Newark Families and Staff,

We made it through the heat wave! Thank you for sending a water bottle every day with your student. Students should continue to bring a water bottle and a snack every day to school.

MAP testing continues into next week. This district assessment (done three times a year) gives our teachers valuable data for input on daily instruction for individual students. Map scores will be shared with you, along with IAR data in October at Parent-Teacher Conferences.

Our 1st quarter midterms will be available on September 15th

Bus drills for all students will take place on Friday, September 1st. We will practice exiting the bus in case of an emergency. These drills are required every year.

Grandparents day is coming on Monday, September 11th. Thank you PTO for sponsoring this event at both schools! Please return your RSVP forms by Wednesday. We will be checking ID's and signing in our visitors. Check your child's backpack for the form from Friday. Form is also included below.

We are still looking for a personalized yearbook. MJH students, please check your yearbooks that were sent home. Someone has a personalized name on the Front Cover under the 2023. Please return to MJH and we will give you a new one.

We are sold out of all of the 22 -23 yearbooks. We have switched vendors for school pictures and yearbooks for this coming year. HR Imaging will be our school picture and yearbook provider for 23 -24. Fall Picture day is September 21st!

We welcome Mrs. Rowe and Mrs. Winner as our co-teachers for music/fine arts this year. Mrs. Rowe will be teaching music to our K - 4 students on Monday, Tuesday, and Wednesday. Mrs. Winner will teach fine arts on Thursdays and Fridays. We continue to search for a permanent candidate with NCHS for the 24 - 25 school year as a shared service. You can reach Mrs. Rowe - [prowe@ncsd66.org](mailto:prowe@ncsd66.org) and Mrs. Winner - [jwinner@ncsd66.org](mailto:jwinner@ncsd66.org). The Christmas Program is scheduled for Thursday, December 7, 2023 at 6:00 pm.

NGS students - for safety reasons - please make sure students have close toed shoes on for the playground area. We recess outside every day! They should have outside shoes and indoor shoes for the gym floor. Please let us know if you have any questions

Be sure to check the website: [www.ngsd66.org](http://www.ngsd66.org) and the district APP to keep up with all the information!. Preschool links have been added under the Newark Grade School Tab. Please don't hesitate to contact us with any questions or concerns. Have an amazing week! Go Vikings!

Partners in Education,  
Mrs. Turman and Ms. Chase

# Vision & Hearing Screening

## School Screening

School health personnel perform vision and hearing screening of students. The parents of a child may request a screening at any time. Vision and hearing screening will begin as mandated, on **Tuesday, September 5, 2023, for MJH students and on Wednesday, September 6, for NGS students. Illinois mandates hearing screening for all students in grades K-3;** for all students receiving special education accommodations; for teacher or parent referrals; for transfer students; and recommends it for students in all even grades. Vision screening is mandated for students in grades K, 2, and 8; for all students receiving special education accommodations; for teacher or parent referrals; for transfer students; and is recommended for all students in even grades. Re-screening, if necessary, will be done the week of September 18. Preschool students will also receive vision and hearing screening as mandated by the Illinois Department of Public Health. This will be performed the week of September 25.

## Screenings & Required Exams

Vision and hearing screenings are not substitutes for a complete eye and ear examination by an appropriate doctor. Your child will not be required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months and that evaluation is on file at the school.

Your child will not be required to undergo this hearing screening if an audiologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months and that evaluation is on file at the school. This notice is not a permission to test.

Vision and hearing screening is not optional. If a vision or hearing examination report is not on file at the school for your child, your child in the mandated age, grade, or group will be screened.

Come and join the fun and meet other families as we work together with our teachers to support the ones that matter most..... Our Students!

As a parent/guardian of a NGS or MJH student, we encourage you to participate in any way you can, even if that means volunteering just one hour of your time once a month to participate in the PTO monthly meetings.

The PTO meetings are organized for the purpose of supporting the education of our children in both the NGS and MJH and building relationships among the school, parents, teachers and community; while providing financial support for programs funded outside the annual school budget.

MEETING DATES: We meet each month at 6pm in the NSG Cafeteria or Millbrook Junior High
