## Newark CCSD 66

[www.ngsd66.org](http://www.ngsd66.org)

815-695-5143

Newark Families and Staff,

The online registration link for Kindergarten, PreSchool and current students is open! If you are a current family, you can login to your Teacherease account. New families need the new registration link to register.

On Friday, April 28, Mr. Hofmann will be selling keychains and lanyards from our years of supporting the American Heart Association. The lanyards are .25 cents and the key chains are .50 cents. All money collected will go towards purchasing PE supplies. Every student at NGS received a lanyard on Friday from a donation. MJH students will receive a lanyard this coming week.

Morris Hospital and MJH will be again sponsoring sports physicals for incoming 5th, 7th and 8th graders. Incoming 6th graders need a full physical. Sports physicals are \$25 the flyer is attached below. Morris Hospital has generously donated back the proceeds for our PE and wellness programs in the past. We are grateful for their partnership!

ABC countdown continues this week! ABC countdown days are attached below.

Quarter 4 midterms will be updated in Teacherease accounts by Friday afternoon.

Friday, April 28 is a school improvement day. We dismiss at 1:15 at Millbrook Jr. High and 1:30 at Newark Grade School.

Wednesday, April 26 is Professional Administrators Day! Thank you to Mrs. Hauge, Mrs. Wood, Mrs. Sapsford and Mrs. Menth for all the support they give kids and all of their time and energy they give to the district, Ms. Chase and me. We appreciate you!

Please be sure to dress for the weather this week! It looks like it may be a bit chilly. We recess outside every day!

And as the weather warms up, please remember we do have a dress code at school. Midriff tops and short shorts are not appropriate for school. We also need closed toed shoes outside on the playground for safety. No sandals please!

Be sure to check the website: [www.ngsd66.org](http://www.ngsd66.org) and the district APP to keep up with all the activities and events at both schools. Please don't hesitate to contact us with any questions or concerns.

Have a great week!  
Partners in Education,  
Mrs. Turman and Ms. Chase

More information to come on how parents and students can participate to make this special for our teachers and staff!

As you know, Newark/Millbrook PTO works collaboratively to support the schools through many events and volunteer opportunities. We are all parents trying to give our kids the best educational and social experiences possible. This could not happen without the donation of time and resources from all of you.

We would love for you to show your support by participating in the events and activities planned throughout the 2023-2024 school year. Your participation might be that of a committee leader or a committee member. Whatever level of participation you select, your time and involvement will certainly be appreciated and ensure we are able to continue the success of Newark/Millbrook PTO.

Please see the below "PTO Events Calendar 2023-2024" for a list of activities and description of the committees' responsibilities along with the tentative event dates for the next school year. Please let us know the events you are able to participate, as if we do not get enough help, some of the events that we have had in the past may be cancelled.

In addition to events, we invite you to attend all or as many PTO meetings as you can. Meetings are held the second Tuesday of the month from 6:00 to 7:00 p.m. Specific dates will be communicated on the school website and weekly Enews.

Thank you for all that you do for our kids and the community! Feel free to contact Gilly Fordyce at [gillyfordyce@gmail.com](mailto:gillyfordyce@gmail.com) if you are interested in volunteering and participating in the Newark/Millbrook PTO. We are looking to get slots filled by 5/2/2023 as this is also our final PTO meeting of the school year. We can relook at openings at our first PTO meeting 9/5/2023 as well.

### WHAT IS SAFE2HELP IL?

Safe2Help IL is a program with a multifaceted approach to help prevent suicides, bullying, school violence, or other threats to school safety. The program offers a website with self help resources and videos, a classroom resource kit to help change the culture in Illinois schools, and a 24/7 **confidential** way to share information regarding safety issues impacting you or your friend's safety. Our goal is for students to **"Seek Help Before Harm."**

### DID YOU KNOW?

- 70%** of teens have experienced struggles with mental health.
-  1 in 6 students experienced a major depressive episode in 2020.
-  1 in 5 high schools students report being bullied in school.
-  15% of adolescents increased their use of alcohol.

## How to Move More Anytime Anywhere

It's really not that hard to fit in fitness. You can get up and move just about anytime, anywhere to be more physically active and stay healthy. And every minute counts toward the goal of at least 150 minutes per week of exercise. Every time you stand up and do something, you're taking a step in the right direction. Move more at home, outdoors and just about anywhere.

Get the whole family moving more at home. Finding ways to be more active around the house sets a good example for kids and can help you stay on top of housework. You can combine exercise with other activities, like watching TV, cleaning or cooking.

- **Make active chore cards.** Let each family member draw a card each day with a different active task that needs to be done. Cleaning up after dinner, walking the dog, taking the trash out, folding laundry and unloading the dishwasher are all good ways to get your family up off the couch – and get the chores done.
- **Clear some space, put on some music, and take a dance break!** It can re-energize a study session, lazy Sunday or game night. Let each person take a turn as DJ so everyone's favorites get played.
- **Put the screens on hold.** Instead of heading right for the TV or game console after dinner, make that family activity time. Take a walk, practice a sport, or play a game of hide-and-seek.
- **Tune into fitness during TV time.** Walk or jog in place or on a treadmill, lift weights, or do yoga while you watch your favorite shows. Break up a TV binge with a bit of activity between episodes. Or challenge each other to see who can do the most burpees, push-ups or jumping jacks during commercial breaks.
- **Shake up your family's routine.** Join your kids for a bike ride or shoot some hoops before starting on homework and chores. You'll all feel better and think better.

- **Play actively with pets.** Throw a ball or stick for the dog to fetch. Lead the cat on a string chase around the house.
- **Include active games** in family game night, like Twister, charades and hide-and-seek.
- **Keep a list of kid-friendly activities handy** for when you hear “I’m bored.”
- **Choose toys for your kids that encourage physical activity**, such as balls, skateboards, hula hoops and jump ropes.
- **Keep exercise equipment out** where it can easily be used for a quick workout.
- **Instead of always having the TV on** for company or background noise, play music that inspires you to get up and move.

If the great outdoors is your thing, take your workout outside. Being outdoors can make exercise seem more like play, so you may enjoy it more and stick with it. Dress in layers so you’re ready for changes in temperature and weather. And don’t forget hats, sunglasses and sunscreen.

- **When the weather’s nice**, take a walk or bike ride around your neighborhood.
- **Get your garden on.** Gardening, mowing and yard work are a great way to get active outdoors. No yard? No problem! Try container gardening or a local community garden.
- **After a heavy rain**, put on some old clothes, grab some towels, and take the kids out for good old-fashioned mud fight.

Want even more ways to squeeze a little more activity into your life?

- **Always wanted to learn how to ballroom dance**, practice karate or shoot a bow and arrow? Find an online tutorial and teach yourself. It’s never too late to pick up a new skill and get more active. Or search the web for a local class.
- **When you’re out walking**, throw in some wall push-ups, lunges and other exercises. Or do short, one-minute intervals at a faster pace to boost the intensity.
- **When you’re at home watching TV** do some micro-movements like glute squeezes, abdominal contractions and pelvic floor exercises. Your core will thank you!
