

The background is a teal color with a dense pattern of white line-art icons representing various educational fields: science (microscope, globe, atom, DNA), math (calculator, pi symbol, equations like $x \cdot (1-y) = ?$ and $2+2=?$), arts (pencil, paint palette, musical notes), and general school items (backpack, books, paper airplane, lightbulb). The word 'IDEA' is also repeated in a stylized font. A large white circle is centered on the page, with two white curved lines on its left and right sides, resembling a stylized 'C' or a speech bubble tail.
