

RSD6 Safety and Security Update  
Board of Education - August 2021

## Threat Assessments

In the past, threat assessments were conducted at each of the four (4) RSD6 school buildings by members of the Critical Infrastructure Protection Unit of Homeland Security and State Department of Education. In September 2020 assessment(s) were completed by Officer Marsh of the Woodbury Resident Troopers office. The recommendations are included and completed in district upgrades. Next scheduled threat assessment(s) TBD in 2022.

Fire and Lockdown drills completed and logs sent to State Office for 2020-21 school year.
