When You Should Notify the
Piggott School District Point of Contact

In an effort to prevent the spread of the Covid 19 virus within our staff and student body we are asking all parents/guardians of students who will be in attendance on-site, and all employees to notify our designated Point of Contact (POC) immediately when the following occurs:

- * Someone in the household has tested positive for Covid-19
- * Someone in the household has been identified as a close contact to a positive case of Covid 19 and is requiring quarantine and/or recommended to be tested for Covid 19
- * Students (attending on-site) and employees who are being tested for Covid 19. If a student/staff member has been tested for Covid 19 and is also symptomatic, the student/staff member should remain in quarantine pending the results of their Covid 19 test.
