

**Hampton School District  
School Choice  
Announcement for the 2023-2024 School Year**

The Hampton School District participates in the Arkansas Public School Choice Act of 2015 and welcomes applications for School Choice transfer into the district. Hampton School provides great student-teacher interaction, clubs, extra-curricular activities, award winning athletics, numerous academic programs, computer labs, incentives, and field trips. Offering AP courses and college concurrent credit courses and vocational courses at SAU-Tech's campus during the school day, the Hampton School District helps students take an early start toward their college education and saves parents in tuition and transportation fees incurred during those first college years. Any students interested in transferring to the Hampton School District from another district, must have parents or guardians submit an application (School Choice Act of 2015 form) **by May 1<sup>st</sup>, 2023**. For applications or further information, please call 870-798-6100, go to <https://www.hamptonbulldogs.school/page/school-choice-application>, or come by the Superintendent's Administration Office at 455 East Main Street in Hampton.
