## NYSED – ESSA Funded Programs

[SCCS Public Comment Link](#)

- [Click here](#) for NYSED information about programs
- Title 1A funds are used to upgrade the educational program. At SCCS this grant pays for a portion of our Academic Intervention Services staff. We also use this grant to fund professional development for teachers and books for students.
- Title IIA is intended to support teachers, principals, and other school leaders in their work to improve the overall quality of instruction and ensure equity of educational opportunity for all students. At SCCS this grant pays for a class size reduction teacher in our elementary school.
- Title III funds English as a New Language programming. SCCS belongs to a consortium with Erie One BOCES which allows us to send staff to workshops and receive materials for our program needs.
- Title IVA is intended to increase academic enrichment. SCCS uses this grant to support computer science and technology programming.
- Title V provides additional resources to assist rural districts. SCCS did not receive these funds for the 21-22 school year.
