

When you should notify the Hampton School District Point of Contact

In an effort to prevent the spread of the COVID-19 virus within our staff and student body we are asking all parents/guardians, of students who will be in attendance on-site, and all employees to notify our designated Point of Contact (POC) immediately when the following occurs:

- *Someone in the household has tested positive for COVID-19.*
- *Someone in the household has been identified as a Close Contact to a positive case of COVID-19 and is requiring quarantine and/or recommended to be tested for COVID-19.*
- *Students (attending on-site) and employees who are being tested for COVID-19. If a student/staff has been tested for COVID-19 and is also symptomatic, student/staff should remain in quarantine pending results of their COVID-19 test.*

Please call Jana Young at 870-798-6110 or 870-798-6133 (Please leave a message if there is no answer.
