Newark Families and Staff,

The 5Essentials survey closes on March 31st. Thank you to everyone for your input! [Survey Start for The State of Illinois](https://survey.5-essentials.org/illinois/?target_name=parent)

We still need all 5 things! Winter is not done yet. It will be muddy and a little wet and our snow pants and boots keep our clothes dry! Hopefully the weather breaks after Spring Break!

The online registration link for Kindergarten and PreSchool is open! If you are a current family, you can login to your Teacherease account and just add a new student. New families need the new registration link to register. Pre- School is filling up quickly!

Kindergarten round up is coming on April 6th (see flyer below for details). If you have a kindergartener enrolling this coming Fall, please register them online.

IAR state testing begins April 4th when we return from Spring Break for grades 3 - 8 in reading and math. Your students are already prepared for these assessments! We just ask students to get a good night's rest and eat breakfast in the morning. Please see the letter attached below for more information.

Did you know the district has a wellness policy? Our students deserve the very best food put into their growing bodies. The nurse's note below includes ideas for healthy lunches/snacks. Our wellness policy can be accessed here: <https://5il.co/y28a>

Congratulations to Mrs. Hager and the Cast and Crew of Matilda Jr. the Musical! Lots of time, effort and energy goes into our young theater program. Performances by the students and the crew were amazing this past weekend! Thank you to all the parents who helped behind the scenes! Outstanding work by all!

**We dismiss at 1:15 at MJH and 1:30 at NGS on Friday for Spring Break!** Report cards for Q3 come home on Thursday. We hope everyone finds a few days of downtime before we ramp up for the last 43 days of school! We still have learning to do!

Be sure to check the website: [www.ngsd66.org](http://www.ngsd66.org) and the district APP to keep up with all the activities and events at both schools. Please don't hesitate to contact us with any questions or concerns. ENews will return on Sunday, April 2nd! Have a great week!

Dear Parent or Guardian:

We will be giving your child state-required assessment tests April 4<sup>th</sup> – April 21<sup>st</sup>. Students in grades three, four, five, six, seven and eight will be tested in reading and mathematics. In addition, 5<sup>th</sup> and 8<sup>th</sup> grades will perform three sections in Science. It is extremely important to have good attendance on testing days. MJH will be testing on April 4, 5, and 6. NGS will be testing April 4 – 11.

The tests are a part of the Illinois Assessment of Readiness and are being given to all eligible students. Students will be challenged to apply their knowledge instead of just memorizing facts.

You can help your child do his/her best on these tests by following these guidelines:

- ✓ Make sure that your child attends school on all days of testing.
- ✓ Make sure your child gets a good night's sleep the night before testing.
- ✓ Provide a healthy breakfast on the mornings of testing.
- ✓ Remind your child to ask the teacher questions if he/she does not understand the test directions.
- ✓ Let your child know that you have confidence in his/her ability to do their best.
- ✓ Advise your child not to worry about the test - just do his/her best!
- ✓ Testing materials needed by grades three through eight students are: **Headphones, Number Two pencils and a calculator.** (The calculator for grades 6<sup>th</sup> – 8<sup>th</sup> only **CANNOT** be on an electronic device such as a Kindle or iPod, or any kind of phone.)
- ✓ Students cannot have phones, smartwatches, or any other technology besides their district issued chrome book for testing.
- ✓ Please bring a healthy snack and/or juice, water. We will have a break after testing.

Please contact your child's teacher if you want additional information or have further questions about these tests. We look forward to sharing the IAR results with you. Thank you for your continued support at home.

# NOROVIRUS (STOMACH BUG) FACT SHEET FOR PARENTS

Some cases of norovirus, or the stomach bug, have been reported from your child's school or classroom. Norovirus is a highly contagious virus that can lead to diarrhea, vomiting, and stomach pain. Norovirus illness can be known by other names, such as food poisoning and stomach flu. Anyone can get norovirus. Between 19 and 21 million cases are reported each year.

## HOW DOES THE NOROVIRUS SPREAD?

Norovirus spreads very easily and quickly, as it doesn't take much exposure to make you sick. Individuals remain contagious from the moment they begin feeling sick through the first few days after recovery.

Norovirus can spread to others by:

- Having direct contact with an infected person, such as touching an infected person while caring for them.
- Eating food or drinking liquids that are contaminated with norovirus.
- Touching objects that have norovirus on them and then putting your fingers in your mouth.
- Sharing utensils or cups with people who are infected with norovirus.

Remember the correct way to wash your hands. Apply soap. Rub your hands together to create a lather and scrub well for at least 20 seconds. Rinse hands well under running water. Dry hands using a clean towel or air dry them.

## HOW TO PREVENT NOROVIRUS?

Use the Centers for Disease Control and Prevention's recommendations:

1. Practice proper hand hygiene.
2. Wash fruits and vegetables and cook seafood thoroughly. Keep sick infants and children out of areas where food is being handled and prepared.
3. When you are sick, do not prepare food or care for others. And after recovery, wait for another 2 to 3 days as you may still be contagious.
4. Clean and disinfect contaminated surfaces using a chlorine bleach solution or other disinfectant registered as effective against norovirus by the U.S. Environmental Protection Agency (EPA).
5. Wash laundry thoroughly. Immediately remove and wash clothes or linens that may be contaminated with vomit or stool (feces). Handle these items carefully without agitating them. Wear rubber or disposable gloves while handling soiled items and wash your hands after. Wash the items with detergent at the maximum available cycle length and then machine dry them.

