

Whitefield Public School

ARP ESSER III Plan

Part 1: Prevention and Mitigation Strategies

The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in person learning.

Total Budget: \$379,342.75

COVID-19 and its variants have brought many challenges to Whitefield Public School, but we are proud to have implemented safety measures that allowed us to keep our schools open during the 2020-2021 school year with only occasional school closures for deep cleaning and staff adjustments for the continuity of all school services. After successfully returning to learn in a traditional in-person format during the 2020-2021 school year, Whitefield Public School will remain open for in-person learning for the 2021-2022 school year.

In consultation with stakeholders and through surveys completed by various stakeholder groups, the following strategies/items have been identified as needs for Whitefield Public School to continue to effectively serve our students, even in the event of the pandemic lingering into the 2021-2022 school year. If funding for a particular item has been identified as an expenditure of ESSER stimulus funds, it is noted in the chart.

Expenditure	Strategy/Item for Prevention & Mitigation	ESSER Funding
Afterschool Program for Reading and Math	Supplemental After School Program to address learning loss.	1. ESSER III (pending approval)
1 School Bus	Allow fewer students and additional spacing on bus routes and trips.	1. ESSER III (pending approval)
Replace HVAC Units	Improve air quality and energy efficiency	1. ESSER III (pending approval)
Repair Cafeteria Roof	Ensure air quality and energy efficiency	1. ESSER III (pending SDE approval)
Additional Classroom(s)	Help keep students socially distanced throughout the school day.	
Smartboards/Tablets	Additional classrooms being utilized to limit class size for social distancing	1. ESSER III (pending SDE approval)

Part 2: Strategies for Addressing Learning Loss

How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year. At least 20% of the ARP ESSER III budget is required to be spent in this area.

Evidence-based interventions include instructional programs & materials that have been proven to raise student achievement. Also included are strategies such as Multi-tiered Systems of Support, staff members hired for intervention during the school day, instructional coaches to elevate teacher efficacy, specific learning programs for credit recovery, remediation, and acceleration.

Expenditure	Strategy/Item for Addressing Learning Loss	ESSER Funding 3 Year Budget
After School Program	Supplemental After School Program to address learning loss in reading, math, and science.	77323.57
Summer School Program	Summer School Program with an emphasis on learning loss in reading, math, and science.	14602.50
Smartboards	Additional classrooms being utilized not equipped with technology.	\$17,500
Reading Materials for Intervention	Reading Instructional material for intervention	\$5000
Hot Spots/Tablets/Carts	Ensuring a device and connectivity for each individual student.	\$22000.00

- 20% of the ESSER III Allocation = \$ Required to Address Learning Loss
- Total Expenditures in the Learning Loss area = \$134,426.07

Part 3: Ensuring Most Vulnerable Populations Unique Needs Are Addressed

How the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.
