schools. Please don't hesitate to contact us with any questions or concerns. Have a great week!

Partners in Education,
Mrs. Turman and Ms. Chase

NOROVIRUS (STOMACH BUG) FACT SHEET FOR PARENTS

Some cases of norovirus, or the stomach bug, have been reported from your child's school or classroom. Norovirus is a highly contagious virus that can lead to diarrhea, vomiting, and stomach pain. Norovirus illness can be known by other names, such as food poisoning and stomach flu. Anyone can get norovirus. Between 19 and 21 million cases are reported each year.

HOW DOES THE NOROVIRUS SPREAD?

Norovirus spreads very easily and quickly, as it doesn't take much exposure to make you sick. Individuals remain contagious from the moment they begin feeling sick through the first few days after recovery.

Norovirus can spread to others by:

- Having direct contact with an infected person, such as touching an infected person while caring for them.
- Eating food or drinking liquids that are contaminated with norovirus.
- Touching objects that have norovirus on them and then putting your fingers in your mouth.
- Sharing utensils or cups with people who are infected with norovirus.

Remember the correct way to wash your hands. Apply soap. Rub your hands together to create a lather and scrub well for at least 20 seconds. Rinse hands well under running water. Dry hands using a clean towel or air dry them.

HOW TO PREVENT NOROVIRUS?

Use the Centers for Disease Control and Prevention's recommendations:

1. Practice proper hand hygiene.
2. Wash fruits and vegetables and cook seafood thoroughly. Keep sick infants and children out of areas where food is being handled and prepared.
3. When you are sick, do not prepare food or care for others. And after recovery, wait for another 2 to 3 days as you may still be contagious.
4. Clean and disinfect contaminated surfaces using a chlorine bleach solution or other disinfectant registered as effective against norovirus by the U.S. Environmental Protection Agency (EPA).
5. Wash laundry thoroughly. Immediately remove and wash clothes or linens that may be contaminated with vomit or stool (feces). Handle these items carefully without agitating them. Wear rubber or disposable gloves while handling soiled items and wash your hands after. Wash the items with detergent at the maximum available cycle length and then machine dry them.

Camp 2: July 11-13 at Village Bible Church's Gym

This summer Coaches Monica Williams & Megan Williams will conduct volleyball camps for students entering grades 1—9 in the fall. Coach Monica played volleyball for Lisbon Grade School, Newark High School, and Wheaton College, and has since been inducted into the Sports Hall of Fame at both Newark High School & Wheaton College. She coached for 10 years at the high school varsity level and 10 years at the middle school level, and has run camps for over 20 years. Her daughter, Coach Megan Williams, was a 4-year starter on the Newark High School Volleyball team that secured two State Championships. A 6'1" outside hitter, Megan was named a unanimous all-conference athlete all four years. She has assisted with the Williams Summer Volleyball Camps for many years. These coaches LOVE to teach solid fundamentals while encouraging youth athletes!

The purpose of the camp is to equip athletes with the skills needed to be successful volleyball players. Camp offers individual instruction in basic and intermediate volleyball techniques. This camp is designed for participants interested in developing and refining the skills of passing, setting, spiking, blocking, digging, and serving. Tactics and teamwork skills essential to an improved level of play will also be emphasized.

Beyond just developing skills relating to volleyball, Coach Williams' desire is to see young athletes develop strong character qualities through competing in athletics. Coaches in Monica's life have taught her great life lessons through sports, and she would like to pass these lessons along to others as well!