## Bento Box Ideas For Kids & School Lunch (Easy to Make)

By Kristin Marr • Posted: August 27 <https://livesimply.me/easy-real-food-school-lunch-ideas/>.

### What is a Bento Lunch Box?

A bento box is a lunchbox that's divided into smaller compartments, separating the food in the box. Here's what I love about using a bento box for kids and school lunch...

- Makes packing a school lunch super easy.
- Everything is easily laid out for the kids at lunchtime, which is ideal when you only have a few minutes to eat.
- Saves money: no more buying plastic bags that get tossed or new lunchboxes every year.
- I'm not a "Pinterest mom," packing all the fun things like fruits in different shapes, etc. but the bento box makes packing a beautiful lunch super easy. When a lunch is beautiful (this doesn't mean complicated), kids are more likely to enjoy their lunch.

### My Easy Lunch Formula

Coming up with lunch ideas each day is a lot of work! That's why I created a simple lunch-packing formula. My formula divides the lunchbox into 4 categories. You'll notice that I use this formula to build all 27 bento lunch ideas (below).

### Why use this formula?

- Takes all the guesswork out of having to build a lunch each day.
- Instead of feeling frustrated by a lack of ideas, you'll have a framework or starting point that simply needs to be "filled in." The printable [42 school lunch ideas cheat sheet](#) gives you a ton of ideas. See following page.

# Build a Lunchbox

Choose 1 food from each category to build a lunchbox: main, fruit, veggie, and crunch. How much food you pack will depend on the age of child.

## MAIN

- Homemade "Lunchable:" crackers, cheese, deli meat or sliced chicken
- Build your own parfait: yogurt, fruit, and granola
- Quesadilla: cheese in a tortilla or chicken, ham, or roast beef and cheese in a tortilla
- Build your own taco: ground beef, beans, or shredded chicken with tortilla with fillings
- Oatmeal: warm in a thermos or cold
- Pasta with butter and Parmesan cheese, peas, pasta sauce, or pesto
- Pasta salad: pasta, veggies, olives, cheese, shredded chicken or cubed deli ham, olive oil
- Any leftovers from dinner, such as meatballs, sloppy joe, fajita filling, roast beef, soup, etc. served at room temperature or in a thermos.

## FRUIT

- Apple slices (sprinkle with cinnamon to prevent browning or squeeze with lemon juice)
- Applesauce (no sugar added)
- Dried fruit, such as mangoes, apples, raisins, cherries, cranberries (low or no added sugar)
- Dried fruit bars, such as: mango bars (just fruit, nothing else)
- Freeze-dried fruit, such as strawberries, peaches
- Smoothie in a thermos or reusable water bottle
- Plain yogurt and fruit (flavor with honey, if desired)
- Anything seasonal

## VEGGIE

- Cucumber slices or sticks
- Carrot sticks
- Celery sticks
- Bell pepper sticks or halved mini sweet peppers
- Roasted vegetables, such as roasted broccoli, potatoes, cauliflower, butternut squash, zucchini served warm in a thermos or at room temperature
- Pickles (no yellow dye added)
- Avocado (halved and sprinkled with lemon juice to prevent browning)
- Baked potato or sweet potato, halved or whole
- Fermented veggies, like fermented carrots
- Soup (a main soup containing veggies)
- Salad
- Dips: homemade ranch, hummus, salsa, guacamole

## CRUNCH

- Popcorn
- Trail mix
- Homemade or store-bought granola bar
- Nut or seed bites
- Pickles
- Crackers or tortilla chips
- Cheese cubes or slices
- Beef jerky sticks
- Muffins: mini or standard size
- Fruit leather
- Breakfast cookie
- Homemade biscuit or slice of fresh bread
- Rice cakes (optional: spread with a nut or seed butter or cream cheese)
- Crispy chickpeas

## **Camp 2: July 11-13 at Village Bible Church's Gym**

This summer Coaches Monica Williams & Megan Williams will conduct volleyball camps for students entering grades 1—9 in the fall. Coach Monica played volleyball for Lisbon Grade School, Newark High School, and Wheaton College, and has since been inducted into the Sports Hall of Fame at both Newark High School & Wheaton College. She coached for 10 years at the high school varsity level and 10 years at the middle school level, and has run camps for over 20 years. Her daughter, Coach Megan Williams, was a 4-year starter on the Newark High School Volleyball team that secured two State Championships. A 6'1" outside hitter, Megan was named a unanimous all-conference athlete all four years. She has assisted with the Williams Summer Volleyball Camps for many years. These coaches LOVE to teach solid fundamentals while encouraging youth athletes!

The purpose of the camp is to equip athletes with the skills needed to be successful volleyball players. Camp offers individual instruction in basic and intermediate volleyball techniques. This camp is designed for participants interested in developing and refining the skills of passing, setting, spiking, blocking, digging, and serving. Tactics and teamwork skills essential to an improved level of play will also be emphasized.

Beyond just developing skills relating to volleyball, Coach Williams' desire is to see young athletes develop strong character qualities through competing in athletics. Coaches in Monica's life have taught her great life lessons through sports, and she would like to pass these lessons along to others as well!
