ASVAB Opt OutForm

Juniors will be taking the Armed Services Vocational Aptitude Battery (ASVAB) test Thursday, April 27th, 1st-3rd periods. The ASVAB test helps students identify their skills and interests so that they can find potentially satisfying career fields and explore all post-secondary paths they could take to gain entry into their career field of choice. The testing categories are: General Science, Arithmetic Reasoning, Word Knowledge, Paragraph Comprehension, Mathematics Knowledge, Electronics Information, Auto and Shop Information and Mechanical Comprehension.

- Taking the ASVAB gives a student an opportunity to explore education, work-based learning, and/or the Military in the context of their skills and interests without cost or commitment.
- The ASVAB is *not* an IQ test and taking the test does *not* obligate individuals to any military service.

To opt-out of ASVAB testing, this section must be completed by the parent/guardian or adult student:
