

USE OF SCHOOL FACILITIES

The functions of school buildings and grounds of the Braxton County School District shall be to accommodate approved school programs for students and to assist in meeting the educational, cultural, civic, social, and recreational needs of the communities served by respective Braxton County Schools.

Use of school buildings by the community shall be considered a secondary function so as not to interfere with regular school day programs of the students.

Regulations specified in Policy 5310 under this cover shall be binding on all who utilize school facilities.

No school facilities may be used by outside groups except by special permission and approval of the principal.
