

RCS Parent Traffic Pattern for Drop-Off and Pick-Up in the Woody Parking Lot

Drop-Off/Pick-Up for 6th grade students is at the front of the building, as you enter the parking lot, to the right of the main door.

Drop-Off for 7th-12th Grade: When dropping students off at RCS, please follow the pattern indicated by the red arrows. Student drop-off is indicated by the purple arrows. Please pull forward, as directed by a staff member, toward the student crossing as indicated by the blue stripe on the diagram. Multiple students will be released at the same time in order to minimize time dropping students off. All vehicles dropping students off will enter and exit via the Foushee St. entrance. The Depot St. entrance will be closed in the morning for drop-off and in the afternoon for pick-up. **UPON EXITING THE PARKING LOT, ALL DRIVERS WILL BE DIRECTED TO TURN LEFT ON FOUSHEE TO MINIMIZE TRAFFIC ON DEPOT ST.** Please use the single loop pattern as indicated on the diagram. This will prevent 'crossing over' student drivers, but be careful and courteous of student drivers parking in the far spots nearest Foushee St. Thank you for your patience as students and parents become familiar with the pattern. We will have staff on duty to assist in directing student and parent drivers.

Pick-Up for 7th – 12th Grade: The traffic pattern will be the same for pick-up as drop off.
