

1st Day Arrival and Daily Arrival Procedures and Departure Procedures

Vysehrad Parents,

The first day of school is an exciting day for students, teachers and parents. We want to make sure our parents do not miss out on the experience of walking their child/children to class on this special day. We will allow parents of all grade levels to walk their child/children to class on the first day of school. Parents will not be allowed to walk students to class after the first day. PreK students may need a little more time to adjust to being dropped off at school, so parents of PreK students may walk their child to class for the 5 days of school. Students will not be allowed on campus before 7:35 am. If you need to drop off your child before 7:35 please contact the office to discuss arrangements. Students should report directly to the cafeteria if they are going to eat breakfast. If not eating breakfast students should stay on the playground until school begins. The dismissal procedure will be the same as last year. Parents picking up students should enter the campus through the third gate and exit through the gate at the front of the school. Parents are encouraged to drive through the line, if you need to walk up to the porch and retrieve your student you must enter through the pedestrian gate in the front yard of the school. No one is permitted to walk through the driveway gates at dismissal. This creates a dangerous situation for drivers and students. Thank you for helping us keep all the students and staff of Vysehrad safe this school year.
