Dear Families:

The sixth grade teachers at Fords Middle School would like to extend our congratulations to you and your young learners as you reach this milestone achievement. The promotion to middle school can be exhilarating, but also comes with heightened responsibility. Becoming a successful middle school student starts with being prepared. Below, you will find a recommended list of some of the most common supplies that the teachers in sixth grade will be looking for during the first days of school in September.

3 packages of insertable pocket tab dividers (8+)
3 100ct. packages of insertable white lined paper

General Supplies

1 pack of black or blue ink pens
1 colored pen (red, green, etc...)

In addition, we will be reading two required novels together in school throughout the school year. These novels are NOT to be read during the summer. While these can be borrowed for use at school, feel free to purchase a personal copy for your child, as the school copies are generally not available to be taken home for use outside of the classroom.
