Attention CAS alumni!

Leave your mark on the Central Avenue School Courtyard

The CAS PTO, Artistic Landscaping, CAS staff, and the Madison School

District have been working on a plan to revitalize our inner courtyard. We are very excited to provide our students with the opportunity to learn and grow in a peaceful, outdoor space. There will be areas to quietly read and for full classroom learning.

We will be creating a safe, low maintenance space with a classroom area, reading nooks, and a pathway covered with 4x8 pavers, all surrounded by potted plants and whimsical extras for the children to enjoy.

We need your help to make this happen! Click [here](#) (or visit <https://polarengraving.com/caspto>) to buy a personalized, engraved paver to fill the space and help fund the project by Friday, June 9.

Pricing:

- Text and Logo \$100
- Text only \$75
- Replica tile (coaster sized for home) \$35

MJS Random Acts of Kindness with Conflict Resolution

The MJS Conflict Resolution team, in partnership with the Madison Education Foundation (MEF) developed a grant based on the idea called the Butterfly Effect. This kindness initiative, which was started by Chris Rosati when he was in his 40s and diagnosed with ALS (Lou Gehrig's Disease) creates "bucket lists" that would spread kindness and happiness to others.

Students worked on their own or in small groups and applied for a mini-grants of \$50-\$100 for an idea they developed to help spread kindness or fulfill a need at MJS or our community.

Grant recipients recently received their gifts of kindness from Con Res, including:

- Speedcubing puzzles and manipulatives for the Madison Cubing Club
- Bakery treats for MJS crossing guards
- Arts and crafts items for rock painting at a local nursing home
- Fans for classrooms
- Pencils, colored pencils, and sharpeners for the 7th grade and World Language teams
- An Air Fryer for the Madison Fire Department kitchen

Thank you to Con Res students, Con Res advisor Ms. Barb Zabel and the MEF for this wonderful initiative!

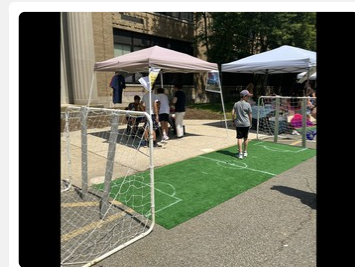

Annual 7th Grade Probability Carnival

Our 7th Grade Probability Carnival was a success!

Thank you to Mrs. Hatzimanuel, Mrs. McPeck, and Mrs. Olsen for supporting our students with the annual tradition.
